

The First Of Men A Life Of George Washington

AW Chickering

The First Of Men A Life Of George Washington:

The First of Men John E. Ferling, 2010-02-04 Written by John Ferling one of America's leading historians of the Revolutionary era *The First of Men* offers an illuminating portrait of George Washington's life with emphasis on his military and political career Here is a riveting account that captures Washington in all his complexity recounting not only Washington's familiar sterling qualities courage industry ability to make difficult decisions ceaseless striving for self improvement love of his family and loyalty to friends but also his less well known character flaws Indeed as Ferling shows Washington had to overcome many negative traits as he matured into a leader The young Washington was accused of ingratitude and certain of his letters from this period read as if they were written by a pompous martinet and a whining petulant brat As commander in chief of the Continental Army he lost his temper more than once and indulged flatterers Aaron Burr found him a boring colorless person As president he often believed the worst about individual officials Ferling concludes that Washington's personality and temperament were those of a self centered and self absorbed man one who since youth had exhibited a fragile self esteem And yet he managed to realize virtually every grand design he ever conceived Ferling's Washington is driven fired by ambition envy and dreams of fame and fortune Yet his leadership and character galvanized the American Revolution probably no one else could have kept the war going until the master stroke at Yorktown and helped the fledgling nation take and survive its first unsteady steps This superb paperback makes available once again an unflinchingly honest and compelling biography of the father of our country

Almost A Miracle John Ferling, 2007-06-04 In this gripping chronicle of America's struggle for independence award winning historian John Ferling transports readers to the grim realities of that war capturing an eight year conflict filled with heroism suffering cowardice betrayal and fierce dedication As Ferling demonstrates it was a war that America came much closer to losing than is now usually remembered General George Washington put it best when he said that the American victory was little short of a standing miracle *Almost a Miracle* offers an illuminating portrait of America's triumph offering vivid descriptions of all the major engagements from the first shots fired on Lexington Green to the surrender of General Cornwallis at Yorktown revealing how these battles often hinged on intangibles such as leadership under fire heroism good fortune blunders tenacity and surprise Ferling paints sharp eyed portraits of the key figures in the war including General Washington and other American officers and civilian leaders Some do not always measure up to their iconic reputations including Washington himself The book also examines the many faceless men who soldiered often for years on end braving untold dangers and enduring abounding miseries The author explains why they served and sacrificed and sees them as the forgotten heroes who won American independence

By the Hand of Providence Rod Gragg, 2012-06-12 Based on meticulous research into the correspondence and documentation of the founding fathers from the crafting of the Declaration of Independence to the signing of the peace treaty with Britain this book sheds light on how the Judeo Christian world view motivated America's founding fathers

[Life of George Washington -- Volume](#)

01 Washington Irving, 2004-01-01 Embark on a historical odyssey through the life of the founding father with Washington Irving's captivating work *Life of George Washington Volume 01*. Immerse yourself in a biographical narrative that unfolds with meticulous detail, offering a vivid portrayal of George Washington's early life, character, and his pivotal role in shaping the destiny of the United States. As Irving's narrative unfolds, journey through the formative years of George Washington, exploring the events and influences that shaped his remarkable journey. Each chapter is a carefully woven tapestry blending historical accuracy with Irving's literary prowess to provide a compelling and insightful portrait of the first President of the United States. But here's the thought-provoking twist that will ignite your historical curiosity: What if George Washington's life is not just a biographical account but a reflection of the turbulent times and the ideals that laid the foundation for a new nation? Could Irving's meticulous research and narrative skill offer a window into the complexities of Washington's character and the challenges of the revolutionary era? Explore the nuanced details of this historical masterpiece where each page invites you to step into the world of colonial America. The narrative becomes a captivating time machine, transporting you to the birth of a nation and immersing you in the trials, triumphs, and leadership of George Washington. Are you ready to uncover the layers of history within *Life of George Washington Volume 01*? Engage with eloquent and immersive paragraphs that guide you through the intimate details of Washington's early life. The biography prompts reflection, urging you to appreciate not only the historical significance but also the indomitable spirit of a leader who played a pivotal role in the birth of a nation. Here's your chance to not just read history but to witness the making of a nation through George Washington's eyes. Will you seize the opportunity to explore *Life of George Washington Volume 01* and experience the transformative journey of a founding father? Seize the opportunity to own a piece of historical brilliance. Acquire *Life of George Washington Volume 01* now and let Irving's narrative transport you to a crucial era where the echoes of George Washington's life resonate with enduring significance.

The Life of George Washington John Marshall, 2015-01-01 America's first president has captivated our interest for more than two centuries, but no biographer of George Washington knew him with the authenticity, intimacy, and depth of understanding as John Marshall exhibited in his book *The Life of George Washington*. This biography was begun in 1799, following Washington's death, when Chief Justice Marshall was granted by Washington's surviving family full access to all of his records, papers, and personal archives. The result is a story not only of George Washington but also of America's founding. Marshall covers every major event in Washington's personal life and in his public role as a founding father, including his childhood, his early career, his resignation as colonel, his marriage to Martha, the invasion of Canada, early negotiations with the British, the crossing of the Delaware, the state of Washington's army during the Revolution, the treason of Benedict Arnold, the official announcement of the election of Washington as president, meetings of Congress, a threatened war with France, toward the end of his life, his death, and his character. Marshall's biography of George Washington was first published in Philadelphia in five volumes between 1804 and 1807, and today copies of this first edition are among the rarest and most

expensive of antiquarian books This edition is an exact facsimile of the one volume edition published in 1857 also a very rare book which was specially edited and abridged for a general audience by John Marshall himself **Life of George**

Washington Vol. I. Washington Irving, 2025-02-10 Step into the pages of history with Life of George Washington Vol I by Washington Irving This masterful biography written by one of America's greatest storytellers brings to life the early years of the man who would become the first President of the United States From his humble beginnings to his rise as a military leader Washington's journey is one of perseverance and destiny But here's a question that has intrigued historians for centuries What shaped the young Washington into the legendary figure we remember today Through meticulous research and vivid narrative Washington Irving explores Washington's youth his experiences on the Virginia frontier and the events that set the stage for his leadership in the Revolutionary War This volume offers a rare glimpse into the personal struggles and ambitions of a man destined for greatness More than just a biography this book immerses readers in the colonial world revealing the challenges conflicts and ideals that defined an era Irving's elegant prose transforms history into a compelling story capturing Washington's character with depth and admiration Are you ready to journey into the past and witness the making of a leader This is more than history it's the tale of a man whose vision and integrity helped shape a nation

Washington's story is one of courage sacrifice and unwavering commitment to the ideals of liberty and justice Will you take the first step in discovering the life of America's founding hero The legacy begins here Purchase Life of George Washington Vol I now and uncover the origins of one of the most influential figures in world history [The Life of George Washington, Commander In Chief of The American Forces](#) John Marshall, 2025-02-10 Uncover the definitive account of America's founding hero in The Life of George Washington Commander in Chief of the American Forces by John Marshall Written by the fourth Chief Justice of the United States this authoritative biography offers a firsthand perspective on Washington's leadership and legacy From his early military campaigns to his pivotal role in securing American independence Washington's life was a testament to duty and determination But here's the question that makes his story even more compelling What qualities made Washington the indispensable leader of a revolution John Marshall a close contemporary of Washington presents a detailed and meticulously researched account of his rise from a young officer in the French and Indian War to the fearless general who led a fledgling nation to victory against the British Empire Through Marshall's narrative readers gain an unparalleled look into Washington's strategic brilliance personal struggles and the unwavering principles that guided him This biography captures the essence of a man whose vision and sacrifice laid the foundation for the United States Are you ready to step into the world of America's greatest leader This is more than history it's an intimate portrait of a man whose leadership defined a nation Washington's courage wisdom and steadfast resolve continue to inspire leaders and citizens alike Will you explore the extraordinary life of the commander who changed history The journey awaits Purchase The Life of George Washington Commander in Chief of the American Forces now and witness the making of a revolutionary icon **The Biography Book**

Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Parallel Lives Karl Baughman, Brook Poston, 2022-06-01 This book compares selected Romans of the late Republic with American Founders in the style of Plutarch encouraging readers to rethink how we view heroes and villains and their conceptions of republicanism Through entertaining yet informative short comparisons this volume demonstrates the humanity of heroes and villains from different times and places through their often idiosyncratic similarities and differences Readers gain not only a fuller understanding of the late Roman and early American Republics and their leaders but also an appreciation for comparative biography in its ability to make connections across the human experience The book provides a way to connect two different areas of study focusing on how republicanism shaped both Romans and American Founders and providing a previously unexplored contribution to a growing trend of broadening historical exposure In doing so Baughman and Poston demonstrate the continued need for connecting different fields of history while also helping students understand their connection to the ancient past This book is suitable for students and scholars interested in the late Roman and the early American Republics and also appeals to readers of varied interests across historical times and places particularly those studying the connections between the classical past and modern world

In God We Trust Michael Shea, 2012-05-11 This book is a unique look into God s hand in American history viewed through the life of George Washington The book reflects the providential view that Washington and other Founding Fathers had of the God of history God of Abraham The book attempts to document God s hand in Washington s life and the Revolutionary War using Washington s own words and detailing the numerous micarcles that led to the country s eventual independence and subsequent constitution The book also explores the country s reason for existence God s purpose in the founding of the United States and what it portends for our future survival as a nation
