My Story Bessie Epps Colvin, 2012-09 My Story The Setup My story has been partially told so many times to my students and my grandchildren that I realized that I need to just print it So many people want to know how it was back in the day I promised myself that I would write it down whenever I got the chance Well the cancer treatments allowed me the time to do so Also this was a good time because my aunt and brothers and sister are all still alive They helped to reinforce how I remembered the events It still hurts to relive the two brothers going off to the Vietnam War and only one getting back alive Then I realize that my life was already planned already set up by God I just needed to follow the plan and continue to be a beacon of light for others to see I hope that this book might uplift someone else who is struggling with a serious illness and has not realized that we should rejoice in what God is doing in our lives even though we don t understand Enjoy
