The Ark, 1911 **Out of the Flames** Lawrence Goldstone, Nancy Goldstone, 2003-09-02 Out of the Flames is an extraordinary story providing testament to the power of ideas the enduring legacy of books and the triumph of individual courage Out of the Flames tracks the history of The Christianismi Restituto examining Michael Servetus's life and times and the politics of the first information during the sixteenth century The Christianismi Restituto a heretical work of biblical scholarship written in 1553 aimed to refute the orthodox Christianity that Michael Servetus old colleague John Calvin supported After the book spread through the ranks of Protestant hierarchy Servetus was tried and agonizingly burned at the stake the last known copy of the Restitutio chained to his leg Servetus's execution marked a turning point in the quest for freedom of expression due largely to the development of the printing press and the proliferation of books in Renaissance Europe Three copies of the Restitutio managed to survive the burning despite every effort on the part of his enemies to destroy them As a result the book became almost a surrogate for its author going into hiding and relying on covert distribution until it could be read freely centuries later Lawrence and Nancy Goldstone follow the clandestine journey of the three copies through the subsequent centuries and explore its author's legacy and influence over the thinkers that shared his spirit and genius such as Leibniz Voltaire Rousseau Jefferson Clarence Dorrow and William Osler

Flames of the Inquisition Lina Zelenskaia, 1986-12-01 Melmoth the Wanderer Charles Maturin, 2021-05-21 Melmoth the Wanderer

1820 is a novel by Charles Maturin. Written toward the end of Maturin's life, *Melmoth the Wanderer* was the author's fifth and most successful novel. Inspired by the story of the Wandering Jew and the Faustian legend, the novel is a powerful Gothic romance divided into nested stories, each one delving deeper into the mystery of Melmoth's life. Often interpreted for its criticisms of 19th-century Britain and the Catholic Church, *Melmoth the Wanderer* is considered one of the greatest novels of the Romantic era. Following a lead from a story told at his uncle's funeral, John Melmoth, a student from Dublin, begins an obsessive search into his family's mysterious past. Little is known about the man called Melmoth the Traveller. A portrait dated 1646 suggests that he has been dead for over a century. Despite this, he discovers a manuscript from a stranger named Stanton who claims to have seen Melmoth on several occasions over the past few decades. John tracks him down and finds him at a mental institution where he was placed when his obsession with Melmoth was deemed insanity. Disturbed, John burns the portrait and attempts to put his questions behind him. Soon, he begins having visions of his own. *Melmoth the Wanderer* is a story of mystery and terror that engages with timeless themes of faith, fantasy, and the thin line between dreams and life. With a beautifully designed cover and professionally typeset manuscript, this edition of Charles Maturin's *Melmoth the Wanderer* is a classic of Irish literature reimagined for modern readers.
