The Flint Anchor Sylvia Townsend Warner, 1997 John Barnard leading merchant at a Norfolk port is a pillar of nineteenth century rectitude Though stern and aloof with his indolent tippling wife and watchful children he is undermined by helpless love for his pretty cold hearted daughter Mary THE FLINT ANCHOR subverts the rules of the historical novel and shows how family history is made which stories can be trusted whose voices hold influence and whose are forgotten Wit charm and intelligence illuminate several decades of family life and the events of small town society in this tragi comedy of manners the last of the author s seven novels The Flint Anchor Sylvia Townsend Warner, 1954 **The Flint Anchor** Sylvia Townsend Warner, 1954 John Barnard a leading merchant living in East Anglia on the British Coast is a pillar of 19th century rectitude Though stern with his tippling wife he is undermined by helpless love for his cold hearted daughter and the engaging weakling Thomas Kettle His attempt to control the lives of his many children does not work out well **Lesbian Empire** Gay Wachman, 2001 A critical reading of sexually radical fiction by British women in the years during and after World War I Gay Wachman examines work by Sylvia Townsend Warner Virginia Woolf and Radclyffe Hall along with the less well known Clemence Dane Rose Allatini and Evadne Price These writers she states created a modernist literary tradition one that functioned both within and against the repressive ideology of the British Empire **The History of British Women's Writing, 1945-1975** Clare Hanson, Susan Watkins, 2017-09-14 This volume reshapes our understanding of British literary culture from 1945 1975 by exploring the richness and diversity of women s writing of this period Essays by leading scholars reveal the range and intensity of women writers engagement with post war transformations including the founding of the Welfare State the gradual liberalization of attitudes to gender and sexuality and the reconfiguration of Britain and the empire in the context of the Cold War Attending closely to the politics of form the sixteen essays range across literary middlebrow and popular genres including espionage thrillers and historical fiction children s literature and science fiction as well as poetry drama and journalism They examine issues including realism and experimentalism education class and politics the emergence of second wave feminism responses to the Holocaust and mass migration and diaspora The volume offers an exciting reassessment of women s writing at a time of radical social change and rapid cultural expansion *Life-Writing, Genre and Criticism in the Texts of Sylvia Townsend Warner and Valentine Ackland* Ailsa Granne, 2020-05-27 Sylvia Townsend Warner has increasingly become recognized as a significant and distinctive talent amongst twentieth century authors This volume explores her remarkable relationship with Valentine Ackland her partner for forty years by closely examining their letters and diaries alongside a selection of their other texts in particular their poetry This analysis reveals the crucial role their writing played in establishing maintaining and defending their intimacy and describes the emergence of an alternative textual world upon which they became wholly reliant Examining how Warner and Ackland exploited the distance between their lived life and their accounts of it gives rise to many fascinating and untold stories Furthermore in

investigating the fluidity of the boundaries between letters diaries and fiction this book also provides a fresh perspective on these life writing forms Warner and Ackland s need to speak as women writers and lovers shaped their texts so that they became not simply records of events nor acts of communication but complex documents in which love is won and lost myths are created and lives are changed as will be the perspectives of those who read this book **The Modern Library** Carmen Callil,Colm Toibin,2011-06-30 For Colm To b n and Carmen Callil there is no difference between literary and commercial writing there is only the good novel engrossing inspirational compelling In their selection of the best 200 novels written since 1950 the editors make a case for the best and the best loved works and argue why each should be considered a modern classic Enlightening often unexpected and always engaging this tour through the world of fiction is full of surprises forgotten masterpieces and a valuable guide to what to read next Authors in the collection include Agatha Christie Georgette Heyer Daphne du Maurier Patrick Hamilton Carson McCullers J D Salinger Bernard Malamud Flannery O Connor Mulk Raj Anand Raymond Chandler L P Hartley Amos Tutuola Sylvia Townsend Warner Samuel Beckett Patricia Highsmith Chinua Achebe Isak Dineson Alan Sillitoe Ivy Compton Burnett Grace Paley Harper Lee Olivia Manning and Mordecai Richler *A Weapon in the Struggle* Andy Croft,1998-09-20 Andy Croft s amalgam of essays on some of the dimensions of culture pursued and generated by British communists during give decades of this century from the twenties through to the sixties makes compulsive reading a lively and provocative collection Tribune For over seventy years the Communist Party of Great Britain had an extraordinary impact on British cultural life exercising an influence quite out of proportion to its size or political importance Many art forms were revitalised others profoundly changed new ones established or shaped by groups and individuals associated with the party who brought to the realm of cultural production whether in music film theatre or literature a dynamism and vision that helped to lay the foundations for a new radical culture a progressive avant garde in which the struggle was always to produce a culture for and of the people in the front line of the battle of ideas The distinguished contributors to this volume the first serious study of the subject draw on new research to recover the fascinating histories of the artists poets musicians film makers and cultural visionaries of the period placing them in a broader historical context and providing an invaluable introduction to British social and cultural history in the twentieth century **The Brontë Sisters in Other Wor(l)ds** S. Qi,J. Padgett,2014-10-09 Looking at the works of the Bront sisters through a translingual transnational and transcultural lens this collection is the first book length study of the Bront s as received and reimagined in languages and cultures outside of Europe and the United States *Mid-Century Romance* John T. Connor,2024-09-13 Mid Century Romance chronicles a revival of the historical novel in the middle decades of the twentieth century in the cultures of British modernism and international communism Born of a national turn in world politics these novels met the turbulence of mid century history with narratives of national becoming roadmaps to situate their readers in the pattern of social change Their writers were often mindful of the genre s romantic era heritage they saw

themselves as following in the footsteps of Sir Walter Scott and they drew on the same rescued remains of primitive poetry and popular antiquities that romanticism first used to construct its versions of national identity culture and tradition This book shows how the impulse to salvage traces of ancestral culture and press them to new purpose links the mid century national historical novel to the rise of radical social history and magical realism Post war anticommunism shaped a tradition of the novel as a preserve of art and the individual Mid Century Romance counters with a different genealogy of the British and world novel whose object is society and the future of community the nation and its people It situates its cast of British writers including the modernists Hope Mirrlees and Virginia Woolf the communists Jack Lindsay and Sylvia Townsend Warner the eccentric modernist and sometime fellow traveller John Cowper Powys and the New Left luminary Raymond Williams in a transnational perspective that reaches from Bihar India to Bahia Brazil
