## **Soviet Foreign Policy The League Of Nations And Europe 1917 1939:**

*Soviet Foreign Policy, the League of Nations and Europe, 1917-1939* R. H. Haigh, D. S. Morris, Anthony R. Peters, 1986

**Historical Dictionary of the League of Nations** Anique H.M. van Ginneken, 2006-01-16 Created in 1919 shortly after World War I the League of Nations was principally designed to put an end to war But it went into hibernation when World War II broke out and was formally wound up in 1946 Not having achieved its primary objective it was deemed a failure However the many accomplishments it did realize certainly allows for arguments against this idea During its two decade existence the League of Nations resolved and defused many conflicts and crises as well as established a rapport among its members It was also active in many other political social and technical fields including minorities refugees human rights labor health telecommunications and supervision of former colonial territories which had become mandates Above all the League of Nations proved to be training ground for the United Nations and the countless other organizations both governmental and non governmental which now surround us Just what the League of Nations was able to do during its brief but hectic career is summed up in this book The dictionary section contains several hundred cross referenced entries on its founders and supporters its rather small staff and secretariat the various subordinate or related organizations and their overwhelming tasks The historical background is described in the introduction and plotted year by year in the chronology while the bibliography points to further reading

**A New International History of the Spanish Civil War** M. Alpert, 2004-01-12 Michael Alpert's study of the Spanish Civil War is dedicated to the international aspects of the conflict and covers the whole era setting the action in Spain against major events throughout the world of the 1930s Since the first edition of this book new archival material has become available and this fully revised edition includes the latest research on the Spanish Civil War This contextual approach to the Spanish Civil War offers insights into the study of this conflict

**European Integration Since the 1920s** Mark Hewitson, 2024-10-14 Brexit populism and Euroscepticism seem to have challenged old assumptions about European integration and raised the prospect of disintegration This book re examines why the European Union and its forerunners were created and investigates how and why they have changed It links contemporary events to historical explanation arguing that there were long term sets of conditions dating back to the 1920s which pushed European governments to cooperate economically and to try to resolve their diplomatic differences The failure of the French and German governments to create what Aristide Briand had called a European federal union demonstrated both the precariousness of the enterprise and its connection to the domestic politics of European states After 1945 the unexpected advent of a Cold War and the military diplomatic and economic presence of the United States in Europe facilitated the gradual development of habits of cooperation and institutional integration but they also placed limits on European governments activities as did disagreements between political parties and the expectations of citizens As a consequence supranational bodies such as the European Commission have been accompanied and often overshadowed by

intergovernmental institutions such as the European Council with the EU as a whole functioning in important respects as a type of confederation The volume addresses a series of large scale historical questions which are integral to an understanding of the European Union It asks how and why citizens of member states have identified with the EU how matters of security affected the development of the European Community during and after the Cold War whether economic and social convergence have taken place and with what consequences and why European institutions have come to function as they have The study is thematic focusing on the most important aspects of European integration and explaining why member states have decided to carry out or have consented to the unique experiment of the European Union     A New International History of the Spanish Civil War Michael Alpert,1994-06-28 a lucid and scholarly account of an important and immensely complex subject Dr Alpert s command of a broad range of archival material printed documents and secondary works in six languages is extremely impressive P Preston London School of Economics and Political Science It is now twenty years since a study was dedicated to the international aspects of the Spanish Civil War and this new synthesis covering the whole of the era and setting it against major events of the late 1930s is well overdue Michael Alpert takes full advantage of newly accessible archival sources to disentangle the intricacies of this complex issue     German Diplomatic Relations 1871-1945 William Young,2006 Examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862 1890 Kaiser William II 1888 1918 the Weimar Republic 1919 1933 and Adolf Hitler 1933 1945     **Origins of the Second World War Reconsidered** Gordon Martel,2002-02-07 When A J P Taylor s *The Origins of the Second World War* appeared in 1961 it made a profound impact The book became a classic and a central point of reference in all discussion on the Second World War The second edition of this distinguished collection written by leading experts in the field is designed to bring the state of the argument up to date The issues discussed include the legacy of the Treaty of Versailles Hitlers foreign policy Appeasement AJP Taylor and the Russians the treatment of the crises leading up to war including the Anschluss Danzig Abyssinian crises and the Spanish Civil War This second edition will ensure that *The Origins of the Second World War* will remain a high priority student and scholarly reading lists     **The Triumph of the Dark** Zara Steiner,2011-03-31 In this magisterial narrative Zara Steiner traces the twisted road to war that began with Hitler s assumption of power in Germany Covering a wide geographical canvas from America to the Far East Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years Steiner underlines the far reaching consequences of the Great Depression which shifted the initiative in international affairs from those who upheld the status quo to those who were intent on destroying it In Europe the 1930s were Hitler s years He moved the major chess pieces on the board forcing the others to respond From the start Steiner argues he intended war and he repeatedly gambled on Germany s future to acquire the necessary resources to fulfil his continental ambitions Only war could have stopped him an unwelcome message for most of Europe Misperception miscomprehension and misjudgment on the part of the other Great

Powers leaders opened the way for Hitler's repeated diplomatic successes. It is ideology that distinguished the Hitler era from previous struggles for the mastery of Europe. Ideological presumptions created false images and raised barriers to understanding that even good intelligence could not penetrate. Only when the leaders of Britain and France realized the scale of Hitler's ambition and the challenge Germany posed to their Great Power status did they finally declare war.

**The Russian Revolution and Its Global Impact** Jonathan Daly, Leonid Trofimov, 2017-09-01 On the centenary of the Russian Revolution Jonathan Daly and Leonid Trofimov have reinvigorated the study of a turning point in world history. Instead of rehashing the internal dynamics of the Bolshevik takeover the authors have carefully juxtaposed the international ambitions of the Bolsheviks with the Revolution's reception around the world. Daly and Trofimov pair their lucid introductory essay with documents from Soviet officials, intellectuals in South America, W. E. B. Du Bois in the United States and others so readers will quickly realize how revolutionary ideas cross oceans and transcend geopolitical boundaries. This volume thus takes a topic once reserved for students of Russian history and places it in a world historical perspective. Those interested in global history, European history and of course those fascinated by events in Petrograd and Moscow will find ample sources of inspiration in this text. As the Russian Federation is now exerting its influence on a global scale the time is ripe to consider the Russian Revolution in such broad terms. Nigel Raab Loyola Marymount University

**Motherland** David R. Marples, 2014-10-13 Motherland tells the dramatic story of the rise and fall of the Soviet Union. From Lenin's virtual coup in November 1917 to Boris Yeltsin's ruthless takeover of power in 1991 the book culminates with a new view of the Yeltsin years. David Marples focuses on the evolution of Russia during the Soviet period and the attempt to harness Russian nationalism to the avowed Soviet mission of promoting World Communism. Along the way he analyses some of the more intensive historical debates and uncovers some of the myths perpetuated by state propaganda, especially those associated with the Great Patriotic War.

**New Zealand in the League of Nations** Gerald Chaudron, 2011-11-08 When New Zealand's prime minister William Massey joined other heads of British Empire countries in signing the 1919 Treaty of Versailles to end World War I and join the League of Nations he did not regard the act as a declaration of independence. On the contrary while Canadian and South African leaders saw membership in the league as a rite of passage towards greater autonomy New Zealand's leader viewed it as an unwelcome burden and a potential threat to the British Empire. This history of New Zealand's relations with the League of Nations from its inception in 1920 to its demise in 1946 follows the government's transformation in attitude from its initial hostility to detached acceptance and finally passionate support in the late 1930s. By chronicling this complex movement the book traces New Zealand's first tiny halting steps towards developing its own foreign policy.

Modernising Lenin's Russia Anthony Heywood, 1999-08-19 In this book Anthony Heywood reassesses Bolshevik attitudes towards economic modernization and foreign economic relations during the early Soviet period. Based on hitherto unused Russian and Western archives he examines an extraordinary decision made in March 1920 to import vast quantities of railway equipment. The book

argues that under War Communism and the NEP railway modernization was vital to a strategy of rapid economic modernization and provides the first detailed case study of the government's import policy Following the histories of the principal contracts it analyses Soviet foreign trade as a means to tackle domestic economic challenges This book provides readers with a new perspective on Soviet economic development and reveals the scale of Bolshevik business dealings with the capitalist West immediately after the Revolution

**Moldova** Marcel Mitrasca, 2002 With the Cold War era behind us the murky territorial questions on Romania's northeastern border start to receive more attention What are Moldova Moldavia Bessarabia and Transnistria and how did they wind up suspended between Romania and Russia

**Fighting for Freedom**, 1990

**International Organizations, 1918-1945** George Baer, 1991 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)

**War in Spain** David Jorge, 2020-11-26 This work covers the international importance of the War in Spain through the two organizations that marked the multilateral action towards the conflict The League of Nations and the Non Intervention Committee France and the United Kingdom diverted both deliberations as well as decision making processes and mechanisms from Geneva Non intervention was appeasement's specific variable applied to Spain Despite its name it meant an intervention depriving the Spanish government from its own defense while the fascist governments provided massive and regular support to the rebels The League was damaged in its authority through the violation of its Covenant in Manchuria and Abyssinia Once the War in Spain began non intervention was articulated with the main objective to confine the conflict to the Spanish borders To this end the designation of the conflict as a civil war not a mere nominal nor anecdotal issue in both London and Geneva was essential By abandoning the Spanish democracy and foreclosing the collective security system European democracies were also removing all that stood between their own societies and another world war The failure of the collective security system that the League was supposed to safeguard prompted by the impossibility of reconciling the British led policy of appeasement with active anti fascism led to a climate of collective insecurity during which arose a Second World War This was precisely the main objective to avoid in the international order established in 1919 after the major collective catastrophe on a worldwide scale soon to be overcome as that The scholarship herein will prove essential for scholars of the interwar years crisis twentieth century Spanish history and international relations

**The Soviet Union and the Origins of the Second World War** Geoffrey C. Roberts, 1995-08-07 Historians have heatedly debated the Soviet role in the origins of the Second World War for more than 50 years At the centre of these controversies stands the question of Soviet relations with Nazi Germany and the Stalin Hitler pact of 1939 Drawing on a wealth of new material from the Soviet Archives this detailed and original study analyses Moscow's response to the rise of Hitler explains the origins of the Nazi Soviet pact and charts the road to Operation Barbarossa and the disaster of the surprise German attack on the USSR in June 1941

**Japan and Korea** Frank Joseph Shulman, 2013-10-23 First Published in

1971 This annotated bibliography of doctoral dissertations on Japan and Korea grew out of a decision to expand and bring up to date an earlier list entitled Unpublished Doctoral Dissertations Relating to Japan Accepted in the Universities of Australia Canada Great Britain and the United States 1946 1963 compiled by Peter Cornwall and issued by the Center for Japanese Studies in 1965     British Foreign Policy during the Curzon Period, 1919-24 G. Bennett, 1995-08-09 A wide ranging and authoritative study of British foreign policy in the critical years after the 1919 Paris Peace Conference Policy towards Western and Eastern Europe Russia Turkey the Middle East United States and Far East is examined alongside such themes as the role of Prime Minister Foreign Secretary and Cabinet in policy formulation The evolution and execution of policy is set alongside the limitations imposed on British statesmen by the dominions armed forces economic weakness and domestic politics

### **Soviet Foreign Policy The League Of Nations And Europe 1917 1939 Introduction**

In today's digital age, the availability of Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Foreign Policy The League Of Nations And Europe 1917 1939 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals, several platforms offer an extensive

collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Foreign Policy The League Of Nations And Europe 1917 1939 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Soviet Foreign Policy The League Of Nations And Europe 1917 1939 Books**

**What is a Soviet Foreign Policy The League Of Nations And Europe 1917 1939 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Soviet Foreign Policy The League Of Nations And Europe 1917 1939 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Soviet Foreign Policy The League Of Nations And Europe 1917 1939 PDF?** Editing a PDF can be done with software like Adobe

Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Soviet Foreign Policy The League Of Nations And Europe 1917 1939 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Soviet Foreign Policy The League Of Nations And Europe 1917 1939 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
