

SOVIET PERCEPTIONS

OF U.S. FOREIGN POLICY

John Lenczowski

Soviet Perceptions Of Us Foreign Policy

H. Amirahmadi, N. Entessar

Soviet Perceptions Of Us Foreign Policy:

Soviet Perceptions Of The Oil Factor In U.s. Foreign Policy Herbert L. Sawyer, 2019-06-21 America's energy position and that of the West in general is vulnerable. The major source of that vulnerability is the potential that oil supplies from the Gulf could be interrupted for an extended period. The fact that during the first quarter of 1983 U.S. crude oil imports dropped to 2.8 million barrels a day mbd from 4 mbd during the same quarter in 1982 is a very substantial decrease of thirty percent from what was already a relatively low level. It is less comforting than it appears. In spite of this decrease in demand, U.S. reserve stocks could be eliminated by an increased demand for oil stemming from a vigorous economic recovery in the West. If in the context of such a recovery the members of the Organization of Petroleum Exporting Countries (OPEC) could overcome their current disagreements and introduce some discipline regarding production levels, they might be able to reestablish a tight supply situation in the world oil market. Moreover, even if such developments do not take place, there is always the chance of a major upheaval in the Middle East/Gulf region given the volatility of the area that could be disruptive enough to cause a substantial reduction in oil supplies. In this context, it must be recognized that America's energy vulnerability is inseparable from that of the West in general because of the fungibility of oil. Perceptions and Behavior in Soviet Foreign Policy Richard K. Herrmann, 2010-11-23 This book discerns Soviet leaders' views of the United States and sees them in relation to foreign policy statements and actions. Herrmann first examines the subtle problem of analyzing perceptions and interpreting motives from the words and deeds of national leaders. He then turns to cases measuring the dominant U.S. hypotheses about the USSR against Soviet behavior in Central Europe, the Middle East, Africa, and Asia, as well as Soviet participation in the arms race. Finally, he weighs his conclusions against a thematic study of speeches and publications by members of the Politburo. Western Perceptions Of Soviet Goals Klaus Gottstein, 2020-01-23 This study investigates Western views on the potential future developments in the U.S.S.R. It traces the facts, figures, fears, and ideological prejudices that have contributed to the mutual mistrust between the East and the West over long-range political goals and recommends ways of reducing it. **Soviet Perceptions of U. S. Foreign Policy** John Lenczowski, Ideology and National Identity in Post-communist Foreign Policy Rick Fawn, 2004-03-01 A comparative analysis of the foreign policies of eight post-communist states which considers the extent to which official communist ideology has been replaced by nationalism and establishes how these states express their national identities through foreign policy. **Russia, the Roots of Confrontation** Robert Vincent Daniels, 1985 This book examines the historical contrasts between East and West and elucidates the Russian enigma. It springs from the thesis that Russia's national character and its international relations can be understood only in light of the traumas and triumphs, privation and privileges that the country weathered under the tsars and the Soviets. *Internal Factors in Russian Foreign Policy* Neil Malcolm, 1996 After the turmoil following the collapse of Soviet power, post-Communist Russia has emerged as an assertively independent force in international affairs. Meanwhile, an intense debate has

been underway in Moscow about Russia's national interests and foreign policy priorities. Domestic political conflicts and the close ties with former Soviet partner states have made internal factors particularly important in shaping Russian foreign policy. *Internal Factors in Russian Foreign Policy* is the first systematic analysis of the domestic political forces which condition the international behaviour of the new Russian state. Four leading specialists examine in turn the areas of foreign policy thinking and debate how policy is made, the public politics of foreign policy and the role of the military. They explore the changing domestic alignments associated with recent shifts in Russian foreign policy, focusing on the roles played by institutions such as the Security Council and the legislature, by military groupings and by emerging economic interests. The authors throw new light on the domestic foundations of Moscow's more assertive and self-reliant stance. Military Intelligence, 1988 **Professional Journal of the United States Army**, 1983 **Military Review**, 1983 The Soviet View of U.S. Strategic Doctrine Jonathan Samuel Lockwood, 1983-01-01. Soviet perceptions of American strategic doctrine have influenced their use of military power in foreign policy. An understanding of how those perceptions are being derived and of their specific contents is therefore essential to any reflection on the direction that American defense policy should take. Particularly in the field of arms control and disarmament, Soviet perceptions carry severe implications for U.S. proposals as well as general behavior. Lockwood bases his examination on Soviet sources such as newspapers, periodicals, radio broadcasts and books. He establishes that Soviet analysts tend to project their own notions of clear strategy onto U.S. doctrine and intentions. Starting from the premise that the Soviets mean what they say, Lockwood is able to give a historical account of Soviet perceptions starting from massive retaliation up to and including Presidential Directive 59. In his final chapter, the author gives possible policy strategies to successfully counteract the Soviet military policy. *The Cambridge History of the Cold War* Melvyn P. Leffler, Odd Arne Westad, 2010-03-25. This volume examines the origins and early years of the Cold War in the first comprehensive historical reexamination of the period. A team of leading scholars shows how the conflict evolved from the geopolitical, ideological, economic and sociopolitical environments of the two world wars and interwar period. Changing Course Sarah Elizabeth Mendelson, 1998. In *Changing Course*, Sarah Mendelson demonstrates that interpretations which stress the impact of the international system and particularly of U.S. foreign policy or which focus on the role of ideas or politics alone fail to explain the contingent process of change. Mendelson tells a story of internal battles where misfit ideas, ones that severely challenged the status quo, were turned into policies. She draws on firsthand interviews with those who ran Soviet foreign policy and the war in Afghanistan and on recently declassified material from Soviet archives to show that both ideas and political strategies were needed to make reform happen. **U.S. Foreign Policy and European Security** Arthur Cyr, 1987-06-18 **Reconstruction and Regional Diplomacy in the Persian Gulf** H. Amirahmadi, N. Entessar, 2023-05-26. First Published in 1992, *Reconstruction and Regional Diplomacy in the Persian Gulf* goes beyond a description of the recent events by analysing the social, political and economic patterns of interaction between the

Gulf states The argument is strengthened by a consideration of the role of the superpowers in the region s political discourse and of religion as a force for a change Not only do the authors provide an easily accessible basis for explaining the current problems in the region but they also offer their own sometimes provocative policy prescriptions This book is an important read for scholars and researchers of Middle East politics and Middle East history

George Kennan and the Dilemmas of US Foreign Policy

David Mayers,1990-04-12 One of a select group of American foreign service officers to receive specialized training on the Soviet Union in the late 1920s and early 1930s George Frost Kennan eventually became the American government s chief expert on Soviet affairs during the height of the Cold War Drawing upon a wealth of original research David Mayers fascinating life of George Kennan examines his high level participation in foreign policy making and interprets his political and philosophical development within a historical framework Mayers presents an engaging and lucid account of Kennan s training his rise to prominence during the late 1940s and his policy failures and his later roles as critic of America s external policy advocate of détente with the Soviet Union and proponent of nuclear arms limitation Mayers also explores Kennan s complicated relationships with such important political figures and analysts as Dean Acheson John Foster Dulles and Walter Lippmann

Russian View of U.S. Strategy

Jonathan Samuel Lockwood,Kathleen O'Brien Lockwood,1993 Soviet perceptions of U S strategy remained remarkably consistent from the post Stalin period through the collapse of communism in Eastern Europe and the Soviet Union itself The consistency of the Soviet tendency to engage in the mirror image fallacy in their analyses of U S doctrine and strategic intentions has profound implications for the future relationship of the U S and the now independent republics This authoritative volume analyzes the Soviet Russian perspectives of U S strategic evolution from the declaration of the massive retaliation doctrine of 1954 through the Soviet collapse of 1991 The Soviets considered the growth of their strategic nuclear arsenal as the main factor giving them political leverage over U S foreign policy and predicted that a defense policy based on strategic defense would be the most effective deterrent from a Soviet perspective Now the Russian military and political leadership places a high value on strategic nuclear forces in terms of political leverage and prestige Building upon a wide variety of international sources the Lockwoods offer a penetrating assessment of how the present Russian perspective will affect political relationships not only with the U S and the West but also among the independent republics This factor will become ever more critical as they vie for decentralized versus unified control of what was the Soviet nuclear arsenal under the shadow of the collapsing economies The authors also introduce a new theory concerning the future impact of ballistic missile defense on operational warfare in light of the U S experience in Operation Desert Storm The Russian View of U S Strategy provides a comprehensive historical context and an up to date appraisal of an uncertain and potentially volatile development in U S Russian relations It will be of interest to historians policymakers and military analysts

US Foreign Policy Towards Russia in the Post-Cold War Era

David Parker,2019-06-07 This book discusses how the ideas expectations and mind sets that formed within different US foreign

policy making institutions during the Cold War have continued to influence US foreign policy making vis vis Russia in the post Cold War era with detrimental consequences for US Russia relations It analyses what these ideas expectations and mind sets are explores how they have influenced US foreign policy towards Russia as ideational legacies including the ideas that Russia is untrustworthy has to be contained and that in some aspects the relationship is necessarily adversarial and outlines the consequences for US Russian relations It considers these ideational legacies in depth in relation to NATO enlargement democracy promotion and arms control and sets the subject in its wider context where other factors such as increasingly assertive Russian foreign policy impact on the relationship It concludes by demonstrating how tension and mistrust have continued to grow during the Trump administration and considers the future for US Russian relations

Monthly Catalog of United States Government Publications ,1982 **Toward Nuclear Disarmament And Global Security** Burns H Weston,2019-06-04 This text is designed to provide students and others with a theoretical and factual base for understanding the complex questions posed by continued reliance on nuclear weapons to protect geopolitical interests In Part One the authors examine the destructiveness and cost of modern nuclear arsenals and offer both normative and systemic explanations

Soviet Perceptions Of Us Foreign Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soviet Perceptions Of Us Foreign Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Perceptions Of Us Foreign Policy has opened up a world of possibilities. Downloading Soviet Perceptions Of Us Foreign Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Perceptions Of Us Foreign Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Perceptions Of Us Foreign Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Perceptions Of Us Foreign Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soviet Perceptions Of Us Foreign Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Perceptions Of Us Foreign Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soviet Perceptions Of Us Foreign Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Perceptions Of Us Foreign Policy is one of the best book in our library for free trial. We provide copy of Soviet Perceptions Of Us Foreign Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soviet Perceptions Of Us Foreign Policy. Where to download Soviet Perceptions Of Us Foreign Policy online for free? Are you looking for Soviet Perceptions Of Us Foreign Policy PDF? This is definitely going to save you time and cash in something you should think about.
