Soviet Political Elites

Stanley H. Kober

Soviet Political Elites:

The British Political Elite and the Soviet Union Louise Grace Shaw, 2013-06-17 Private papers diaries and government and Foreign Office records are used within this book to produce an analysis of the attitudes of the British political elite towards the Soviet Union assessing the influence such attitudes had upon British foreign policy between May 1937 and August 1939

Political Elite Recruitment in the Soviet Union B. Harasymiw, 1984-05-03

The Palgrave Handbook of Political Elites Heinrich Best, John Higley, 2017-11-08 This handbook presents a comprehensive view of the current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field's richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam's landmark *Comparative Study of Political Elites* this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field

Soviet Political Elites Ronald J. Hill, 1977-01-01

Political Elites and the New Russia Anton Steen, 2004-06-01 Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites have been the crucial strategic actors in reshaping Russia's economy democratising its political system and decentralising its administration This book analyses the role of elites under Yeltsin and Putin discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership

Soviet Elite Perceptions of the U.S. Stanley H. Kober, 1980

The Forgotten Political Elites of North Korea Fyodor Tertitskiy, 2024-06-30 This book comprises the biographies of the North Korean politicians whose actions played a pivotal role in shaping the formation of the country during the late 1940s the Korean War of 1950-53 and the power struggles of the mid 1950s Drawing from a rich array of archival material in both Korean Russian and oral testimonies this book gives insight into the life stories of key figures such as Pang Hak-se the founder of North Korea's secret police Lee Sang-jo a rebellious and idealistic North Korean ambassador and Mun Il the secretary of North Korea's first leader Kim Il-sung The biographies offer fresh perspectives into significant events in North Korean history such as the rise of Kim Il-sung and the reasons behind his selection as the nation's leader The book also reveals how crucial events during the Korean War such as the Inchon Landing Operation and China's entry into the war shed new light on North Korean history Unveiling the lives and impact of influential politicians in a notoriously secretive nation this book will appeal to a wide range of readers including students and scholars of North Korea the Korean War the Cold War era Asian history and those interested in the biographies of significant historical figures

Elites and Democratic Development in Russia Vladimir Gel'man, Anton Steen, 2003-09-02 The transformation from Communist rule towards

democratic development in Russia cannot be fully understood without taking the elites into full consideration. *Elites and Democratic Development in Russia* examines how elites support and challenge democracy and why they are crucial to Russian democracy in particular. In this innovative volume twelve respected scholars investigate how elites have affected the transition from Communist rule towards democratic development in Russia. They discuss how the elites' degree of integration on national and regional levels may constitute the main condition for the consolidation of the emerging political regime and interpret the complex post communist elite patterns of behaviour and attitudes into a theoretical framework of elitist democracy. This book will appeal to those interested in democratization, elites, post Soviet Russia and post communist studies.

The Soviet Elite from Lenin to Gorbachev Evan Mawdsley, Stephen White, 2000-03-09. This ground breaking book examines the Soviet ruling elite over the entire period of Communist rule. It serves as a collective biography of nearly two thousand people who served on the Communist Party's Central Committee from 1917 to 1991. The book is based on archival research only available after the collapse of communism and extensive interviews with former Central Committee members.

The Contested Status of Political Elites Lars Vogel, Ronald Gebauer, Axel Salheiser, 2018-07-17. Contemporary Western societies are witnessing ground breaking social economic and political changes at an accelerating pace. These changes are challenging the way democracy works and the role that political elites play in this system of government. Using a theoretical and empirical approach this volume argues that political elites are urged to develop new strategies in order to achieve interest aggregation to safeguard collective action and to maintain elite autonomy and stability. The adaptive capacities of political elites are assessed through case studies, comparative and longitudinal analyses of their social structure, their recruitment patterns and their attitudes. The book includes contributions from reputable scholars in the field of elite research and specialists on individual political systems across Europe and the US. It provides an analytical framework demonstrating that political elites are inevitable and potentially able to respond successfully to varying challenges. The book will be of key interest to scholars and students of political elites, democracy, comparative politics, political participation and European Politics.

Political Elites in East Central Europe Nicole Gallina, 2008-10-29. This monograph is a major survey of East Central European (ECE) political elites and concentrates on Czech Republic, Slovakia, Hungary and Poland. It is grounded within classic elite theory, slightly adapted to ECE necessities. More practically, the book examines political elite composition and identifies political elite fragmentation in ECE. The author questions that East Central European political elites have incorporated democratic values and conduct. The main argument is that there is a significant gap between the formal democratic ECE institutions and political elite behaviour. This gap has different dimensions which are relevant at the domestic level and also cause problems at the EU level. Ultimately, the political elite institution gap questions democratic political achievements after 1989. In providing a major analysis of ECE political elite structure and conduct, the book points to the most urgent challenges of ECE political systems: the reform of the political elite. From the content: The Importance of

Analysing ECE Elites Forms of Political Elite Formation and Activity Political Elite Fragmentation in ECE Elite Formation and Reproduction in East Central Europe Patterns of Political Elite Behaviour Influencing Political Elite Behaviour Institutional Change after 1989 The Relationship between Europeanisation and Euroscepticism Elite Systems in East Central Europe Case Studies Poland Czech Republic Slovakia Hungary Implications of Elite Attitudes for Europeanisation Political Elites Incapable Europeanisers

Elites and Political Power in the USSR David Lane, David Stuart Lane, 1988 This book constitutes an impressive contribution to Soviet Studies It is essential reading for specialists and teachers of soviet studies Reviewing Sociology Lane has produced a timely and interesting collection of writings on the political role of elites in the Soviet Union This is an excellent collection of studies on a very interesting topic Mark Galeotti Millennium

Elites and Leadership in Russian Politics Graeme Gill, 2016-07-27 The fall of the Communist regime in the USSR and Russia's search for a democratic and prosperous market based future is one of the most compelling episodes of the end of the twentieth century A central part in this drama is being played by political elites These essays written by some of the leading scholars in the field analyse various aspects of the role being played by elites and leaders in Russian politics Among the issues dealt with are the origins of the Russian elites including the issue of continuity with the Soviet past the relationship between political and economic elites the means taken by elites to structure politics and their relations the dynamic of elite politics and the nature of post communism These essays deal with many of the crucial questions facing Russia today

Beyond Sovietology Susan Gross Solomon, 2019-07-03 This volume a product of the Soviet Domestic Politics workshop sponsored by the Social Science Research Council marks an end and a new beginning The end of course is that of Sovietology now permanently overtaken by events The beginning encompasses not only a radical multiplication of subjects for analysis the post Soviet states but also the arrival of a new generation of scholars entering the field at its turning point As the essays in this collection demonstrate they bring fresh contemporary social scientific questions and methods to an unprecedentedly accessible universe of diverse social groups and societies once subsumed under the Soviet rubric Their work enriches not only post Soviet studies but the entire range of comparativist work in the social sciences Among the authors included here are Jane Dawson Ellen Hamilton Joel Hellman Mark Saroyan Joseph Schull and Michael Smith

Post-Soviet Political Order Barnett Rubin, Jack Snyder, 2002-11-01 Post Soviet Political Order asks what is shaping the institutional pattern of the post Soviet political order what the new order will be like what patterns of conflict are emerging and what can be done about stabilising the region In considering these questions the contributors converge on four common themes the institutional legacy of empire the social processes unleashed by imperial collapse patterns of bargaining within and between states to resolve conflicts arising out of the imperial collapse the impact of the wider international setting on the pattern of post imperial politics Focusing on the former Soviet Union and Eastern European countries the contributors show how strong state institutions are essential if conflict and political instability are to be avoided

Elite Dualism and Leadership Selection in China Xiaowei

Zang,2004-03-01 Who are the top political leaders in China What are the major criteria in elite recruitment How is job promotion in high politics determined By studying over one and a half thousand top political Chinese leaders this book seeks to answer these questions and as a result defines how Chinese leadership is stratified Unlike existing research on Chinese leaders *Elite Dualism and Leadership Selection in China* draws on extensive statistical information and data analysis It evidences how political development in the reform era has led to the division of labour between the Chinese Communist Party CCP and the government in governance leading to two distinctive career paths in the two political systems respectively Key issues examined include the different criteria the CCP and the government demand the requirements for promotion the effect of university education on the rate of mobility the different affiliations of the two groups the role of cooptation in leadership selection Many of the elites discussed are still leading figures in China making this book the most up to date and extensive biographical data set in elite studies This allows for a meaningful analysis of elite behaviour in China for the first time in Chinese Studies This book will be useful to both students of Chinese studies and comparative politics and will also interest researchers political commentators statesmen and China watchers

System and Succession John D. Nagle,2014-08-27 *System and Succession* provides a comparative analysis of the social composition of national political leadership in the United States Russia Germany and Mexico These systems were chosen as case studies because their forms of government are representative of many others because they are conveniently suited for comparison and because they have high internal control over their own means of recruitment Drawing on a mass of data and an extensive bibliography Nagle's comprehensive study exhibits a mastery of the intricacies of these four quite divergent political systems Complete time series data covering several generations of elite recruitment provide the basis for a new methodological approach to comparative elite analysis The author investigates among other issues elite displacements associated with revolution economic crises and postwar peace and prosperity Especially important differences along class and generational lines are found in the elite displacements associated with the revolutions in Germany 1918 Russia 1917 1921 and Mexico 1910 1920 The American case serves as a nonrevolutionary control case The overriding theoretical issue throughout *System and Succession* is the debate among Marxists radical democrats and pluralists over the importance of elite social composition for equitable representation of social or class interests Nagle develops a convincing argument supporting the Marxist thesis that the importance of class in elite recruitment is a defining characteristic of the political system *System and Succession* will be of particular interest to scholars in comparative politics Political scientists in other areas as well as historians and sociologists interested in the four countries examined will also find this book provocative

The Ussr Darrell P. Hammer,2019-07-11 In this text Dr Hammer presents an analytical model of the Soviet political system and its process of political decisionmaking based on the theory of bureaucratic pluralism He interprets the Soviet regime as a product of three different influences the Tsarist tradition of nondemocratic rule the revolutionary movement that overthrew Tsarism and the Stalinism of 1924 1953 Since the death of

Stalin the Soviet regime has slowly evolved from a personal dictatorship into an oligarchical system According to the author this transformation has permitted the great Soviet bureaucracies such as the military high command and the economic managers to increase their power and influence over policymaking and to pursue their own interests in addition to those of the regime From this perspective the role of party leaders in the Politburo appears to be that of political brokers among conflicting interests allocating resources among the various bureaucracies This second edition has been completely revised and updated to reflect the realities of the Soviet system through the 27th Party Congress which met in February 1986 Dr Hammer applies the model of bureaucratic pluralism in the areas of public policy and economic planning illustrating the theme that the evolution of a powerful bureaucratic organization has prevented the achievement of the original Leninist vision He discusses specific features of the Soviet society that deviate from original principles often based on dissident sources from within the USSR and examines the role of party leaders in this ideological transition Finally he analyzes the rise of Gorbachev to power and the first steps taken under his leadership such as the anti alcohol campaign and efforts at economic reform Because Dr Hammer s analysis is particularly valuable for understanding the Gorbachev regime and the future of the Soviet system this text is essential reading for all students of Soviet politics *External Research* United States. Department of State. External Research Division, *External Research List* ,1968

This Captivating World of Kindle Books: A Detailed Guide Revealing the Advantages of E-book Books: A Realm of Ease and Flexibility Kindle books, with their inherent portability and ease of availability, have liberated readers from the constraints of hardcopy books. Gone are the days of lugging bulky novels or meticulously searching for specific titles in bookstores. Soviet Political Elites Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soviet Political Elites has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Political Elites has opened up a world of possibilities. Downloading Soviet Political Elites provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Political Elites has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Political Elites. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Political Elites. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soviet Political Elites, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Political Elites has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soviet Political Elites Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Political Elites is one of the best book in our library for free trial. We provide copy of Soviet Political Elites in digital format, so the resources that you find are reliable.
