Soviet Politics Continuity And Contradiction

Mikhail Antonov

Soviet Politics Continuity And Contradiction:

Soviet Politics Gordon B. Smith, 1988 **Developments in Soviet Politics** Stephen White, Alex Pravda, Zvi Gitelman, 1990-07-06 Written by a team of leading scholars this book meets the need for an up to date account on the political system and policy progress which is emerging and an analysis of the future prospects of the Gorbachev revolution

The Totalitarian Paradigm after the End of Communism, 2022-06-08 Concepts of totalitarianism have undergone an academic revival in recent years particularly since the breakdown of communist systems in Europe in 1989-91 the totalitarian paradigm so it seems to many scholars today had been discarded prematurely in the heat of the Cold War The demise of communism as a social system is however not only an important cause of the recurring attractiveness of the totalitarian paradigm but provides at the same time new evidence and correspondingly new problems of explanation for all approaches in communist studies and totalitarianism theory in particular This book contains articles by philosophers social scientists and historians who reassess the validity of the totalitarian approach in the light of the recent historical developments in Eastern Europe A first group of authors focus on the analytical usefulness and explanatory power of classic concepts of totalitarianism after having observed the failed reforms of the Gorbachev era and the collapse of Europe's communist systems in 1989-91 In these contributions the totalitarian paradigm is contrasted with other approaches with respect to cognitive power as well as normative implications In the second group of contributions the focus is on the reassessment of methodological and theoretical problems of the classic concepts of totalitarianism The authors attempt to reinterpret the classic concepts so as to meet the objections which have been put forward against those concepts during the last decades The study thereby traces some of the intellectual roots of the totalitarian paradigm that precede the outbreak of the Cold War such as the work of Sigmund Neumann and Franz Borkenau It also focuses on the most famous authors in the field Hannah Arendt and Carl Joachim Friedrich In addition it discusses theorists of totalitarianism like Juan Linz whose contributions to totalitarianism theory have too often been overlooked Politics, Society, And Nationality Inside Gorbachev's Russia Seweryn Bialer, 2019-06-04 The East West Forum is a New York based research and policy analysis organization sponsored by the Samuel Bronfman Foundation Its goal is to bring together experts and policy leaders from differing perspectives and generations to discuss changing patterns of East West relations It attempts to formulate long term analyses and recommendations In p Crime and Punishment in Soviet Officialdom William A. Clark, 2016-09-16 This study of official corruption and the politics of anti corruption campaigns offers a comprehensive empirical comparative and theoretical analysis of this phenomenon as both system and symptom It highlights the structure impact and function of political elite corruption from 1965-1990 Political Systems Of The World , Formalism, Decisionism and Conservatism in Russian Law Mikhail Antonov, 2020-11-09 This volume examines the elements of formalism and decisionism in Russian legal thinking and also the impact of conservatism on the interplay of these elements The actual conservative narratives

about the distinctiveness of Russian law reveal certain features of the intellectual culture that is transmitted in legal education scholarship and practice These narratives are based on the idea of sovereignty understood as legal omnipotence of the state References to sovereignty justify the requirement of legality in the sense of fidelity to the letter of the law They also often serve as a rationale for crafting exceptions to constitutional non discrimination principles as they are applied to

political religious sexual and other minorities **The Politico-Legal Dynamics of Judicial Review** Theunis

Roux,2018-09-06 Provides a comparative analysis of the ideational dimension of judicial review and its potential contribution to democratic governance **Purity and Compromise in the Soviet Party-State** Daniel Stotland,2017-11-15 This work

offers new ways of conceptualizing the decision making paradigm of the Soviet party state that was defined by the persistent shortage of qualified manpower that afflicted the Russian elite The traditional Russian problems of under administration combined with the unique features of the Soviet political system resulted in a dichotomy between practical and ideological demands The WWII era examined in this book provides a microcosm of pressures facing the Kremlin and illustrates the cyclical nature of policy formation forced on it by the paradoxes of the system As the party s responsibilities expanded into specialized economic and military areas political experts increasingly depended on the specialized professionals These trends grew increased drastically during the war An unexpected consequence of the party s expansion into economic or military professions was the discovery that cooptation worked both ways and many party members become managers rather than ideological overseers Throughout the existential crisis of the system the war and its aftermath the party would find itself in a fundamental conflict over its identity challenged over its role both vis a vis the state and its own priorities After an abortive attempt to reverse the wartime trends a new paradigm was articulated by the party during the last five years of Stalin s reign This resulted in the emergence of a new elite consensus which envisioned the party as integral and invasive economic actor This shift in the party s identity was the price of maintaining centralized political power and came at the expense of the focus on ideological purity In the long term however the diminished role of ideology robbed the party of its core value system and steadily eroded its legitimizing and self energizing power Over time the new consensus would undermine the very foundations of the party state construct Yet if the USSR was to survive as a modern industrialized state the accommodation with the technocrats was necessary The contradiction between ideological and pragmatic aims was inherent to the system and demanded an eventual choice between the long term health of the state and that of the party Problems of

Communism ,1987 **Civil Society and the Search for Justice in Russia** Christopher Marsh,Nikolas K.

Gvosdev,2002-01-01 More than a decade has passed since path breaking policies aimed at liberalizing post Soviet society were first introduced in Russia Today these promises of freedom equality and justice remain largely unfulfilled and Russia s political system continues to exhibit signs of the deep rooted problems that may well retard if not completely derail any possibility of future reform Against this stark background Civil Society and the Search for Justice in Russia explores the

various dimensions of Russia's civil society the meaning of and search for justice the role of the Orthodox church as a principal unifier in civil society the need for new freedoms for women and ethnic minorities and the role of mass education and the free press in inculcating and articulating new civic values Expertly blending the historical with the theoretical the recent with the empirical this work offers new insight and analysis into the ability of a nascent Russian civil society to engage effectively with the twenty first century Russian state to ensure social religious and political justice A Soviet Postmortem Sigmund Krancberg,1994 In the wake of the Soviet Union's collapse it has become apparent that Sovietology failed with a few praiseworthy exceptions to understand the nature and fragility of the Soviet system A Soviet Postmortem sets the Soviet experiment in a more realistic perspective Krancberg emphasizes the importance of Marxist Leninist ideology in formulating sociopolitical norms imposed on society by the Communist Party of the Soviet Union Analyzing the realities of the Soviet regime the author reveals the extent to which Soviet political culture was an artificial imposition with only slender roots in the life of Soviet society

Encyclopedia of World Political Systems J. Denis Derbyshire,Ian Derbyshire,2016-04-15 This comprehensive resource provides up to date political coverage of every country and political entity in the world today It incorporates all the major global and regional changes following the decolonization of Hong Kong in 1997 recent leadership changes in China and Russia the results of the Dayton Peace Accord the rise of the New Labor Party in the UK the 1999 elections in Israel and South Africa and the continued search for peace in the Middle East and Northern Ireland The economic crisis in Asia and the widespread growth of world nuclear powers are also covered Ibss: Political Science: 1988 British Library of Political and Economic Science,1992 This bibliography lists the most important works in political science published in 1988 USSR Documents ,1987 The European Mosaic David Gowland,Richard Dunphy,Charlotte Lythe,2014-01-14 The European Mosaic is an up to date introduction to all aspects of the politics economics culture and recent history of the European Union in particular and Europe in general The European Mosaic effectively familiarizes students with EU issues that are currently in the news and likely to remain so for the foreseeable future It is a clear and accessible introduction to the European polity Its strongly interdisciplinary focus provides a multidimensional understanding of contemporary Europe of the process of European integration and of the dynamics of the European Union Suitable for undergraduate courses in European politics

Politics, Modernisation and Educational Reform in Russia David Johnson,2010-05-17 The chapters in this volume give an account of the process of modernisation and educational reform in Russia variously considering the cultural and political dilemmas provoked by democratisation the structural and policy challenges associated with the reform of higher and vocational education and the deep divisions exposed as socio cultural activity is brought into alignment with the new discourse of freedom and choice The volume stimulates an important debate about the methods that inform cross national and cross regional work on educational change This is particularly salient in a study of educational reform in Russia and begs the question whose way of thinking of constructing meaning and of

experiencing the world is used to judge the weight and the direction of change Each chapter shows that a thorough understanding of the nature of change and the direction of reform is only achieved through the ability to decentre or take on board the other worldview It argues therefore that it is worldview rather than culture or nation state that is the most valid unit of analysis This book pays tribute to K D Ushinsky 1824-70 the Russian pioneer of comparative education each chapter in it broadly in agreement with his conclusions that Public education does not solve the problems of life by itself it does not lead history rather it follows the historical development It is not the pedagogies or the teachers who create the future but the people themselves and their great men Education only follows this road and in combination with other public social factors helps the individual and the rising generation on its way The Gorbachev Reforms J. L. Black, 1988 **The Global**

Expansion of Judicial Power C Neal Tate, Torbjorn Vallinder, 1997-06-01 Essays examining the trend of expanding judicial powers in government around the world In Russia as the confrontation over the constitutional distribution of authority raged Boris Yeltsin's economic program regularly wended its way in and out of the Constitutional Court until Yeltsin finally suspended that court in the aftermath of his clash with the hardline parliament In Europe French and German legislators and executives now routinely alter desired policies in response to or in anticipation of the pronouncements of constitutional courts In Latin America and Africa courts are or will be important participants in ongoing efforts to establish constitutional rules and policies protect new or fragile democracies from the threats of military intervention ethnic conflict and revolution This global expansion of judicial power or judicialization of politics is accompanied by an increasing domination of negotiating or decision making arenas by quasi judicial procedures For better or for worse the judicialization of politics has become one of the most significant trends of the end of the millennium In this book political scientists legal scholars and judges around the world trace the intellectual origins of this trend describe its occurrence or lack of occurrence in specific nations analyze the circumstances and conditions that promote or retard judicialization and evaluate the phenomenon from a variety of intellectual and ideological perspectives **Crossroads and Conflict** Gary K. Bertsch, Cassidy B. Craft, Scott A. Jones, Michael D. Beck, 2013-10-08 The world's second largest reserves of petroleum lie beneath the land locked Caspian Sea making the Caucasus of vital importance to both regional and global economic and security interests This book brings together experts from the US Russia and the Caucasus to examine the issues of conflict foreign policy tradeoffs and security in the region It takes into account the geopolitical factors Western and Russian involvement and the interaction between domestic and external pressures Crossroads and Conflict looks at the challenges faced by these countries and examines the possibilities for future peace and prosperity in the region

Whispering the Secrets of Language: An Emotional Quest through **Soviet Politics Continuity And Contradiction**

In a digitally-driven world wherever displays reign great and quick transmission drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases frequently go unheard. Soviet Politics Continuity And Contradiction Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Soviet Politics Continuity And Contradiction PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Soviet Politics Continuity And Contradiction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Soviet Politics Continuity And Contradiction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Soviet Politics Continuity And Contradiction Books

1. Where can I buy Soviet Politics Continuity And Contradiction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
