Soviet Women Walking The Tightrope

Marcus Gleisser

Soviet Women Walking The Tightrope:

Soviet Women Francine du Plessix Gray,1991 Discusses conditions in the Soviet Union affecting women and presents their viewpoints on equality *Soviet Women* Francine Du Plessix Gray,1990 *Women in the Khrushchev Era* M. Ilic,S. Reid,L. Attwood,2004-02-27 This collection of essays examines women in the Khrushchev era using both newly accessible archival material and a re reading of published sources Exploring diverse subjects including housing space flight women workers cinema religion and consumption the volume places the analysis of specific events or issues within a broader discussion of economic political ideological and international developments to provide a full analysis of the era *Socialism Sucks* Robert Lawson,Benjamin Powell,2019-07-30 The bastard step child of Milton Friedman and Anthony Bourdain Socialism Sucks is a bar crawl through former current and wannabe socialist countries around the world Free market economists Robert Lawson and Benjamin Powell travel to countries like Venezuela Cuba Russia and Sweden to investigate the dangers and idiocies of socialism while drinking a lot of beer *Genders 22* Ellen E. Berry,1995-07-01 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to recontain them representations of the body especially the female body and the larger cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website **Postcommunism and the Body Politic** Ellen E. Berry,1995-07 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to recontain them representations of the body especially the female body and the larger

cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website

Engendering Slavic Literatures Pamela Chester, Sibelan Elizabeth S. Forrester, 1996 Engendering Slavic Literatures breaks new ground in its investigation of gender and feminist issues in Croatian Polish Russian Serbian and Ukrainian literary texts by both female and male writers Drawing on psychoanalytic approaches film theory and lesbian and gender theory the authors interrogate the received notions of Western gender studies to see which can be usefully applied to nineteenth and twentieth century Slavic literary works Motherhood and the relationships of mothers and daughters the myths of selfhood that shape the autobiographies of Nadezhda Mandelstam Marina Tsvetaeva Lidiia Ginzburg and Lev Tolstoy Polish Catholicism and sexuality portrayals of landscape in verbal and visual art and women writers transgressive ventures into male bastions such as the love lyric and prose fiction are among the themes of this important and innovative volume

Women in Russia and Ukraine Rosalind J. Marsh, 1996-03-14 In this book leading western specialists and Russian and Ukrainian feminists examine how gender has shaped Russian and Ukrainian history from the twelfth century to the present In particular they analyse the current backlash against women's emancipation Using new archival materials and the insights of feminist theory the contributors explore the relevance of gender equality and difference in Russian history They find that women have not merely submitted to the patriarchal system but instead have found creative ways of resisting it Chapters focusing on contemporary Russia discuss abortion pornography sexual minorities young women's lifestyles the impact of economic reform on women and the development of the women's movement This book will be of interest to students and specialists in Russian Ukrainian and women's studies as well as to historians political scientists sociologists and economists

Gender Politics and Post-Communism Nanette Funk, Magda Mueller, 2018-12-19 In the wake of communism's decline women's concerns had become increasingly important in Eastern Europe and the former Soviet Union Yet most discussions of post communism changes had neglected women's experiences Originally published in 1993 this title was the first collection of its kind presenting original essays by women scholars politicians activists and former dissidents from Eastern Europe and the former Soviet Union along with essays by Western feminists and scholars They discuss gender politics during the often turbulent transition and crises of post communism offering vivid accounts and analyses of the conditions facing women in each country

Staging Democracy Jessica Pisano, 2022-07-15 Focusing on the experiences of people in Russia and Ukraine Staging Democracy shows how some national leaders seeming popularity rests on local economic compacts Jessica Pisano draws on long term research in rural communities and company towns analyzing how local political and business leaders seeking favor from incumbent politicians used salaries benefits and public infrastructure to

pressure citizens to participate in command performances Pisano looks at elections whose outcome was known in advance protests for hire and smaller mises en scene to explain why people participate what differs from spectacle in totalitarian societies how political theater exists in both authoritarian and democratic systems and how such performances reshape understandings of the role of politics Staging Democracy moves beyond Russia and Ukraine to offer a novel economic argument for why some people support Putin and similar politicians Pisano suggests we can analyze politics in both democracies and authoritarian regimes using the same analytical lens of political theater *Faces Of Feminism* Sheila Tobias,2018-02-26 As one of the main players in the second wave of feminism Sheila Tobias returns to Kate Millets central tenet sexual politics and argues that it can still unite progressive men and women around a common set of goals Providing a map of a complex terrain Tobias details generations of issues each more radical and therefore harder to tackle than the ones before She sets the story in two contexts feminisms own evolving strategies and Americas political landscape Even though her passion for feminism remains she is not unwilling to critique the sisterhood and herself for failing to see for example that not every woman would be a feminist nor every man an enemy In the heady first years feminists forgot that deeper even than gender is the liberal conservative divide in American politics As one of the main players in the second wave of feminism Sheila Tobias returns to Kate Millets central tenet sexual politics and argues that it can still unite progressive men and women around a common set of goals Providing a map of a complex terrain Tobias details generations of issues each more radical and therefore harder to tackle than the ones before She sets the story in two contexts feminisms own evolving strategies and Americas political landscape Even though her passion for feminism remains she is not unwilling to critique the sisterhood and herself for failing to see for example that not every woman would be a feminist nor every man an enemy In the heady first years feminists forgot that deeper even than gender is the liberal conservative divide in American politics From the origins of the movement through feminist theory and new scholarship on women Tobias traces the political history of the second wave and its comeuppance at the hands of Phyllis Schlaflys StopERAcoincidental with the nations careering toward the Right Somehow feminism survived the 1980s but by having to fight brush fires throughout the Reagan Bush presidencies the movement lost some of its breadth and much of its taste for the mainstream Because of her activism and her feeling for the period she chronicles Tobias is at once inside and outside the issues of sexual preference pornography the draft the Mommy Track comparable worth affirmative action reproductive rights and the challenges of equality versus difference

Capitalism, For and Against Ann E. Cudd,Nancy Holmstrom,2011-01-06 Political philosophy and feminist theory have rarely examined in detail how capitalism affects the lives of women Ann Cudd and Nancy Holmstrom take up opposing sides of the issue debating whether capitalism is valuable as an ideal and whether as an actually existing economic system it is good for women In a discussion covering a broad range of social and economic issues including unequal pay industrial reforms and sweatshops they examine how these and other issues relate to women and how effectively to analyze what

constitutes capitalism and women's interests Each author also responds to the opposing arguments providing a thorough debate of the topics covered The resulting volume will interest a wide range of readers in philosophy political theory women's studies and global affairs

Hitler, Stalin, and Mussolini Bruce F. Pauley, 2014-09-15 The fourth edition of *Hitler Stalin and Mussolini Totalitarianism in the Twentieth Century* presents an innovative comparison of the origins development and demise of the three forms of totalitarianism that emerged in twentieth century Europe Represents the only book that systematically compares all three infamous dictators of the twentieth century Provides the latest scholarship on the wartime goals of Hitler and Stalin as well as new information on the disintegration of the Soviet empire Compares the early lives of Hitler Stalin and Mussolini their ideologies rise to and consolidation of power and the organization and workings of their dictatorships Features topics organized by themes rather than strictly chronologically Includes a wealth of visual material to support the text as well as a thorough Bibliographical Essay compiled by the author

Russian Talk Nancy Ries, 1997 As one of the first Western ethnographers working in Moscow Nancy Ries became convinced that talk is one crucial way in which Russian identity is constructed and reproduced Listening to the grim stories people used to characterize their lives during perestroika and encountering the florid pessimism with which Muscovites described the unraveling of Soviet governance Ries realized that these dire tales played a crucial role in fabricating a sense of shared experience and destiny While many of the narratives aptly depicted the chaotic social and political events they also promoted key images of Russianness and presented Russian society as an inescapable realm of injustice absurdity and suffering At the height of perestroika in the early 1990s Moscow residents commonly used the phrase complete ruin to refer to the disintegration of Russian society encompassing in that phrase the escalation of crime the disappearance of goods from stores the fall of production ecological catastrophes ethnic violence in the Caucasus the degradation of the arts and the flood of pornography Ries argues that such stories became a genre of folklore consistent in their lamenting portentous tone and their dramatic culturally poignant details

Borders of Socialism L. Siegelbaum, 2016-04-15 This fascinating book argues that in Russia the relations between culture and nation art and life commodity and trash often diverged from familiar Western European or American versions of modernity The essays show how public and private overlapped and shaped each other creating new perspectives on individuals and society in the Soviet Union

Citizenship in an Enlarging Europe B. Einhorn, 2006-06-06 *Citizenship in an Enlarging Europe* considers the impact of economic political and social transformation in Central and Eastern Europe in the context of EU enlargement The author uses the lens of gender to examine the processes of democratization marketization and nationalism

Sexuality and the Body in Russian Culture Jane T. Costlow, Stephanie Sandler, Judith Vowles, 1993 Twelve groundbreaking essays show the varied and complex ways in which ideas about sexuality gender and the body have shaped and been influenced by Russian literature history art and philosophy from the medieval period to the present day

The World of Cyrus Eaton Marcus Gleisser, 2005 Cyrus S Eaton was born on December 27 1883 in the quiet Nova Scotian village

of Pugwash He often visited Cleveland Ohio spending summer vacations from college with his uncle and was employed in 1905 by his first teacher John D Rockefeller Sr as a clerk and troubleshooter for the East Ohio Gas company one of the Midwest s major utilities in which Rockefeller had an interest Eaton became a U S citizen in 1913 and passed away at age ninety five on May 9 1979 An unpredictable financier and industrialist Cyrus Eaton invested widely earned millions lost it all during the Depression and then regained his fortune after World War II He earned a reputation as a steel tough man of finance and was the target of abuse from those who claimed his manipulations had caused them financial damage Marcus Gleisser s updated biography of Eaton brings into focus many events in the life of this controversial figure his strong support of labor his friendships with John L and his interest and participation in the American political arena especially his campaign for peace that culminated in the Nobel Prize winning Pugwash Conference The World of Cyrus Eaton addresses the man and the part he played in some of the controversial events and issues of the twentieth century It includes a new Foreword Preface and final chapter

Rebirth Cyril Black,2018-05-04 Rebirth A History of Europe Since World War II examines the transition of Europe from a period of crisis to an era of political confidence and economic strength As the title suggests the pervasive theme of the book is that of rebirth The most recent decades are set in the context of modern European history as a whole The authors trace the disillusionment and uncertainty that overcame Europe at the turn of the twentieth century and that culminated in the devastation of the Second World War In their analysis of the political and economic causes of the renaissance that has followed the demise of the Cold War the authors highlight the themes of national integration and economic modernization The chapters are uniquely organized to present both international and domestic developments in Europe as coherent wholes as well as the importance of their interaction The initial analysis of key international developments in the twentieth century helps students to understand the relationship between foreign and domestic events and provides background for the substantial discussion of the major European countries that follows in chapters devoted to each national experience The political and economic histories of these nation states are considered in terms of their individual traditions and challenges and the authors explore difficult issues such as the overall costs and benefits of the scientific technological revolution the pursuit of social justice the proper role of the state and of political parties and contrasting national paths of economic and political development Rebirth is designed as a text for use in courses on modern European history especially twentieth century Europe and for students of comparative politics who are seeking a substantial consideration of the historical factors of European politics In this revised edition the authors have updated the text with an analysis of developments since 1991 and added recent scholarship to the lists of Suggested Readings

A Mosaic of Gendered Power Imbalances Julia Schweiger,2003-06-20 Inhaltsangabe Summary Over the last decade media and politicians have been praising the great economic and democratic progress of the former state socialist countries in East Central Europe At the same time however there have been occasional news about a growing income gap high female

unemployment rates highly restrictive abortion legislation etc in those countries This contradiction caught my attention In my thesis I wanted to get to the bottom of it Thus the main questions at the beginning of my work were the following What changed after the implosion of state socialism in the countries of East Central Europe And how What were the gendered implications of these changes What role have the European Union and the possibility of gaining EU membership been playing in the transformation processes especially regarding the power relations between men and women I decided to restrict my research to seven former state socialist countries in East Central Europe that are currently candidates for membership in the European Union Poland Czechoslovakia respectively the Czech Republic and the Slovak Republic Hungary Slovenia Bulgaria and Romania To approach the questions standing at the beginning of my work I went way back to early socialist theorists protagonists and movements and their ideas and goals I was particularly interested in women and gender issues in these theories and ideas The next step was trying to grasp the state socialist reality From this vantage point I could finally analyse the changes and transformation processes that have been taking place since the implosion of state socialism I decided to use a feminist approach with gender as a central category of analysis This is a very fruitful way to discover and reveal social interconnections causes and outcomes of economic political and social processes as well as crucial patterns that have been influencing and or directing the processes in the East Central European countries under consideration over the last decades Since the topic of my thesis is in the realm of international politics I am taking a look at the encounters of feminist approaches and international relations at the beginning of my work After that I am giving an overview of the main approaches to researching and theorizing the transformation processes in the former state socialist countries of East Central Europe followed by an explanation of the approach I am taking Then I am

Right here, we have countless books **Soviet Women Walking The Tightrope** and collections to check out. We additionally manage to pay for variant types and along with type of the books to browse. The suitable book, fiction, history, novel, scientific research, as capably as various extra sorts of books are readily easy to use here.
