Soviet Jewry In The 1980s

Rasmus Sinding Søndergaard

Soviet Jewry In The 1980s:

Soviet Jewry in the 1980s Robert Owen Freedman, 1989 Contributors Stephen Feinstein Robert O Freedman Theodore H Friedgut Zvi Gitelman Marshall I Goldman Sidney Heitman William Korey Howard Spier The Struggle for Soviet Jewry in American Politics Fred A. Lazin, 2005-04-19 Until 1989 most Soviet Jews wanting to immigrate to the United States left on visas for Israel via Vienna In Vienna with the assistance of American aid organizations thousands of Soviet Jews transferred to Rome and applied for refugee entry into the United States The Struggle for Soviet Jewry in American Politics examines the conflict between the Israeli government and the organized American Jewish community over the final destination of Soviet Jewish migrants between 1967 and 1989 A generation after the Holocaust a battle surrounded the thousands of Soviet Jewish migrants fleeing persecution by choosing to resettle in the United States instead of Israel Exploring the changing ethnic identity and politics of the United States Fred A Lazin engages history ethical dilemma and diplomacy to uncover the events surrounding this conflict This book is essential reading for students and scholars of public policy immigration studies and Jewish history *Soviet Jewry in the Decisive Decade, 1971-80* Robert Owen Freedman, 1984 The exodus of more than 250 000 Soviet Jews during the 1970s has opened a window for the authors of this volume to gain significant new insights into the essentially closed society and political decision making process of the Soviet Union Divided into two parts the book first analyzes the nature and development of Soviet anti-Semitism as well as examining the effects of world pressure from 1971 to 1980 on the Soviet government's decision to allow Soviet Jews to emigrate It then offers useful cross cultural comparisons of the emigration experience with a specific focus on Soviet Jewish resettlement in Israel and the United States Page preceding title page Soviet Jewish Aliyah, 1989-1992 Clive Jones, 1996 Soviet Jewish Aliyah 1989-92 provides new insights into a period of fundamental change in Israel and the Middle East It explains how the Israeli government failed to effectively handle the integration of new emigres from the Soviet Union and how it alienated traditional Likud supporters among Oriental Jews in Israel Clive Jones's argument is that by placing its ideological commitment to the retention of the West Bank above other priorities the Likud leadership made itself beholden to the United States for financial assistance which was then denied The resulting fundamental change in the composition and orientation of the Israeli political leadership has had a major influence on the course of the Arab Israeli peace process *Soviet Jewish Aliyah, 1989-92* Clive A. Jones, 2013-10-18 This book provides new insights into a period of fundamental change in Israel and the Middle East It explains how the Israeli government failed to effectively handle the integration of new emigres from the Soviet Union and how it alienated traditional Likud supporters among Oriental Jews in Israel Clive Jones's argument is that by placing its ideological commitment to the retention of the West Bank above other priorities the Likud leadership made itself beholden to the United States for financial assistance which was then denied The resulting fundamental change in the composition and orientation of the Israeli political leadership has had a major influence on the course of the Arab Israeli peace process **American Jewry and the Oslo**

Years N. Rubin, 2012-10-15 The Oslo Process of September 1993 to January 2001 ultimately brought about a permanent break in American Judaism's traditional wall to wall support for any Israeli government Drawing on extensive new sources Rubin analyzes what this meant for the American and Israeli Jewish communities critical constituencies in past and future negotiations

Documents on Soviet Jewish Emigration Boris Mozorov, 2013-07-04 This is a collection of Soviet documents relating to the struggle for Jewish emigration They reveal those aspects of the problem which most preoccupied the leadership and the factors which had the greatest impact on the decision making process

Still Moving Morton Weinfeld, 2018-04-24 The aftermath of World War II was a period of massive Jewish migration More than a million Jews came to settle in the new state of Israel hundreds of thousands moved to North America Australia and France while tens of thousands resettled themselves elsewhere in Europe and the world Emigration was in turn paralleled by large scale movement among second generation Jews from the great urban centers to the suburbs Until recently it has seemed as though the Jewish people had in the words of the Bible reached a situation of rest and landed inheritance However there is considerable evidence that Jews are still moving from the former Soviet Union to and from Israel and within nations where they have been long resident Still Moving examines the causes and character of contemporary migration in Israel and throughout the Diaspora The contributors to this volume adopt a cross cultural comparative approach Part 1 establishes the context of the new migration globally with specific concentration on its effects on the institutions of Israeli democracy Part 2 surveys immigration to Israel in the 1990s with particular emphasis on the wave of Russian emigres since the fall of the Soviet Union Internal migration from rural to urban centers is also explored Migration to the Diaspora is covered in part 3 The Jewish identity of Soviet Jews is compared to their American and Canadian counterparts Economic performance and problems of multigenerational families among emigres are also treated as are the controversies surrounding politically motivated emigration from Israel Part 4 focuses on the changing nature of the Diaspora and its relations with Israel Beyond its grounding in Jewish culture and history Still Moving frames questions that are central to understanding contemporary migration in general Does immigration accelerate or retard the abilities of host countries to restructure economically How does greater ethnic diversity affect the social and cultural life of cities What factors help immigrants integrate into the wider community Does immigration contribute to the creation of a marginalized underclass Still Moving will be essential reading for historians sociologists Jewish studies specialists and policy analysts

American Christians and the National Interreligious Task Force on Soviet Jewry Fred A. Lazin, 2019-08-07 This study provides the first in depth examination of the role and influence of American Christians in the advocacy efforts for Soviet Jewry during the 1970s and 1980s It explores how American Catholics and Protestants engaged with American Jews to campaign for the emigration of Soviet Jews and to end the cultural and religious discrimination against them The book presents a case study of the National Interreligious Task Force on Soviet Jewry from its inception to its closure in order to better understand the complexities of the politics of

interreligious affairs during this period At the heart of the story is Sister Ann Gillen of the Society of the Holy Child Jesus who directed the Chicago based task force under the auspices of the American Jewish Committee The author provides a comprehensive look at task force activities programs and relationships notes its ties to the civil rights movement and offers in depth analysis of its participation and role in the global arena American political religious and ethnic leaders play prominent roles in this story along with the national media and countless religious and community groups across the United States The relationship between American Jews and Israel is a factor of fundamental significance as well and plays a critical role in the development of the Task Force This close up analysis of the task force is based on extensive archival research and interviews with key players in its history [American Jewish Year Book 1995](#) ,1995 The Library owns the volumes of the American Jewish Yearbook from 1899 current *Politics and Society in Modern Israel* Adam Garfinkle,2015-03-04 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections this work provides an up to date introduction to Israeli politics and society It seeks to convey a strong sense of everyday life in Israel the nuances and contradictions of Israeli identity the ethnic composition and institutional structure of Israeli society as well as Israeli political culture and the issues that dominate the country s domestic and foreign policy **Jews and Jewish Life in Russia and the Soviet Union** Yaacov Ro'i,2016-02-11 The main focus of this book is Jewish life under the Soviet regime The themes of the book include the attitude of the government to Jews the fate of the Jewish religion and life in Post World War II Russia The volume also contains an assessment of the prospects for future emigration **The Jews of Moscow, Kiev and Minsk** Robert J. Brym,Rozalina Ryvkina,1994-07-19 The persecution and flight of Jews from the former Soviet Union have been in the news for 25 years yet surprisingly little exact information is available on them Various parties have offered widely differing assessments of how many Jews live in the region how persecuted they are how strongly they identify as Jews their prospects for cultural revival how likely it is that those who remain will soon leave and the probable destinations of those who emigrate This book sheds light on all these questions It is based on the first survey of a large representative sample of CIS Jews conducted in 1993 in Moscow Kiev and Minsk by acknowledged Western and Russian experts Many of its findings are surprising It is the definitive sociological study of Jews in the Slavic republics of the CIS to date **Reagan, Congress, and Human Rights** Rasmus Sinding Søndergaard,2020-04-16 Demonstrates how the Reagan administration and members of Congress shaped US human rights policy in the late Cold War **Politics and Nationality in Contemporary Soviet-Jewish Emigration, 1968-89** Laurie P. Salitan,1992-06-18 According to this study Soviet policy toward Jewish emigration is ruled by domestic affairs rather than foreign It challenges the view that the exodus from the USSR is related to the superpower climate and offers a comparison with Soviet German emigration **The Americanization of the Jews** Robert Seltzer,Norman S. Cohen,1995-02-01 How did Judaism a religion so often defined by its minority status attain equal footing in the trinity of Catholicism Protestantism and Judaism that now dominates modern American religious life THE

AMERICANIZATION OF THE JEWS seeks out the effects of this evolution on both Jews in America and an America with Jews. Although English, French and Dutch Jewries are usually considered the principal forerunners of modern Jewry, Jews have lived as long in North America as they have in post-medieval Britain and France and only sixty years less than in Amsterdam. As one of the four especially creative Jewish communities that has helped re-shape and re-formulate modern Judaism, American Judaism is the most complex and least understood. German Jewry is recognized for its contribution to modern Jewish theology and philosophy. Russian and Polish Jewry is known for its secular influence in literature and Israel clearly offers Judaism a new stance as a homeland. But how does one capture the interplay between America and Judaism? Immigration to America meant that much of Judaism was discarded and much was retained. Acculturation did not always lead to assimilation. Jewishness was honed as an independent variable in the motivations of many of its American adherents and has remained so even though Jewish institutions, ideologies and even Jewish values have been reshaped by America to such an degree that many Jews of the past might not recognize as Jewish some of what constitutes American Jewishness. This collection of essays explores the paradoxes that abound in the America-Judaism relationship, focusing on such specific issues as Jews and American politics in the twentieth century, the adaptation of Jewish religious life to the American environment, the contributions and impact of the women's movement and commentaries on the Jewish future in America.

Soviet Jewish Emigration to Chicago, 1970-1980 Donald James McKay, 1987

Revising Dreyfus Maya Balakirsky Katz, 2013-07-11 In *Revising Dreyfus*, contributors from a wide variety of disciplines—art history, film, media, theater, sociology, history—offer new ways of understanding the ever-evolving meanings of the Dreyfus Affair. Although the Dreyfusards led the way in explicating the nuances of the Affair in lengthy treatises, the anti-Dreyfusards far outstripped their opponents on the graphic front, particularly through print media: photographs, postcards, broadsides, films, illustrated journal covers, and the plastic arts. *Revising Dreyfus* traces the dominant modes of seeing the Dreyfus Affair, often in opposition to reading the Affair, in three major contexts: French, Zionist, and American.

A Bibliography of Jewish Education in the United States Norman Drachler, 2017-12-01 Entries from thousands of publications, whether in English, Hebrew, Yiddish, and German, on all aspects of Jewish education from pre-school through secondary education. This book contains entries from thousands of publications, whether in English, Hebrew, Yiddish, and German: books, research reports, educational and general periodicals, synagogue histories, conference proceedings, bibliographies, and encyclopedias on all aspects of Jewish education from pre-school through secondary education.

Implementation of Helsinki Accord, June 1, 1980 - November 30, 1980, 1981

The Top Books of the Year Soviet Jewry In The 1980s The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
