Soviet Policy Toward East Germany Reconsidered The Postwar Decade:

Soviet Policy Toward East Germany Reconsidered Ann Phillips, 1986-10-16 This new study analyzes Soviet political and economic policies toward East Germany from 1945 to 1955 focusing on the transition from ambivalence to support. In her introduction Phillips outlines the postwar situation and reviews differing interpretations of Soviet policy. She reviews the issues of postwar settlement relating to East Germany and describes the conflicts within the Soviet leadership over German policy. Discussing Soviet economic exploitation of Germany and the harsh reparations policy, she contrasts these developments with the relatively moderate Soviet policies of socialization implemented in the same period, including improved consumption, economic aid, and toleration of private trade and production. She analyzes the factors that undermined the stability of the Ulbricht regime and culminated in the June 1953 uprising, creating an abrupt change of direction in Soviet policy toward the German Democratic Republic and East European bloc that existed prior to 1953. She argues that Soviet policies during the immediate postwar period were ambivalent, serving a mix of political and economic goals that were often incompatible, and that the Soviet commitment to incorporate East Germany into the Soviet bloc was not evident until after mid-1953.

Reexamining Soviet Policy Towards Germany During the Beria Interregnum James Richter, 1992 This article examines recent disclosures about Soviet decisionmaking towards Germany in the period from Stalin's death in March 1953 until Beria's arrest in late June of that same year. Many historians and political scientists have wondered if there might have been a chance during this short period to reunify Germany more than thirty years before Gorbachev came to power.

Page 1 **Soviet Foreign Policy 1917-1991** Jr. Fleron, 2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union. Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system. The volume is designed for courses in Soviet political history, diplomatic history, comparative foreign policy, and the mainstream of international relations.

Eastern Europe in the Postwar World NA, 2016-04-30 East German Historians since Reunification Axel Fair-Schulz, Mario Kessler, 2017-06-29

Surveys how reunification in 1990 impacted historical scholarship in the former East Germany. With German reunification and the demise of the German Democratic Republic in 1990, East German historians and their traditions of historiography were removed from mainstream discourse in Germany and relegated to the periphery. By the mid-1990s, few GDR-trained historians remained in academia. These developments led to a greater degree of intellectual pluralism, yet marginalized many accomplished scholars. *East German Historians since Reunification* assesses what was gained and lost in the process of dissolving and remaking GDR institutions of historical scholarship. The collection combines primary and secondary sources; younger scholars offer analyses of East German historiography, while senior scholars who lived through the dismantling process provide firsthand accounts. Contributors address broad trends in scholarship as well as particular subfields and

institutions What unites them is a willingness to think critically about the achievements and shortcomings of GDR historiography and its fate after German reunification **The German Question and the International Order, 1943-48**

N. Lewkowicz, 2010-09-30 An analysis of the German Question's influence on the origins of the Cold War arguing that the legal and diplomatic intercourse between the Allies regarding the treatment of the German Question brought forward the elements of intervention and coexistence which formed the basis for a relatively peaceful postwar international order

The Soviet Occupation of Germany Filip Slavicki, 2013-10-17 A major account of the Soviet occupation of postwar Germany and the beginning of the Cold War *Contemporary Issues in Soviet Foreign Policy* Erik Hoffmann, 2017-09-04 This survey of writings on the debates about and events relating to Soviet foreign policy concentrates on the Gorbachev period Changes in Soviet theory and foreign policy decision making are covered in the first section Twelve articles examine Gorbachev's policy towards a number of different geographic regions and several more assess the permanence of Gorbachev's foreign policy changes

Harold Macmillan and the Berlin Wall Crisis, 1958-62 J. Gearson, 1998-01-12 Drawing on newly released government papers John Gearson assesses the development of Harold Macmillan's foreign policy during the Berlin Wall Crisis Tracing the bitter alliance disputes of the crisis Dr Gearson shows how Macmillan's attempts to chart an independent course crucially undermined his standing with his European partners and revealed his confused approach to European security Berlin is placed at the centre of consideration of British foreign policy making this book an important contribution to the historiography of the period Stalin's Drive to the West, 1938-1945 R. C. Raack, 1995-09-01 Exploiting new findings from former East Bloc archives and from long ignored Western sources this book presents a wholly new picture of the coming of World War II Allied wartime diplomacy and the origins of the Cold War The author reveals that the story widely believed by historians and Western wartime leaders alike that Stalin's purposes in European diplomacy from 1938 on were mainly defensive is a fantasy Indeed this is one of the longest enduring products of Stalin's propaganda of long term political control of archival materials and of the gullibility of Western observers The author argues that Stalin had concocted a plan for bringing about a general European war well before Hitler launched his expansionist program for the Third Reich Stalin expected that Hitler's war when it came would lead to the internal collapse of the warring nations and that military revolts and proletarian revolutions like those of World War I would break out in the capitalist countries This scenario foresaw the embattled proletarians calling for the assistance of the Red Army which would sweep across Europe The book further shows that the wartime disputes between Stalin and his Western allies originated over the postwar redistribution of the territories Stalin had gained from his pact with Hitler The situation was complicated by the incautious unrestricted commitment of support to the Soviet Union first by Churchill and then by Roosevelt and wartime circumstances provided cover to obscure these diplomatic failures The early origins of the Cold War described in this book differ dramatically from the usual accounts that see a sudden and surprising upwelling of Cold War antagonisms late in the War or early in the

postwar period *Central Europe Since 1945* Paul G. Lewis, 2014-01-14 Central Europe here Poland the German Democratic Republic Czechoslovakia and Hungary is at the centre of international attention since the Soviet collapse An understanding of its postwar history is critical to an appreciation of the challenges facing its present rulers This is an engrossing account of the installation development operation and eventual downfall of its very different communist regimes and the transition to the freedoms and uncertainties of the post Soviet world The book covers political economic social and cultural change emphasising the crucial relationships with the USSR throughout **A Cold War In The Soviet Bloc** Sheldon

Anderson, 2018-02-23 In *A Cold War in the Soviet Bloc* Sheldon Anderson uses recently declassified documents from Polish and East German communist party and foreign ministry archives to examine the interplay of national interests with the exigencies of communist party relations within the Soviet bloc during the Cold War Anderson explores how Polish East German relations were strained over the permanence of the Oder Neisse border the correct road to socialism German repatriation from Poland and trade policy he provides an inside account of the heated debates that seriously divided the Polish and East German communists Anderson delves into how and why the rift culminated in the return of the anti Stalinist Wladyslaw Gomulka in October 1956 and he delineates how the Polish East German conflict undermined the unity of the Soviet bloc on its most strategic flank In doing so he reveals the persistence of nationalism and ethnic prejudice in the former communist countries In this timely text Anderson pinpoints how nationalism has reemerged as a powerful political force following the end of the Cold War With *A Cold War in the Soviet Bloc* Anderson markedly fills the gap in the existing scholarship on postwar relations between the countries of East Europe **Does Conquest Pay?** Peter Liberman, 1998-08-03

Can foreign invaders successfully exploit industrial economies Since control over economic resources is a key source of power the answer affects the likelihood of aggression and how strenuously states should counter it The resurgence of nationalism has led many policymakers and scholars to doubt that conquest still pays But until now the cumulativeness of industrial resources has never been subjected to systematic analysis *Does Conquest Pay* demonstrates that expansion can in fact provide rewards to aggressor nations Peter Liberman argues that invaders can exploit industrial societies for short periods of time and can maintain control and economic performance over the long term This is because modern societies are uniquely vulnerable to coercion and repression Hence by wielding a gun in one hand and offering food with the other determined conquerors can compel collaboration and suppress resistance Liberman's argument is supported by several historical case studies Germany's capture of Belgium and Luxembourg during World War I and of nearly all of Europe during World War II France's seizure of the Ruhr in 1923-24 the Japanese Empire during 1910-45 and Soviet hegemony over Eastern Europe in 1945-89 *Does Conquest Pay* suggests that the international system is more war prone than many optimists claim Liberman's findings also contribute to debates about the stability of empires and other authoritarian regimes the effectiveness of national resistance strategies and the sources of rebellious collective action **The Russians in Germany**

Norman M. Naimark, 1995 In 1945 when the Red Army marched in eastern Germany was not occupied but liberated This until the recent collapse of the Soviet Bloc is what passed for history in the German Democratic Republic Now making use of newly opened archives in Russia and Germany Norman Naimark reveals what happened during the Soviet occupation of eastern Germany from 1945 through 1949 His book offers a comprehensive look at Soviet policies in the occupied zone and their practical consequences for Germans and Russians alike and ultimately for postwar Europe In rich and lucid detail Naimark captures the mood and the daily reality of the occupation the chaos and contradictions of a period marked by rape and repression the plundering of factories the exploitation of German science and the rise of the East German police state Never have these practices and their place in the overall Soviet strategy particularly the political development of the zone received such thorough treatment Here we have our first clear view of how the Russians regarded the postwar settlement and the German question how they made policy on issues from reparations to technology transfer to the acquisition of uranium how they justified their goals how they met them or failed and how they changed eastern Germany in the process The Russians in Germany also takes us deep into the politics of culture as Naimark explores the ways in which Soviet officers used film theater and education to foster the Bolshevization of the zone Unique in its broad comparative approach to the Soviet military government in Germany this book fills in a missing and ultimately fascinating chapter in the history of modern Europe

The German Question and the Origins of the Cold War Nicolas Lewkowicz, 2008 The book analyses the role of the German Question in the origins of the Cold War The work evaluates the transformation which occurred in Germany and the post war international order due to the inter Allied work on denazification The author analyses the Rationalist aspects of superpower interaction with particular emphasis on the legal and diplomatic framework which sustained not only the treatment of the German Question but also the general context of inter Allied relations The author also tackles the conflictual aspects of the treatment of the German Question by examining superpower interaction in relation to the enforcement of their structural interests The main argument of the book is that due to the interaction between the elements of intervention and coexistence the German Question constituted the most significant issue in the configuration of the post war international order

Russia in the Twentieth Century David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example

Eastern Europe David Turnock, 1989 Sets the political and economic geography of Eastern Europe in the context of its history and physical landscape

Drawing the Line Carolyn Woods Eisenberg, 1996 In this fresh and challenging study of the origins of the Cold War Professor Eisenberg traces the American role in dividing post war Germany Drawing upon many original documentary sources she examines the Allied meeting on the

Elbe follows the Great Powers through their confrontation in Berlin and culminates with the creation of the West German state in the fall of 1949 In contrast to many works in the field the book argues that the partition of Germany was fundamentally an American decision US policy makers chose partition mobilized reluctant West Europeans behind that approach and by excluding the Soviets from West Germany contributed to the isolation of East Germany and the emergence of the post World War II US Soviet rivalry The volume casts new light on the Berlin blockade demonstrating that the United States rejected United Nations mediation and relied on its nuclear monopoly as the means of protecting its German agenda

Beyond the Wall Elizabeth Pond,2010-12-01 Beyond the Wall is the first book in either English or German to tell the whole story of the extraordinary revolution that demolished the Berlin Wall ended the Cold war and tore apart the Soviet regime Elizabeth Pond former Moscow and European correspondent for the Christian Science Monitor was an eyewitness to the dramatic events of 1989 92 and to the fifteen years of relations between Germany and Eastern Europe leading up to them Pond weaves together in riveting prose the strands of events that are usually recounted separately Rather than looking just at the East German revolt or the process of unification that created a new nation she traces the interaction of these events and their diplomatic consequences for Europe Pond shows the political economic and social forces at work leading up to the unification during the transition process and in the aftermath Looking at the European framework she explains how significantly the European Community and its move toward integration both affected and were affected by German unification The book contains a wealth of new information from hundreds of interviews with top German and American policymakers East German Politburo members and average German citizens It also incorporates up to date research on such topics as the Stasi secret police and the midlife crisis of the German left Pond concludes with an assessment of the roles of the United States and a unified Germany in the new Europe Calling for a continued partnership between the United States and Germany who have come through a common baptism of fire since the fall of the Berlin Wall Pond casts an optimistic eye toward the future

Perils of Anarchy Michael E. Brown,Sean M. Lynn-Jones,Steven E. Miller,1995-03-27 Current debates about the nature of international politics have centered on the clash between supporters and critics of realism The Perils of Anarchy brings together a number of recent essays written in the realist tradition It includes realist interpretations of the collapse of the Cold War order and of the emerging order that has replaced it the sources of alignment and aggression and the causes of peace A final section provides a counterpoint by raising criticisms of and alternatives to the realist approach Contributors Charles L Glaser Christopher Layne Peter Liberman Lisa L Martin John J Mearsheimer Paul Schroeder Randall Schweller Stephen M Walt Kenneth N Waltz William C Wohlforth Fareed Zakaria An International Security Reader

Unveiling the Magic of Words: A Review of "**Soviet Policy Toward East Germany Reconsidered The Postwar Decade**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Soviet Policy Toward East Germany Reconsidered The Postwar Decade**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.

Soviet Policy Toward East Germany Reconsidered The Postwar Decade Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Soviet Policy Toward East Germany Reconsidered The Postwar Decade PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Soviet Policy Toward East Germany Reconsidered The Postwar Decade PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Soviet Policy Toward East Germany Reconsidered The Postwar Decade free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Soviet Policy Toward East Germany Reconsidered The Postwar Decade Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Policy Toward East Germany Reconsidered The Postwar Decade is one of the best book in our library for free trial. We provide copy of Soviet Policy Toward East Germany Reconsidered The Postwar Decade in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soviet Policy Toward East Germany Reconsidered The Postwar Decade. Where to download Soviet Policy Toward East Germany Reconsidered The Postwar Decade online for free? Are you looking for Soviet Policy Toward East Germany Reconsidered The Postwar Decade PDF? This is definitely going to save you time and cash in
