National Identity and Foreign Policy Ilya Prizel, 1998-08-13 This book is based on the premise that the foreign policy of any country is heavily influenced by a society's evolving notions of itself Applying his analysis to Russia Poland and Ukraine the author argues that national identity is an ever changing concept influenced by internal and external events and by the manipulation of a polity's collective memory The interaction of the narrative of a society and its foreign policy is therefore paramount This is especially the case in East Central Europe where political institutions are weak and social coherence remains subject to the vagaries of the concept of nationhood Ilya Prizel's study will be of interest to students of nationalism as well as of foreign policy and politics in East Central Europe

Imperial Russia's Jewish Question, 1855-1881 John Doyle Klier, 2005-11-17 John Klier examines Russian public opinion on the Jewish Question in the Russian Empire during a period of sweeping social and political reform He studies the manner in which public opinion influenced and was influenced by state policy towards the Jews and traces the roots of modern antisemitism throughout Eastern Europe

Britain and Poland 1939-1943 Anita Prazmowska, 1995-03-23 Poland was a problematic issue for the Big Powers throughout the Second World War For Britain Poland was a major stumbling block in British Soviet relations as Polish Soviet territorial disputes clashed with the needs of the British Soviet United States alliance As the Polish government in exile attempted to obtain a guarantee of British support and many thousands of Polish troops fought for the British cause the perception grew that the Churchill government had a debt to pay Ultimately however it was a debt which Britain could not discharge because of its dependence on Soviet participation in the war In this book Anita Prazmowska looks at British policies from the point of view of wartime strategy relating this to Polish government expectations and policies She describes a tragic situation where Polish soldiers were trapped between the grandiose and unrealistic plans of their government and the harsh realities of a war which they fought with no prospect of a satisfactory outcome for them or their country

Accounting for War Mark Harrison, 2002-07-18 In this book Mark Harrison rebuilds and analyses the Soviet economy's wartime statistical record examining its prewar size and composition and wartime changes in GNP employment the defence burden and the role of foreign aid Complementing classic long run growth studies

the book compares the Soviet experience with that of other great powers. It emphasises the severity of current costs and capital losses arising from the war which had a negative effect on GNP that persisted well after the end of the war. The results are based on a comprehensive analysis of hitherto closed official documents shedding light on the dimensions of the Soviet war effort, the comparative economics of the war and its long term impact on the Soviet economy.
