International Politics Since World War II Charles L. Robertson,1997-03-24 The past half century has seen many hopes raised and some dashed a succession of fears and false alarms and both triumphs and calamities that were almost entirely unexpected This work offers a short but sweeping history of world politics since 1945 America s postwar pre eminence and the hopes that attended the creation of the United Nations the Cold War and the emergence of a volatile Third World economic transformations and the twin threat of nuclear and ecological disaster the crumbling of the Soviet system and the short lived promise of a peaceful prosperous and democratic new world The author describes these momentous changes concisely in an effort to show how we got here from there and what we might have learned along the way

Background Information on the Soviet Union in International Relations United States. Congress. House. Committee on Foreign Affairs,1950 *The International Politics of the Asia-Pacific* Michael B. Yahuda,2004 Michael Yahuda s extremely successful textbook introduces students to the International Politics of the Asia Pacific region since 1945 Japanese Diplomacy and East Asian International Politics, 1918-1931 Ryuji Hattori,2024-01-12 This book provides an overall picture of East Asian international politics during the early interwar period and examines the various foreign policy trends of the major powers involved including Japan China Britain the United States and the Soviet Union Based on extensive original research it posits that East Asia experienced four waves of international change during the interwar period the transition to the post World War I international order the appearance of Nationalist China and the Soviet Union as actors in East Asian international politics the Japanese invasion of Manchuria and Japanese implementation of the North China Buffer State Strategy It considers the new challenges brought about by each of these waves how the powers particularly Japan Britain and the United States were able to meet these challenges by working together and how this became more difficult as time went on It argues that the Washington System the international order established at the 1921 1922 Washington Naval Conference was not a break with the past as is frequently argued on account of new forms of foreign policy including the ideological approaches of the United States and the Soviet Union but that rather spheres of influence diplomacy continued as before In addition in discussing Japanese foreign policy the book provides a comprehensive picture of the diversity of views towards China among Japanese actors and the ways these shifted over time The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons CC BY NC ND 4 0 license The International Politics of Eurasia: v. 4: The Making of Foreign Policy in Russia and the New States of Eurasia S. Frederick Starr,Karen

Dawisha,2024-11-01 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The collapse of the Soviet Union and the discrediting of Marxism Leninism as a source of political legitimacy have prompted a search for fresh principles of political organization that will shape the nature of political culture in all the post Soviet countries This volume looks at the making of foreign policy in Russia and the new states of Eurasia

The Interregnum: Controversies in World Politics 1989-1999 Michael Cox,Ken Booth,Timothy Dunne,1999 The Interregnum Controversies in World Politics 1989 1999 is a series of critical reflections on the major controversies in and about world politics in the 1990s We are living in an era which seemingly defies description in social and political theory our age is frequently referred to as post modern in international relations we remain in the post Cold War age The age is only characterised by what it is not This collection of critical reflections written by leading scholars in the field sheds light on the meanings of world politics in what we are calling The Interregnum The central question of the Special Issue might be put as follows what do the major controversies in world politics in the 1990s tell us about the characteristics of the age who we are and where world politics might be going
