Space Age Fire Fighters:

Space Age Specialists ,1959 **Space Age: Houston, Prepare for Launch** Sara L Hudson,2025-07-05 NASA Flight Surgeon Dr Rebecca Sato is ready for the next frontier a family At thirty six the men on Rebecca s radar are either intimidated by her intellect or not interested in having kids So when not in charge of NASA s astronauts and their health she devotes her spare time and energy to the local animal shelter At twenty eight Houston Lieutenant Firefighter Ryan Cassidy knows he s an old soul Tired of girls his age who only crave a quick hook up with a good looking fireman he s ready to settle down with a wife kids maybe a dog When a fire at Johnson Space Center threatens NASA s medical building Ryan rushes in ready to take charge But he s blindsided by a calm compelling doctor who s already in command of the evacuation While the fire is easily contained Ryan can t say the same for his heart Attraction fans the flames but dating a younger man is not in Rebecca s comfort zone Determined to synchronize their orbits Ryan volunteers to pose for her animal shelter s charity firefighter calendar Between Ryan s abs and his love for animals the wall around Rebecca s heart starts to fall Will their age difference be too much to overcome Or will they achieve a five alarm lift off Space Age is the prequel to the bestselling Space Series and features a younger man who agrees to go topless for a fundraiser calendar after falling first for the animal shelter volunteering NASA flight surgeon who s looking for Mr Right in an older age bracket NASA Activities ,1985 **Annual Report** United States. Federal Emergency Management Agency,1979 **Space-Age Acronyms** Reta C. Moser,2012-12-06 Acronym agglomeration is an affliction of the age and there are acronym addicts who in their weakness find it impossible to resist them More than once in recent months my peers have cautioned me about my apparent readiness to use not only acronyms but abbreviations foreign isms codes and other cryptic symbols rather than common ordinary American words Many among us though either have not received or have chosen to ignore such advice As a consequence what we write and speak is full of mystery and confusion It is then for the reader and listener and for the writer and speaker that Reta C Moser has compiled this guide Its effective application to the art of communication is urged Such use should help avoid many of the misunderstandings involving terminology which occur daily Although such misunderstandings are certainly crucial in humanistic and social situations they are often of immediate import and the trigger to disaster in scientific technical and political situations Some 15 000 acronyms and 25 000 definitions are provided a 50 and 47 percent increase over the 1964 edition with due credit to Miss Moser s diligence in making the compilation and with the acknowledgment that the acronymical phenomenon is very much with us This edition like the first is certain to be of value to writers librarians editors and others who must identify and deal with acronyms **Catalog of Copyright Entries.
