Spotter's Guide Richard Horne, 2013-10-21 Tired of the dull daily commute to the office the tedious traipse to and from the school gates Fed up with the seemingly endless shades of grey that decorate the canvas of modern life Then the time has come to open your eyes For in the midst of those soulless sceneries and vacant vistas there lies a wealth of fascinating detail Look up Look carefully all around Where once there was monotony now there is intrigue in abundance sights and sounds sure to delight and amuse amaze and entertain to brighten each and every day for once you spot you can't stop The Modern Day Spotter's Guide brings together the fun and frustrating the maddening and the mundane the good the bad and the ugly to offer you a list of unlikely things to spot on your daily trudge through life So be sure to keep your eyes peeled for whether it be a cat with a moustache a hopelessly lost tourist a pigeon with one foot an embarrassing wardrobe malfunction or the face of Jesus in your soup the world is waiting to be spotted See things a little differently And remember life is in the details don't let them pass you by **Space Spotter's Guide-CC** , *Monster Spotter's Guide to North America* Scott
