Spaces Of Hate Geographies Of Discrimination And Tolerance In The Usa:

Spaces of Hate Colin Flint, 2004 First published in 2004 Routledge is an imprint of Taylor Francis an informa company

Spaces of Hate Colin Flint, 2013-10-18 While much has been written about hate groups and extreme right political movements this book will be the first that addresses the crucial role that place and context play in generating and shaping them Ranging across geographical scales the essays start with the home and then move from the local to the regional to the national to finally the global In this collection much of the focus is on the U S as the contributors consider a variety of hate activity and hate groups across the country including rural white supremacist and neo Nazi movements anti black sentiment directed towards cities anti gay activity in cities and rural areas and the resurgent Southern nationalist movement Closing with pieces from those who combat hate activity the intention of Spaces of Hate is to recognize specific geographic settings likely to foster hate activity

Right-Wing Movements in North America and Europe Hank Johnston, Rory McVeigh, Ziad Munson, 2025-10-13 From Boogaloo Bois and Rassemblement National to Nordic Resistance Movement and Forza Nuova majoritarian ethnonational movements and extreme right politics are growing in different national contexts and continue to challenge democratic norms around the globe This collection brings together research by prominent senior scholars and up and coming junior researchers to present an up to date examination of the right s resurgence in Europe and North America Its chapters focus on movement party intersections social media identity work extremism anti immigration rhetoric and theoretical approaches and methodologies to studying the right Bringing together several studies originally presented as plenary talks at the annual Mobilization SDSU conferences the editors combine their expertise and draw upon their scholarly networks to offer a collection of research that will be significant for years to come Each chapter is an important contribution that deepens our knowledge of right wing contentious politics They will be widely used by both sociologists and political scientists who are interested in current global trend of a resurgent and authoritarian right
