Wray R. Johnson

Spad Scouts Svii Sxiii:

Spad Scouts SVII-SXIII Michael P. Roffe, John McIntosh Bruce, Richard Ward, 1969 **SPAD Scouts SVII-SXIII**, 1995

Lafayette Escadrille: America's Most Famous Squadron, Weapons and Warfare Spencer C. Tucker, 2020-03-26

This work covers major weapons throughout human history beginning with clubs and maces through crossbows swords and gunpowder up to the hypersonic railgun lasers and robotic weapons under development today Weapons and Warfare is designed to provide students with a comprehensive and highly informative overview of weapons and their impact on the course of human history In addition to providing basic factual information this encyclopedia will delve into the greater historical context and significance of each weapon The chronological organization by time period will enable readers to fully understand the evolution of weapons throughout history The work begins with a foreword by a top scholar and a detailed introductory essay by the editor that provides an illuminating historical overview of weapons It then offers entries on more than 650 individual weapons systems Each entry has sources for further reading The weapons are presented alphabetically within six time periods ranging from the prehistoric and ancient periods to the contemporary period Each period has its own introduction that treats the major trends occurring in that era In addition 50 sidebars offer fascinating facts on various weapons Numerous illustrations throughout the text are also included Biplanes at War Wray R. Johnson, 2019-04-16 Unlike the relative uniformity of conventional warfare the peculiarities of small wars prevent a clear definition of rules and roles for military forces to follow During the small wars era aviation was still in its infancy and the US military had only recently begun battling in the skies The US Marine Corps recognized that flexibility and ingenuity would be critical to the successful conduct of small wars and thus employed the new technology of aviation In Biplanes at War US Marine Corps Aviation in the Small Wars Era 1915 1934 author Wray R Johnson provides a riveting history of the marines use of aviation between the world wars a time in which young soldiers were volunteering to fly in combat when flying itself was a dangerous feat Starting with Haiti in 1915 Biplanes at War follows the marines aviation experiences in Haiti the Dominican Republic China and Nicaragua chronicling how marines used aircraft to provide supporting fires e g dive bombing to ground troops in close contact with irregular opponents evacuate the sick and wounded transport people and cargo e g to assist humanitarian operations and even support elections in furtherance of democracy After years of expanding the capabilities of airplanes far beyond what was deemed possible the small wars era ended and the US Marines Corps transitioned into an amphibious assault force The legacy of the marines ability to adapt and innovate during the small wars era endures and provides a useful case study Biplanes at War sheds light on how the marines pioneered roles and missions that have become commonplace for air forces today an accomplishment that has largely gone unrecognized in mainstream histories of aviation and air power

The United States in World War I James T. Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in The United States in World War I A Bibliographic

Guide the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich s bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich s bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists The United States in World War I A Bibliographic Guide is an ideal research tool for students and scholars of World War I and American history
