

# SPAIN'S 1898 CRISIS

Regenerationism, modernism, post-colonialism

Edited by Joseph Harrison and Alan Boyle

# Spains 1898 Crisis Regenerationism Modernism Postcolonialism

**Dorota Heneghan**

## **Spain's 1898 Crisis Regenerationism Modernism Postcolonialism:**

Spain's 1898 Crisis Joseph Harrison, Alan Hoyle, 2000-08-12 This book examines the significance of probably the most famous year in modern Spanish culture 1898 which marked her defeat in the Spanish American War The editors have brought together 21 essays by international specialists in the field      **Striking Their Modern Pose** Dorota Heneghan, 2015 Cover Copyright Dedication Contents Acknowledgments Introduction Chapter One Fashioning Womanhood and Making Modernity in Gald s s La desheredada Chapter Two What Is a Man of Fashion Manuel Pez and the Dandy in Gald s s La de Bringas Chapter Three Fashion and Femininity in Pardo Baz n s Insolaci n Chapter Four The Sartorial Charm of the Modern Man in Pardo Baz n s Insolaci n Chapter Five Dressing the New Woman in Pic n s Dulce y sabrosa Conclusion Notes Bibliography Index About the Book About the Author      *The Companion to Hispanic Studies* Catherine Davies, 2014-05-01 What is Hispanic Studies This companion gives a concise and accessible overview of the discipline as taught today and suggests new directions for future developments Hispanic Studies is broadly concerned with the languages and cultures of the vast Hispanic world extending chronologically from Roman Hispania to today and geographically from Roman Hispania to today and geographically from California in the North to Patagonia in the South and from Majorca in the East to the Andes in the West This essential book provides all the necessary introductory information on the subject and will be especially useful for students who have already started courses in Spanish Hispanic Studies or who are considering doing so in the future Written by a team of leading scholars each with established teaching experience this collection of short essays explores topics as diverse as the history of the Spanish language Islamic Andalusia race and class in the Spanish Golden Age Catalan nationalism the Madrid movida Latin America cinema tango in Argentina Evita Per n testimonio and the cultural significance of the US Mexican border The emphasis is on literature and texts including film and photography In addition the book includes time lines summary boxes adn suggestions for further reading      T.E. Hulme and the Question of Modernism Andrzej Gasiorek, 2016-03-23 Though only 34 years old at the time of his death in 1917 T E Hulme had already taken his place at the center of pre war London s advanced intellectual circles His work as poet critic philosopher aesthetician and political theorist helped define several major aesthetic and political movements including imagism and Vorticism Despite his influence however the man T S Eliot described as classical reactionary and revolutionary has until very recently been neglected by scholars and T E Hulme and the Question of Modernism is the first essay collection to offer an in depth exploration of Hulme s thought While each essay highlights a different aspect of Hulme s work on the overlapping discourses of aesthetics politics and philosophy taken together they demonstrate a shared belief in Hulme s decisive importance to the emergence of modernism and to the many categories that still govern our thinking about it In addition to the editors contributors include Todd Avery Rebecca Beasley C D Blanton Helen Carr Paul Edwards Lee Garver Jesse Matz Alan Munton and Andrew Thacker      **The Spanish Craze** Richard L. Kagan, 2019-03-01 The Spanish Craze is the compelling story of the

centuries long U S fascination with the history literature art culture and architecture of Spain Richard L Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America tracing its origins from the early republic to the New Deal As Spanish power and influence waned in the Atlantic World by the eighteenth century her rivals created the Black Legend which promoted an image of Spain as a dead and lost civilization rife with innate cruelty and cultural and religious backwardness The Black Legend and its ambivalences influenced Americans throughout the nineteenth century reaching a high pitch in the Spanish American War of 1898 However the Black Legend retreated soon thereafter and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism Although the Spanish craze infected regions where the Spanish New World presence was most felt California the American Southwest Texas and Florida there were also early quite serious flare ups of the craze in Chicago New York and New England Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich a specialist in the early history of the Americas and the writers Washington Irving and Henry Wadsworth Longfellow He also considers later enthusiasts such as Angeleno Charles Lummis and the many writers artists and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries Spain s political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries With elegant prose and verve The Spanish Craze spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments buildings and private homes the visual performing and cinematic arts and the literature travel journals and letters of its enthusiasts in the United States

**World Literature in Spanish** Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However World Literature in Spanish An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro Hispanic texts children s literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration

**Music Theater and Popular Nationalism in Spain, 1880-1930** Clinton D. Young, 2016-01-11 From its earliest appearance in the mid

1600s the lyric theater form of zarzuela captivated Spanish audiences with its witty writing and lively musical scores Clinton D Young's *Music Theater and Popular Nationalism in Spain 1880-1930* persuasively links zarzuela's celebration of Spanish history and culture to the development of concepts of nationalism and national identity at the dawn of the twentieth century. As a weak Spanish government focused its energy on preventing a recurrence of mid-nineteenth century political upheavals, the project of articulating a national identity occurred at the popular level, particularly in cultural venues such as the theater. Zarzuela suited this aim well, depicting the lives of everyday citizens amid the rapidly changing norms brought about by industrialization and urbanization. It also integrated regional differences into a unified vision of Spanish national identity; a zarzuela performance set in Madrid could incorporate forms of music and folk dancing native to areas of the country as far distant as Andalusia and Catalonia. A true music of the people, Spanish popular zarzuela offered its audiences an image of what a more modern Spain might look like. Zarzuela alone could not create a unified concept of Spanish identity, particularly with competition from new forms of mass culture and the rise of the Primo de Rivera dictatorship in the 1920s. Yet, as this riveting study shows, it made an indelible contribution to popular culture and nationalism. Young's history brings to life the stories, songs, and evolving contexts of a uniquely Spanish art form.

**The Workings of Memory** Sarah Leggott, 2008. The study examines the ways in which these writers portray their positioning in relation to dominant cultural models of the time and their engagement with political and social issues in a period of changing gender dynamics and political instability. In broader terms, this book examines the complex relationships between memory, writing, and identity and thus contributes to the growing field of explorations of the workings of memory in narrative.

**BOOK JACKET** Federico García Lorca Maria M. Delgado, 2008-03-03. Immortalized in death by The Clash, Pablo Neruda, Salvador Dalí, Dmitri Shostakovich, and Lindsay Kemp, Federico García Lorca's spectre haunts both contemporary Spain and the cultural landscape beyond. This study offers a fresh examination of one of the Spanish language's most resonant voices, exploring how the very factors which led to his emergence as a cultural icon also shaped his dramatic output. The works themselves are also awarded the space that they deserve, combining performance histories with incisive textual analysis to restate Lorca's presence as a playwright of extraordinary vision in works such as *Blood Wedding*, *The Public*, *The House of Bernarda Alba*, *Yerma*. Federico García Lorca is an invaluable new resource for those seeking to understand this complex and multifaceted figure: artist, playwright, director, poet, martyr, and in the eyes of many, Spain's national dramatist.

**El Terrible: Life and Labor in Pueblonuevo, 1887-1939** Patricia A. Schechter, 2024-07-12. This book is a biography of Pueblonuevo del Terrible, a mining town located in Andalusia, Spain. Based on previously unexamined sources, the study paints a fresh portrait of industrial workers and their families in Córdoba province, enriching our understanding of this mostly agricultural region. Previous studies of laboring communities in Spain have identified radical workers, miners, among them, as a destabilizing element due to their insurgent protest activity, including lethal violence. This study, by contrast, describes both worker activism and cross-class organizing as

constructive not destructive and aimed at integration into Spanish society Economically the mining zone was dominated by a French company in the Rothschild portfolio But by running their own city waging peaceful labor strikes raising a church building housing and honoring their dead residents turned a quasi colonial outpost into a pueblo worth defending and they rallied in defense of the Republic at the outbreak of the Spanish Civil War In the making of Pueblonuevo del Terrible Spanish men and women contended with the perils of mine work the jolts of industrial capitalism creeping fascism and civil war As such this book tells a village scale story of global events that defined the twentieth century Between Distant Modernities Brittany Powell Kennedy,2015-02-12 For centuries Spain and the South have stood out as the exceptional other within US and European nationalisms During Franco s regime and the Jim Crow era both violently asserted a haunting brand of national selfhood Both areas shared a loss of splendor and a fraught relation with modernization and retained a sense of defeat Brittany Powell Kennedy explores this paradox not simply to compare two apparently similar cultures but to reveal how we construct difference around this self other dichotomy She charts a transatlantic link between two cultures whose performances of otherness as assertions of selfhood enact and subvert their claims to exceptionality Perhaps the greatest example of this transatlantic link remains the War of 1898 when the South tried to extract itself from but was implicated in US imperial expansion and nation building Simultaneously the South participated in the end of Spain as an imperial power Given the War of 1898 as a climactic moment Kennedy explores the writings of those who come directly after this period and who attempted to regenerate what was perceived as traditional in an agrarian past That desire recurs over the century in novels from writers as diverse as William Faulkner Camilo Jos Cela Walker Percy Eudora Welty Federico Garc a Lorca and Ralph Ellison As these writers wrestle with ideas of Spain and the South they also engage questions of how national identity is affirmed and contested Kennedy compares these cultures across the twentieth century to show the ways in which they express national authenticity Thus she explores not only Francoism and Jim Crow but varied attempts to define nationhood via exceptionalism suggesting a model of performativity that relates to other exceptional geographies **Spanish New York Narratives 1898-1936** David Miranda-Barreiro,2017-07-05 In the early decades of the twentieth century New York caught the attention of Spanish writers Many of them visited the city and returned to tell their experience in the form of a literary text That is the case of Pruebas de Nueva York 1927 by Jose Moreno Villa 1887 1955 El crisol de las razas 1929 by Teresa de Escoriaza 1891 1968 Anticipolis 1931 by Luis de Oteyza 1883 1961 and La ciudad automatica 1932 by Julio Camba 1882 1962 In tune with similar representations in other European works the image of New York given in these texts reflects the tensions and anxieties generated by the modernisation embodied by the United States These authors project onto New York their concerns and expectations about issues of class gender and ethnicity that were debated at the time in the context of the crisis of Spanish national identity triggered by the end of the empire in 1898 **'Other' Spanish Theatres** Maria M. Delgado,2003-11-08 Other Spanish Theatres challenges established opinions on modern Iberian theatre through a

consideration of the roles of contrasting figures and companies who have impacted upon both the practice and the perception of Spanish and European stages In this broad and detailed study Delgado selects six subjects which map out alternative readings of a nation's theatrical innovation through the last century These six subjects include Margarita Xirgu Enrique Rambal Mar a Casares and Nuria Espert **Writing the Inquisition in Europe and America** Jo Tollebeek, Henry Charles Lea, Paul Frédéricq, 2004 American historian Henry Charles Lea and his Belgian colleague Paul Fredericq corresponded regularly between 1888 and 1908 Both pursued the study of the medieval and Spanish Inquisition Their letters are an account of the creation of their body of work They also reveal how history was used for political ends in an era when Europe was spellbound by the Dreyfus affair while concerns about the power of Rome were growing in America Publisher description *British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain*, 2002 *Ästhetik und Poetik der Ruinen* Giulia Lombardi, Simona Oberto, Paul Strohmaier, 2022-03-07 Ruinen sind per definitionem nichts Neues Als materielle berreste sesshafter Kulturen z hlen sie seit Unzeiten zum Bestand historischer Gegebenheiten Erst in der Fr hen Neuzeit erfahren sie jedoch eine Aufwertung auf sthetischer poetologischer und geschichtsphilosophischer Ebene In deren Mittelpunkt stehen zun chst die Ruinen des antiken Roms anfangs im Zeichen eines Renovatio Diskurses sp ter als Teil eines Paradigmas der Dekadenz Neue Vitalit t sollte der Ruine in der Malerei des 18 Jahrhunderts und in der Moderne beschieden sein wo sie zur Anregung f r die Imagination dient sei es im Sinne einer historischen wie nationalen Selbstbefragung sei es im Sinne einer umfassenden Kulturkritik Im Motiv der Ruine verdichten sich so Fragen nach der Modellierung und Lesbarkeit von Zeit nach Pr senz und Absenz Imagination und Ged chtnis Artefakt und K rperlichkeit Medium und Metapher Verfall und Rekonstruktion Dieser diachron changierenden Faszinationskraft der Ruinen die sich kaum berzeitlich pr zisieren l sst und nur in einer Vielfalt von Bestimmungsversuchen bertragungen und poetologischen Inanspruchnahmen skizziert werden kann geht der vorliegende Band in den Kulturen der Romania systematisch nach

**Anales de la Literatura Española Contemporánea**, 2007 **Latin American and Iberian Perspectives on Literature and Medicine** Patricia Novillo-Corvalán, 2015-06-05 This is the first study to examine the representation of illness disability and cultural pathologies in modern and contemporary Iberian and Latin American literature Innovative and interdisciplinary the collection situates medicine as an important and largely overlooked discourse in these literatures while also considering the social political religious symbolic and metaphysical dimensions underpinning illness Investigating how Hispanic and Lusophone writers have reflected on the personal and cultural effects of illness it raises central questions about how medical discourses cultural pathologies and the art of healing in general are represented Essays pay particular attention to the ways in which these interdisciplinary dialogues chart new directions in the study of Hispanic and Lusophone cultures and emerging disciplines such as the medical humanities Addressing a wide range of themes and subjects including bioethics neuroscience psychosurgery medical technologies Darwinian evolution indigenous herbal medicine the rising genre of the

pathography and the illness as metaphor trope the collection engages with the discourses of cultural studies gender studies disability studies comparative literature and the medical humanities This book enriches and stimulates scholarship in these areas by showing how much we still have to gain from interdisciplinary studies working at the intersections between the humanities and the sciences      **Revista de dialectología y tradiciones populares** ,2010      **Imperial Emotions** Javier Krauel,2013-11-13 A ground breaking work that considers myths of the Spanish empire from the perspective of cultural responses to its demise

When somebody should go to the book stores, search introduction by shop, shelf by shelf, it is in reality problematic. This is why we present the book compilations in this website.
