Spalding, **Spalding Memorial** Charles Warren Spalding, 1996-01-01 *Spalding Memorial* Samuel J.
Spalding, 2015-07-28 Excerpt from *Spalding Memorial A Genealogical History of Edward Spalding of Massachusetts Bay and*
His Descendants A series of consecutive numbers runs through the volume Where a name appears a second time as it always
will appear when it stands at the head of a family the place where it is given is designated by a number in brackets placed
immediately after the name To trace a line of descent seek in the Index the name you wish to trace against it will stand a
number Turn to this number in the body of the work where you will find the name and above it the names of the parents at
the right of the name of the father will be a number in brackets to which if you turn you will find the name and above it the
names Of the grandparents and so continue until the line is traced The numbers in the Indexes always refer to the first
appearance of the name and on turning to that number in the volume it will be seen at a glance where it appears a second
time It was my original plan to trace the descendants of Edward Spalding in both the male and female lines But it soon
became apparent that it would require another volume as large as the present one to do this satisfactorily The increased
expense of preparing and publishing this additional volume compelled me to confine my labors principally to the genealogy of
the male lines The marriages of all female descendants Of Edward Spalding bearing the family name have been given also

their dates of birth and death so far as they could be ascertained About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
