The New York Giants Base Ball Club James D. Hardy, Jr.,2015-08-13 Though baseball would eventually come to embody the American spirit in the nineteenth century onlookers regarded the game with some ambivalence To capture the hearts of the public baseball needed teams worth watching and no team was a better ambassador for baseball in the 19th century than the New York Giants The pre John McGraw Giants were occasionally very good and frequently very fashionable but they had not yet become the trademark team of the National League that they would become in the early 20th century The Giants were however one of the league s premier teams simply because they played in the country s premier city New York and its Giants epitomized the rise of industrialized America and the need for organized spectator diversions Together the city and the team helped propel baseball into its position as the national pastime *Heritage Sports Auction Signature Catalog #705* Ivy Press,2006-09
