Spandauer Tagebücher:

Spandauer Tagebücher Albert Speer, 1994 Speer Martin Kitchen, 2015-10-28 Sets the record straight on Albert Speer's assertions of ignorance of the Final Solution and claims to being the good Nazi Kirkus Reviews In his bestselling autobiography Albert Speer Minister of Armaments and chief architect of Nazi Germany repeatedly insisted he knew nothing of the genocidal crimes of Hitler's Third Reich In this revealing new biography author Martin Kitchen disputes Speer's lifelong assertions of ignorance and innocence portraying a far darker figure who was deeply implicated in the appalling crimes committed by the regime he served so well Kitchen reconstructs Speer's life with what we now know including information from valuable new sources that have come to light only in recent years The result is the first truly serious accounting of the man his beliefs and his actions during one of the darkest epochs in modern history not only countering Speer's claims of non culpability but also disputing the commonly held misconception that it was his unique genius alone that kept the German military armed and fighting long after its defeat was inevitable A devastating portrait of an empty narcissistic and compulsively ambitious personality The Wall Street Journal Kitchen's exhaustively researched detailed book nails one by one the lies of the man who provided a thick coat of whitewash to millions of old Nazis Its fascinating account of how the moral degradation of the chaotic Nazi regime corrupted an entire nation is a timely warning for today Daily Mail Book of the Month An excellent new biography Kitchen has taken a wrecking ball to Speer's mendacious and meticulously created self image And about time too History Today Hitler Redux Mikael Nilsson, 2020-09-15 After Hitler's death several posthumous books were published which purported to be the verbatim words of the Nazi leader two of the most important of these documents were Hitler's Table Talk and The Testament of Adolf Hitler This ground breaking book provides the first in depth analysis and critical study of Hitler's so called table talks and their history provenance translation reception and usage Based on research in public and private archives in four countries the book shows when why where how by and for whom the table talks were written how reliable the texts are and how historians should approach and use them It reveals the crucial role of the mysterious Swiss Nazi Francois Genoud as well as some very poor judgement from several famous historians in giving these dubious sources more credibility than they deserved The book sets the record straight regarding the nature of these volumes as historical sources proving inter alia The Testament to be a clever forgery and aims to establish a new consensus on their meaning and impact on historical research into Hitler and the Third Reich This path breaking historical investigation will be of considerable interest to all researchers and historians of the Nazi era Hitler: Downfall Volker Ullrich, 2021-09-14 A riveting account of the dictator's final years when he got the war he wanted but led his nation the world and himself to catastrophe from the author of Hitler Ascent Skillfully conceived and utterly engrossing The New York Times Book Review In the summer of 1939 Hitler was at the zenith of his power Having consolidated political control in Germany he was at the helm of a newly restored major world power and now perfectly positioned to realize his lifelong ambition to help

the German people flourish and to exterminate those who stood in the way Beginning a war allowed Hitler to take his ideological obsessions to unthinkable extremes including the mass genocide of millions which was conducted not only with the aid of the SS but with the full knowledge of German leadership Yet despite a series of stunning initial triumphs Hitler's fateful decision to invade the Soviet Union in 1941 turned the tide of the war in favor of the Allies Now Volker Ullrich author of *Hitler's Ascent 1889-1939* offers fascinating new insight into Hitler's character and personality He vividly portrays the insecurity obsession with minutiae and narcissistic penchant for gambling that led Hitler to overrule his subordinates and then blame them for his failures When he ultimately realized the war was not winnable Hitler embarked on the annihilation of Germany itself in order to punish the people who he believed had failed to hand him victory A masterful and riveting account of a spectacular downfall Ullrich's rendering of Hitler's final years is an essential addition to our understanding of the dictator and the course of the Second World War

Urbanism and Dictatorship Harald Bodenschatz, Piero Sassi, Max Welch Guerra, 2015-03-10 Der St dtebau der europ ischen Diktaturen in der ersten H lfte des 20 Jahrhunderts diente nicht nur der Herrschaftssicherung im eigenen Lande sondern auch der Anerkennung durch die demokratischen Staaten Nach der Macht bergabe an das nationalsozialistische Regime geriet er mehr und mehr zur Trumpfkarte im Wettbewerb unter den gro en Diktaturen Europas fast wie in der Zeit des Absolutismus Jenseits aller Konflikte und politischer Orientierungen bestand ein intensiver fachlicher Austausch unter den L ndern Europas Eine nur nationale Sichtweise auf die Diktaturen ist daher nicht hinreichend Der bergreifende Blick tr gt nicht nur dazu bei die Besonderheiten der jeweiligen Diktatur zu kl ren er weist auch manch vereinfachtes Verst ndnis von deren St dtebau zur ck Das ist keineswegs nur von historischem Interesse Die Auseinandersetzung mit Diktaturen ist immer auch Ausdruck unserer gesellschaftlichen Verh ltnisse unserer Erinnerungskultur unserer F higkeit alte und neue Formen von Diktatur zu erkennen auch heute Das Buch diskutiert den Stand der Forschung zum St dtebau von f nf Diktaturen der ersten H lfte des 20 Jahrhunderts und pr sentiert exemplarisch neue Forschungsergebnisse

Die Nutzlosigkeit des Eiffelturms Ursula Muscheler, 2008 **Hitler's Father** Roman

Sandgruber,2022-10-21 The bundle of 31 letters the pages of which had long yellowed with age had lain hidden in the attic where they were found for over a century Only when the razor sharp script was examined further did historians discover just who had written them and that person Alois was Adolf Hitler s father Born Alois Schicklgruber on 7 June 1837 the identity of his biological father still undisclosed Alois eventually became a civil servant in the Austrian customs service At around the age of 40 Alois changed his family name from Schicklgruber to Hitler his infamous son being born some eleven years later The contents of the re discovered letters have allowed the renowned historian and author Roman Sandgruber to reassess the image that we have of Alois offering the world a completely new and authentic impression of the man In Hitler s Father Sandgruber re examines Alois personality and how he significantly shaped the young Adolf The letters also shed further light onto the everyday life of the Hitler family as whole a story which is often characterized by myths inventions and assumptions They have given the author the opportunity to recount the childhood and youth of the future dictator painting a dramatic picture of the F hrer growing up These letters also help answer the question that is so often asked How could a child from an Upper Austrian province seemingly a failure and self taught rise to a position of such power Indeed Adolf Hitler s father and the province seemingly lay heavily on him until his suicide in the F hrerbunker in 1945 The author examines how the young Hitler s lowly upbringing may have affected him in the years that followed years which shaped the history of the whole world

Christianity in Hitler's Ideology Mikael Nilsson,2024-06-27 This ambitious study analyses Hitler s ideological relationship to Jesus and reconsiders the core beliefs of National Socialism **Hitler's Vienna** Brigitte Hamann,2000 An exploration of the critical formative years Adolf Hitler spent in Vienna this study is both a cultural and political portrait of the city and a biography of Hitler from 1906 to 1913 Photos and line illustrations **Hitler's Plans for Global Domination** Jochen

Thies,2014-09-01 What did Hitler really want to achieve world domination In the early twenties Hitler was working on this plan and from 1933 on was working to make it a reality During 1940 and 1941 he believed he was close to winning the war This book not only examines Nazi imperial architecture armament and plans to regain colonies but also reveals what Hitler said in moments of truth The author presents many new sources and information including Hitler s little known intention to attack New York City with long range bombers in the days of Pearl Harbor

Albert Speer Magnus Brechtken,2017-06-05 Das Ende einer Legende Speer und die L ge von der aufrichtigen Reue Seit 1931 NSDAP Mitglied und bald ein Vertrauter Hitlers wurde Albert Speer rasch zum Architekten des Rassenstaates Im Krieg engagierte er sich als R stungsminister unerm dlich f r den totalen Kampf und die Vernichtungsmaschinerie Gleichwohl behauptete er nach Kriegsende stets distanziert ja eigentlich unpolitisch und gar kein richtiger Nazi gewesen zu sein Magnus Brechtken zeigt wie es Speer gelang diese Legende zu verbreiten und wie Millionen Deutsche sie begierig aufnahmen um sich selbst zu entschulden Brechtken renommierter Zeithistoriker und stellvertretender Direktor des M nchner Instituts f r Zeitgeschichte beschreibt nicht nur wie markant Speers Stilisierung als angeblich unpolitischer Techniker den historischen Tatsachen widerspricht Auf der Basis
