## **Spanish Rehearsal An Eyewitness In Spain During The Civil War 1936 1939:**

*Spanish Rehearsal* Arnold Lunn, 1974      *Fighting For Franco* Judith Keene, 2007-02-10 One of the enduring myths of the Franco state was that the Nationalist forces that won the Civil War consisted of patriotic Spaniards while the Republic was defended by a rag tag army of foreign reds During the Spanish civil war however many groups on the European right were galvanized by the Nationalist cause European fascists conservative Catholics and those uneasy with liberal democracy in general rallied to the figure of Franco who appeared to be holding the line against secularism modernism and Bolshevism This book recounts the experiences of a number of foreign volunteers including the brigades of White Russians Romanians Irish and the French volunteers in the Jeanne d Arc battalion all of whom saw their engagement in Spain as a means of promoting their own political causes at home As well there were individual women and men from the New World and the Old who were moved by religion politics or simply adventurism to join up with Franco *Fighting for Franco* reconstructs their motivation and the mind set which took them to Spain It thus casts a new light on Nationalist Spain and on the specific concerns of a wide variety of right wing movements between the wars      **Professional Journal of the United States**

**Army** ,1975      *Teaching Representations of the Spanish Civil War* Noël Valis, 2007-01-20 It was the stuff of Capa Hemingway Orwell Picasso Rodoreda Sender and a host of others working in Catalan German Irish and Spanish from both sides of the Atlantic It is also very difficult to teach not only because the Spanish Civil War is perceived as the precursor to World War II but also because it has been heavily romanticized This collection of articles and resources cuts to the events and their real impact on history literature and the arts and includes commentary on contexts rhetoric ideology writing film music iconography and the visual memory and displacement This stands alone as a series of accounts of the ways the war was and is represented giving narratives of such elements as the memories of the Abraham Lincoln Brigade and the uses of allegory but it is also particularly valuable through its lists of resources and course syllabi      *Quarterly Review of Military Literature* ,1975      *Newsletter of the Society for Spanish and Portuguese Historical Studies* ,1969      **Military Review** ,1975      **Gonzalo de Aguilera Munro, XI Conde de Alba de Yeltes (1886-1965)** Luís Arias González, 2013-01-01

**Peninsular Identities, Transatlantic Crossings and Iberian Networks** Mark Gant, Siân Edwards, Susana Rocha Relvas, 2024-03-06 This volume promotes recent and innovative research in different areas of knowledge within the scope of Iberian studies contributing to the deepening and dissemination of this expanding research area This book makes available new approaches to the study of Iberian and Ibero American spaces and cultures with particular emphasis on Portuguese Galician Basque and Catalan identities produced in the aftermath of the Spanish Civil War and during dictatorship A considerable number of chapters discuss issues of memory reflecting the impact of the Historical Memory Law in Spain and its lively discussion in the public sphere Social mobilization and economic dynamics also play an important role in this

volume In addition transatlantic contacts with Portuguese and Spanish speaking countries are covered giving expression to the most recent trends in Iberian studies which is broadening its scope to exchanges and influences between the Iberian Peninsula and South America and Africa This volume will be of interest to students developing and established researchers and experts in Iberian studies     Subject Catalog Library of Congress,     The Spanish Civil War George R. Esenwein,2005-11-16 This exciting collection of primary sources on the Spanish Civil War uses military and political documents media accounts and contemporary propaganda to create a representative and illuminating survey of this enormously complicated event more than sixty five years after it ended Structured chronologically from a full introduction which delineates the field this book ranges from the origins of the uprising against Franco through to its turbulent aftermath It clearly outlines key points in the conflict and highlights the little known roles of race and gender in determining the war s outcome The book also unearths many rare sources for the first time and reveals the variety of perspectives held by those immediately involved in the war This is an ideal resource for all students of history and military history     *Gibraltar and the Spanish Civil War, 1936-39* Julio Ponce Alberca,2014-11-20 Incorporating local national and international dimensions of the conflict Gibraltar and the Spanish Civil War 1936 39 provides the first detailed account of the British enclave Gibraltar s role during and after the Spanish Civil War The neutral stance adopted by democratic powers upon the outbreak of the Spanish Civil War is well known The Non Intervention Committee played a key role in this strategy with Great Britain a key player in what became known as the London Committee British interests in the Iberian Peninsula however meant that events in Spain were of crucial importance to the Foreign Office and the victory of the Popular Front in February 1936 was deemed a potential threat that could drive the country towards instability This book explores how British authorities in Gibraltar ostensibly initiated a formal policy of neutrality when the uprising took place only for the Gibraltarian authorities to provide real support for the Nationalists under the surface The book draws on a wealth of primary source material some of it little known before now to deliver a significant contribution to our knowledge of the part played by democratic powers in the 1930s confrontation between Communism and Fascism It is essential reading for anyone seeking a complete understanding of the Spanish Civil War     *Los brigadistas de habla inglesa y la Guerra Civil española* Antonio Rodríguez Celada,Manuel González de la Aleja,Daniel Pastor García,2006     **Your Children Will be Next** R. A. Stradling,2008 Baghdad Kandahar Jakarta not to mention Dresden Hiroshima Hanoi the mass killing of civilians as collateral damage especially as the result of air bombardment represents one of the most emotional and ethically urgent issues in the contemporary world Many experts in the field see the civil war that tore apart Spain as the original site of this new kind of war as George Steer reporting on the bombing of Guernica christened it Your Children Will Be Next centers on the bombing of Getafe a small town south of Madrid shortly after that war s outbreak when Nationalist rebels advancing on the capital launched air raids on targets that unfortunately included this suburban township where thirty young children were killed The claims of the Republican

government produced not only the celebrated poster If You Tolerate This Your Children Will Be Next but also a worldwide propaganda campaign that stimulated support for the Spanish republic The core of this thought provoking book is a meticulous account of the alleged atrocity of Getafe that is presented as part of a wide ranging survey of both sides conduct in the matter as well as the reactions of politicians soldiers reporters writers and artists Appealing to anyone with an interest in European history as well as in the potent powers of media and propaganda Your Children Will Be Next is guaranteed to stimulate lively debate on a powerful and controversial topic      **Bulletin** Association for Spanish and Portuguese Historical Studies,1977      **Bulletin of reprints** ,1975      *Proceedings - United States Naval Institute* United States Naval Institute,1975-05      **United States Naval Institute Proceedings** United States Naval Institute,1975
