Spanish Romantic Literary Theory And Criticism:

Spanish Romantic Literary Theory and Criticism Derek Flitter, 2006-04-20 This study provides a fresh assessment of Spanish Romanticism through a sympathetic appraisal of its literary theory and criticism It identifies the origins of Spanish Romantic thought in the theories of German Romantic thinkers in particular Herder's historicism The range of reference from the articles of Bhl von Faber to the judgments made by Caete and Valera is counterpointed by the detail of close readings of books and articles published between 1834 and 1844 together with an examination of the ideas that informed the creative work of Fern n Caballero Derek Flitter's use of the history of ideas offers a corrective to the recent preponderance of political approaches to Spanish Romanticism countering their stress on its radical and liberal associations with a detailed demonstration that the majority of Spanish Romantic writers derived their inspiration from restorative traditionalist and Christian elements in their contemporaries theory and criticism

The Oxford Handbook of European Romanticism

Paul Hamilton, 2016 The Oxford Handbook of European Romanticism focuses on the period beginning with the French Revolution and extending to the uprisings of 1848 across Europe It brings together leading scholars in the field to examine the intellectual literary philosophical and political elements of European Romanticism The volume begins with a series of chapters examining key texts written by major writers in languages including French German Italian Spanish Russian Hungarian Greek and Polish amongst others Then follows a second section based on the naturally interdisciplinary quality of Romanticism encapsulated by the different discourses with which writers of the time set up an internal comparative dynamic These chapters highlight the sense a discourse gives of being written knowledgeably against other pretenders to completeness or comprehensiveness of understanding and the Enlightenment encyclopaedic project Discourses typically push their individual claims to resume European culture collaborating and trying to assimilate each other in the process The main examples featuring here are history geography drama theology language geography philosophy political theory the sciences and the media Each chapter offers original and individual interpretation of individual aspects of an inherently comparative world of individual writers and the discursive idioms to which they are historically subject Together the forty one chapters provide a comprehensive and unique overview of European Romanticism

[A Companion to European Romanticism](#) Michael Ferber, 2008-04-15 This companion is the first book of its kind to focus on the whole of European Romanticism Describes the way in which the Romantic Movement swept across Europe in the early nineteenth century Covers the national literatures of France Germany Italy Poland Russia and Spain Addresses common themes that cross national borders such as orientalism Napoleon night nature and the prestige of the fragment Includes cross disciplinary essays on literature and music literature and painting and the general system of Romantic arts Features 35 essays in all from leading scholars in America Australia Britain France Italy and Switzerland

[Encyclopedia of the Romantic Era 1760-1850](#) Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced

the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism European Literature from Romanticism to Postmodernism Martin Travers,2006-08-15 An anthology of key theoretical writings by the major representatives of the schools and movements of European literature Each chapter in this book is devoted to one particular school of movement from within a body of literature from romanticism realism and modernism through to the literature of political engagement of the 1920s and 1930s *The Cambridge History of Literary Criticism: Volume 5, Romanticism* George Alexander Kennedy,1989 The history of the most hotly debated areas of literary theory including structuralism and deconstruction **The Routledge Hispanic Studies Companion to Nineteenth-Century Spain** Elisa Martí-López,2020-09-24 The Routledge Hispanic Studies Companion to Nineteenth Century Spain brings together an international team of expert contributors in this critical and innovative volume that redefines nineteenth century Spain in a multi national multi lingual and transnational way This interdisciplinary volume examines questions moving beyond the traditional concept of Spain as a singular homogenous entity to a new understanding of Spain as an unstable set of multipolar and multilinguistic relations that can be inscribed in different translational ways This invaluable resource will be of interest to advanced students and scholars in Hispanic Studies **Romantic Poetry** Angela Esterhammer,2002-01-01 Romantic Poetry encompasses twenty seven new essays by prominent scholars on the influences and interrelations among Romantic movements throughout Europe and the Americas It provides an expansive overview of eighteenth and nineteenth century poetry in the European languages The essays take account of interrelated currents in American Argentinian Brazilian Bulgarian Canadian Caribbean Chilean Colombian Croatian Czech Danish English Estonian Finnish French German Greek Hungarian Irish Italian Mexican Norwegian Peruvian Polish Romanian Russian Serbian Slovak Spanish Swedish and Uruguayan literature Contributors adopt different models for comparative study tracing a theme or motif through several literatures developing innovative models of transnational influence studying the role of Romantic poetry in socio political developments or focusing on an issue that appears most prominently in one national literature yet is illuminated by the international context This collaborative volume provides an invaluable resource for students of comparative literature and Romanticism SPECIAL OFFER 30% discount for a complete set order 5 vols The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined

themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams Romantic Drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism's own self commentary in theoretical statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age

The Routledge Companion to the Hispanic Enlightenment Elizabeth Franklin Lewis, Mónica Bolufer Peruga, Catherine M. Jaffe, 2019-09-30 The Routledge Companion to the Hispanic Enlightenment is an interdisciplinary volume that brings together an international team of contributors to provide a unique transnational overview of the Hispanic Enlightenment integrating both Spain and Latin America Challenging the usual conceptions of the Enlightenment in Spain and Latin America as mere stepsisters to Enlightenments in other countries the Companion explores the existence of a distinctive Hispanic Enlightenment The interdisciplinary approach makes it an invaluable resource for students of Hispanic studies and researchers unfamiliar with the Hispanic Enlightenment introducing them to the varied aspects of this rich cultural period including the literature visual art and social and cultural history

Madrid's Forgotten Avant-Garde Silvina Schammah Gesser, 2016-04-01 This book explores the role played by artists and intellectuals who constructed and disseminated various competing images of national identity which polarized Spanish society prior to the Civil War The convergence of modern and essentialist discourses and practices especially in literature and poetry in what is conventionally called in Spanish letters The Generation of 27 created fissures between competing views of aesthetics and ideology that cut across political affiliation Silvina Schammah exposes the paradoxes facing Madrid's cultural vanguards as

they were torn by their ambition for universality cosmopolitanism and transcendence on the one hand and by the centripetal forces of nationalistic ideologies on the other Taking upon themselves roles to become the disseminators and populizers of radical positions and world views first elaborated and conducted by the young urban intelligentsia their proposed aim of incorporating diverse identities embedded in different cultural constructions and discourse was to have very real and tragic consequences as political and intellectual lines polarized in the years prior to the Spanish Civil War Madrid's Forgotten Avante-Garde Silvina Schammah Gesser,2015-07-09 Explores the role played by artists and intellectuals who constructed and disseminated various competing images of national identity which polarised Spanish society prior to the Civil War This title exposes the paradoxes facing Madrid s cultural vanguards *Ruin and Restitution* Philip W. Silver,1997 In this highly suggestive work Philip Silver confronts and corrects the entire critical tradition on Spanish romanticism and suggests a new restitutional theory of that period in Spanish cultural and political history **The Enlightenment in Iberia and Ibero-America** Brian Hamnett,2017-03-23 This book discusses responses to the challenges faced by two different Iberian imperial systems in their struggle to sustain territorial integrity and economic interests in the face of international competition During a so called period of Enlightened Despotism absolutist governments in Spain and Portugal sought to harness Enlightenment ideas to their policies of reform The Iberian Enlightenment however did not rely exclusively on government sponsorship it had existing foundations in sixteenth century Spanish humanism and subsequent attempts at reform and educated individuals in major cities frequently operated independently of government The Enlightenment contributed greatly to the availability of potential political solutions to the urgent matter of political status in the attempt to transform absolutist governments into constitutional systems and drawing in the process on the structures of medieval foundations contemporary revolutions or less radical constitutional monarchies or a combination of sources more closely aligned with Ibero American realities **The Literature of Misogyny in Medieval Spain** Michael Solomon,1997-11-13 An examination of two fifteenth century misogynist Iberian works **The Reception of Byron in Europe** Richard A. Cardwell,2004 Richard Cardwell was given the Elma Dangerfield Award of the International Byron Society for the best book on Byron in 2005 06 Byron arguably was and remains the most famous and infamous English poet in the modern period in Continental Europe From Portugal in the West to Russia in the East from Scandinavia in the North to Spain in the South he inspired and provoked was adored and reviled inspired notions of freedom in subject lands and with it the growth of national idealisms which soon would re draw the map of Europe At the same time the Byronic persona incarnate in Childe Harold Manfred Lara and others was received with enthusiasm and fear as experience demonstrated that Byron s Romantic outlook was two edged thrilling and appalling in the same moment All the great writers Goethe Mickiewicz Lermontov Almeida Garret Espronceda Lamartine among many others strove to outdo imitate revise and integrate the sublime Lord into their own cultures to create new national voices and to dissent from the old order The volume explores Byron s European

Geographies of Philological Knowledge Nadia R. Altschul, 2024-05-31 Geographies of Philological Knowledge examines the relationship between medievalism and colonialism in the nineteenth century Hispanic American context through the striking case of the Creole Andr s Bello 1781 1865 a Venezuelan grammarian editor legal scholar and politician and his lifelong philological work on the medieval heroic narrative that would later become Spain s national epic the Poem of the Cid Nadia R Altschul combs Bello s study of the poem and finds throughout it evidence of a colonality of knowledge Altschul reveals how during the nineteenth century the framework for philological scholarship established in and for core European nations France England and especially Germany was exported to Spain and Hispanic America as the proper way of doing medieval studies She argues that the global designs of European philological scholarship are conspicuous in the domain of disciplinary historiography especially when examining the local history of a Creole Hispanic

American like Bello who is neither fully European nor fully alien to European culture Altschul likewise highlights Hispanic America's intellectual internalization of coloniality and its understanding of itself as an extension of Europe A timely example of interdisciplinary history interconnected history and transnational study Geographies of Philological Knowledge breaks with previous nationalist and colonialist histories and thus forges a new path for the future of medieval studies *Spain in the nineteenth century* Andrew Ginger, Geraldine Lawless, 2018-05-10 Confronted by a complex new society nineteenth century Spaniards wrestled with how to envisage their lives From trying to be universal through to acting as a cultural entrepreneur this volume explores the possibilities and uncertainties that unfolded in their reconfigured world **The Cambridge History of Spanish Literature** David T. Gies, 2004 Publisher Description
