dependent sources On p 147 he relates that Aviles on his return from Florida to Spain in 1567 presented this relation to the King a statement which admits of the inference that Barrientos reproduced either in whole or in part the original relation written by Aviles himself In addition to this he has apparently consulted parts of the Aviles correspondence and finally he mentions several incidents which are omitted by Meras and Barcia About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
