

Spanish Armada

James McDermott

Spanish Armada:

The Spanish Armada Colin Martin, Geoffrey Parker, 1999 The Spanish Armada is a radical interpretation of why Philip II's Armada of 1588 failed so disastrously This new edition is based on a fresh examination of archival sources across Europe combined with the archaeological investigation of some of its wrecked ships off the coasts of Scotland and Ireland The new edition has been extensively revised to incorporate ten further years of research by the authors and others and is likely to remain the standard account for years to come [The Spanish Armada](#) Felipe Fernández-Armesto, 1988 The Spanish

Armada challenges that view On the 400th anniversary of the famous sea battle it offers a more balanced account of the confrontation between the Spanish and British naval powers than has previously been presented According to Felipe Fernandez Armesto the British did not defeat the Spaniards rather the event should be seen as a failure of the Armada to invade British territory Miles from home with many of its crew sick and fighting in stormy waters the Spanish fleet did well Fernandez argues not to be completely routed Further he says it reflects badly on the British not to have inflicted more damage on such a disadvantaged opponent *The Spanish Armada* Robert Hutchinson, 2014-06-10 Examines the

intelligence war behind the sea battles of 1588 to reveal lesser known factors that led to England's dramatic victory challenging popular theories to argue that the Spanish Armada was defeated by inclement weather and bad luck **The**

Spanish Armada David Anderson, 1988 Describes the religious and territorial conflict between England and Spain and discusses the events of 1588 when the Spanish Armada met the English navy in the English Channel **The Spanish**

Armada Jay Williams, 2015-10-28 In the summer of 1588 a great body of ships sailed from Spain on a Crusade to restore England to Catholicism The ensuing events brought a Spanish word armada into the English language and created a host of legends Intrepid English sea dogs in tiny ships it was said had bravely faced down towering Spanish galleons Finally a storm sent by a vengeful God wrecked most of that proud fleet on its way home Award winning author Jay Williams sheds new light on the traditional picture Although the English were superior sailors the two fleets were evenly matched Moreover the battle emerges as the high point of a four year cold war between England and Spain Only when set in the context of a Europe bitterly divided between Catholics and Protestants can the contest be fully understood The personalities of Queen Elizabeth I of England and King Philip II of Spain and their commanders especially Francis Drake are also key to this dramatic story

The Spanish Armada Felipe Fernández-Armesto, 1989 Drawing extensively on personal accounts this book gives a vivid picture of what it was like to fight this grueling war It describes the common experience and sufferings of those who took part on both sides the chaotic strategic preparations the muddled thinking of the higher command the frustration misery pain and fear in battle and of the hopeless struggle against the common enemy the appalling weather [The Armada](#) Garrett Mattingly, 2005 Chronicles events surrounding the 1588 defeat of the Spanish Armada and explains its effects on European history **You Wouldn't Want to Sail in the Spanish Armada!** John Malam, 2021-01-25 May 1588 You are a sailor in the

service of King Philip II of Spain and your country is about to send la felicissima armada Spanish for the most fortunate fleet to invade England your enemy The Spanish Armada is a fleet of ships and its mission is to land soldiers on English soil The invasion will be difficult and as you plot your course you will soon know if you would or wouldn't want to be in the Spanish Armada This title in the best selling children's history series You Wouldn't Want To features full colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history encouraging them to become emotionally involved with the characters and aiding their understanding of what life would have been like as a sailor in the Spanish Armada Informative captions a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14

The Enterprise of England John Roger Scott Whiting, 1988 *The Voyage of the Armada* David Armine Howarth, 1981 In May of 1588 on the order of Spain's King Philip 30 000 soldiers and sailors armed with arquebus and musket set out to sea A larger fleet had never before been assembled In the Voyage of the Armada David Howarth brilliantly conveys the drama of the Spanish Armada's progress and brings to life the personalities of the men who influenced its course from the dogmatic and irrational Philip II to Don Juan Martinez de Recalde to Don Pedro and Don Diego de Valdes who were cousins but also bitter enemies to the Spanish soldiers and sailors who unquestioningly ventured into unknown seas to confront their fates Basing his narrative on previously unexplored Spanish sources David Howarth shows that there is always another side to every conflict The Voyage of the Armada recounts the adventures of these brave men as they go from battles to storms to wrecks and then finally for the lucky ones return home 5 1 2 x 8 1 4 256 pages map

England and the Spanish Armada James McDermott, 2005-01-01 The Armada campaign pitted Europe's mightiest military power against Christendom's most powerful navy in a battle for different ideals of civilisation Both protagonists expected the clash to be decisive neither as it soon became apparent knew how to fight a battle whose scale and character were beyond the experience of anyone in the two fleets What ensued was not the heroic encounter of legend but an inconclusive affair redeemed for England by atrocious weather and poor Spanish understanding of the coastlines of western Scotland and Ireland

BOOK JACKET The Defeat Of The Spanish Armada Garrett Mattingly, 2011-05-31 Garrett Mattingly's thrilling narrative sets out the background of the sixteenth century European intrigue and religious unrest that gave rise to one of the world's most famous maritime crusades and the naval battles that decided its fate In putting the naval campaign of 1588 back into the context of the first great international crisis of modern history Mattingly builds up like the movements of a symphony a broad picture of how events of the time affected men's actions plans and hopes He brilliantly connects a series of scenes or episodes shifting the point of focus from England to the continent and from courts to ships and cities The feeling of tension mounts to a crescendo throughout Europe as the great drama of the Armada is approached The battle itself and the aftermath are so vividly and poignantly described that

they might be happening in our world today A rare and wonderful book as readable and exciting as a novel amazingly fresh and stimulating in its approach to a great subject and impressive for the wide range and authority of its scholarship J E Neale

The Spanish Armada Gillian Clements,2014 Brings alive some of the major events in British history **The Spanish Armada** Michael Lewis,1960 How the British fleet under Sir Francis Drake and Sir John Hawkins defeated the Armada in 1588 *The Spanish Armadas* Winston Graham,1972 For most people today the sixteenth century conflict between England and Spain consisted solely in the destruction of the Great Armada in 1588 by Drake Howard and the English weather These pages place that Armada in its true position as only the most spectacular of many attempts by the Spanish to conquer England and make it Catholic first by friendship then by the marriage of Philip to Mary Tudor and later by battle The book vividly summarizes the disruptive forces in Europe that through thirty years broke down the tradition of amity between England and Spain It shows how from the meeting in 1554 between Philip and Elizabeth the two maintained their respect for each other and a facade of peace long after the wish for peace had gone Although the clash of the two great fleets provides the central theme of this work it makes clear that the defeat of the First Armada did not mean the end of the Spanish navy but rather its beginning on new lines After 1588 England had only one other real success against Spain at Cadiz in 1596 Spain launched three more armadas Little known aspects of this extraordinary combat upon which so much of the later history of western Europe depended are strikingly brought to life in this book by a writer whose gifts as a storyteller and a scholar are very evident in this superb story of human hostility and passion Adapted from dust jacket The Spanish Armada, A. D. 1588 Thomas Lathbury,1840 **The Battle of the Spanish Armada 1588** Robert F. Marx,1965 Places the greatest naval battle between England and Spain in historical context and explains how the unexpected British victory changed the course of history **The Spanish Armada** Jay Williams,2017-01-04 In the summer of 1588 a great body of ships sailed from Spain on a Crusade to restore England to Catholicism The ensuing events brought a Spanish word armada into the English language and created a host of legends Intrepid English sea dogs in tiny ships it was said had bravely faced down towering Spanish galleons Finally a storm sent by a vengeful God wrecked most of that proud fleet on its way home Award winning author Jay Williams sheds new light on the traditional picture Although the English were superior sailors the two fleets were evenly matched Moreover the battle emerges as the high point of a four year cold war between England and Spain Only when set in the context of a Europe bitterly divided between Catholics and Protestants can the contest be fully understood The personalities of Queen Elizabeth I of England and King Philip II of Spain and their commanders especially Francis Drake are also key to this dramatic story **The Spanish Armada** Jay Williams,1966 *State Papers Relating to the Defeat of the Spanish Armada, Anno 1588* John Knox Laughton,1895

This is likewise one of the factors by obtaining the soft documents of this **Spanish Armada** by online. You might not require more epoch to spend to go to the book establishment as without difficulty as search for them. In some cases, you likewise accomplish not discover the publication Spanish Armada that you are looking for. It will completely squander the time.

However below, in imitation of you visit this web page, it will be suitably enormously simple to get as competently as download guide Spanish Armada

It will not acknowledge many times as we accustom before. You can get it even though take effect something else at house and even in your workplace. as a result easy! So, are you question? Just exercise just what we manage to pay for under as with ease as evaluation **Spanish Armada** what you similar to to read!
