Spared Angola Memories From A Cubanamerican Childhood:

Spared Angola: Memories from a Cuban-American Childhood Virgil Suarez, 1997-01-01 **Spared Angola** Memories from a Cuban American Childhood is a powerful and original first collection of autobiographical stories essays and poems The successful novelist here lays bare the makings of his conscience as a writer and human being detailing the psychological pressure of male expectations family gender battles emigration and adjusting to a new culture Hoping to spare their only child the fate of thousands of young Cubans conscripted to fight in the revolution in Angola Su rez s parents left Cuba unaware of the sentence destiny would impose instead Su rez s compelling piece invokes the agony and frustration borne of growing up in terminal exile and cultural limbo From anguish and turmoil the artist has wrought one of the most eloquent and commanding voices of contemporary American literature

Spared Angola Virgil Suárez, 1997 Cuban-American Literature of Exile Isabel Alvarez-Borland, 1998 The Cuban revolution of 1959 initiated a significant exodus with more than 700 000 Cubans eventually settling in the United States This community creates a major part of what is now known as the Cuban diaspora In Cuban American Literature of Exile Isabel Alvarez Borland forces the dialogue between literature and history into the open by focusing on narratives that tell the story of the 1959 exodus and its aftermath Alvarez Borland pulls together a diverse array of Cuban American voices writing in both English and Spanish often from contrasting perspectives and approaches over several generations and waves of immigration Writers discussed include Guillermo Cabrera Infante Reinaldo Arenas Roberto Fernandez Achy Obejas and Cristina Garcia The author s analysis of their works uncovers a movement from narratives that reflect the personal loss caused by the historical fact of exile to autobiographical writings that reflect the need to search for a new identity in a new language to fictions that dramatize the authors constructed Cuban American personae If read collectively she argues these sometimes dissimilar texts appear to be in dialogue with one another as they all document a people s quest to reinvent themselves outside their nation of origin Cuban American Literature of Exile encourages readers to consider the evolution of Cuban literature in the United States over the last forty years Alvarez Borland defines a new American literature of Cuban heritage and documents the changing identity of an exiled literature

Identity, Memory, and Diaspora Jorge J. E. Gracia, Lynette M. F. Bosch, Isabel Alvarez Borland, 2009-01-08 This fascinating volume contains interviews with nineteen prominent Cuban American artists writers and philosophers who tell their stories and share what they consider important for understanding their work Struggling with issues of Cuban American identity in particular and social identity in general they explore such questions as how they see themselves how they have dealt with the diaspora and their memories what they have done to find a proper place in their adopted country and how their work has been influenced by the experience Their answers reveal different perspectives on art literature and philosophy and the different challenges encountered personally and professionally The interviews are gathered into three groups nine artists six writers and four philosophers An introductory essay for each group is included and the interviews are accompanied by brief

biographical notes along with samples of the work of those interviewed Ethnic American Literature Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American Asian American Latino a and Native American literary traditions among others The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non European descent and highlighting the ethnic diversity of works from the colonial era to the present The work features engaging topics like the civil rights movement bilingualism assimilation and border narratives Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison Maxine Hong Kingston Maya Angelou Sherman Alexie A Raisin in the Sun American Born Chinese and The House on Mango Street The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel African American young adult literature Mexican American autobiography and Cuban American poetry **Impossible Returns** Iraida H. Lopez, 2018-03-19 In this one of a kind volume Iraida Lopez explores various narratives of return by those who left Cuba as children or adolescents Including memoirs semi autobiographical fiction and visual arts many of these accounts feature a physical arrival on the island while others depict a metaphorical or vicarious experience by means of fictional characters or childhood reminiscences As two way migration increases in the post Cold War period many of these narratives put to the test the boundaries of national identity Through a critical reading of works by Cuban American artists and writers like Mar a Brito Ruth Behar Carlos Eire Cristina Garc a Ana Mendieta Gustavo Prez Firmat Ernesto Pujol Achy Obejas and Ana Men ndez Lopez highlights the affective ties as well as the tensions underlying the relationship between returning subjects and their native country Impossible Returns also looks at how Cubans still living on the island depict returning migrants in their own narratives addressing works by Jes s D az Humberto Sol s Carlos Acosta Nancy Alonso Leonardo Padura and others Blurring the lines between disciplines and geographic borders this book underscores the centrality of Cuba for its diaspora and bears implications for other countries with widespread populations in exile Four Books, One Latino Life Ignacio F. Rodeño Iturriaga, 2021-02-19 Acclaimed by many as one of the most gifted essayists and stylists in American letters these last few decades Richard Rodriguez has left an indelible imprint on the tradition of autobiographical writing of the nation Rode o s study of the four installments of Rodriguez s self writing offers an insightful and perspicacious analysis of the evolution and the most controversial elements in this Chicano writer s production so far Delving deeply into issues of racial and ethnic identity sexual orientation religious background various types of hybridity and different forms of socio cultural adaptation this book presents all kinds of incisive observations about the contested spaces that minority self writers are often pushed to occupy in the American tradition of the genre Culture and Customs of Angola Adebayo O. Oyebade, 2006-11-30 Angola has been brutalized by the civil war which only ended in 1992 The war s

adverse effect on every facet of Angola's post independence life is clearly evident in the range of topics covered in this volume. The human cost of the war can be counted in the enormous loss of life and large scale population displacement and in the continued postwar deaths and serious injuries inflicted by mines. The war also severely stunted economic growth and the development of necessary social services. However, since the end of the war, Angola is slowly progressing. Many people have returned to their homes to continue their life. The task of rebuilding has been greatly assisted by humanitarian aid. Readers will learn about the nearly 100 ethnolinguistic groups and their various ways of life. Oyebade shows how religion defines the cultural character of the country. Christianity, the dominant religion, is portrayed as more urban based, popular among the educated elite and middle class. Indigenous religious practices, still popular particularly in the rural areas, are covered as well. Oyebade celebrates the prolific Portuguese language literary output and the skilled Angolan artists. Discussion of the traditional foods, ceremonies, music and dance, and more rounds out the coverage.

Democracy and Time in Cuban Thought María de los Ángeles Torres, 2024-01-30. In this analysis of political discourse in Cuban culture, María de los Angeles Torres focuses on how the concept of time has been employed by different political projects, arguing that an emphasis on human actions in the present is important for a democratic political culture.

Reading U.S. Latina Writers A. Quintana, 2003-03-18. This essential teaching guide focuses on an emerging body of literature by U.S. Latina and Latin American women writers. It will assist non-specialist educators in syllabus revision, new course design, and classroom presentation. The inclusive focus of the book, that is combining both U.S. Latina and Latin American women writers, is significant because it introduces a more global and transnational way of approaching the literature. The introduction outlines the major historical experiences that inform the literature, the important genres, periods, movements, and authors in its evolution, the traditions and influences that shape the works, and key critical issues of which teachers should be aware. The collection seeks to provide readers with a variety of Latina texts that will guarantee its long-term usefulness to teachers and students of pan American literature. Because it is no longer possible to understand U.S. Latina literature without taking into consideration the histories and cultures of Latin America, the volume will, through its organization, argue for a more globalized type of analysis which considers the similarities as well as the differences in U.S. and Latin American women's cultural productions. In this context, the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women's literature.
