sexually violent murder of Meredith Kercher in Perugia Italy became a media sensation when Kercher s housemate Seattle native Amanda Knox and her Italian boyfriend were arrested and charged with the murder The story drew an international cult obsessed with Foxy Knoxy a pretty honor student on a junior year abroad who either woke up one morning into a nightmare of superstition and misogyny the dark side of Italy or participated in something unspeakable The Fatal Gift of Beauty is Nina Burleigh s literary investigation of the murder the prosecution and the conviction and twenty six year sentence of Knox But it is also a thoughtful compelling examination of an enduring mystery an ancient storied place and a disquieting facet of Italian culture an obsession with female sexuality *Bent Pages* Anne Hope,2021-04-13 A psychiatrist friend once told me that he could gain a good understanding of how people become the individuals they are merely by having them write down their ten earliest memories And if he could then get those same people to write down their top ten most important decisions they have made in their lives he felt he could gain a keen insight into what decisions they might need to make in the future to change the course of their lives for the better I set out to examine those very memories and decisions for myself in *Bent Pages* From the time I was a child one of my habits that drove others in my family crazy was to bend the corner of a page down on a book I was reading if it contained information I wanted to remember and look back on It was easy to tell which books I had read and had been inspired by there would be many bent corners This book is a snapshot of the bent corners of pages in my life that have inspired and taught me They are moments I never want to forget even if painful They have made me who I am And I would not change that for the world But looking back can be a risk It can be painful It can dredge up things that you never wanted to think about again But change is a decision and I desperately wanted to change and make decisions wisely even if it meant examining parts of my history that were painful or blurry To my delight many memories also brought laughter and a new sense of appreciation for the difficulties we all face when growing up We start out as children with it being all about me and we view our microcosms only through those myopic child like eyes Yet as we grow and mature we are often able to view those experiences and the people involved in a whole new light sometimes even as unexpected blessings God wired me specifically with certain talents abilities and personality traits when he knit me together in my mother s womb I have purpose I can make an impact I long to fulfill my role in his plan for history I have discovered that I can make a difference one person at a time beginning with me I have learned that God is indeed in control even when life seems chaotic I have learned that when I try to take back control of my life from God I forfeit faith I have learned that even one person one decision one act of obedience can catapult a life of insecurity and despair to ultimate joy peace and fulfillment in Christ Lastly I have learned that I get to choose how I want to view those events that affected my life I can choose to be a victim I can choose to be angry Or I can choose to be a victor a person who chooses joy in seeing the gracious hand of God creating a beautiful symphony to share with others I want to sing Him a love song my life the melody At times this book is emotionally raw and heart breaking and at times it will make you laugh out loud welcome to the adventure

Stranded in Alpine Falls Kathryn Kaleigh, 2024-12-26 Just days

before Christmas Tabitha Owens heads home hoping to mend her broken heart after losing both her job and her boyfriend. But when an unexpected snowstorm sweeps through the mountains she takes refuge in the quaint town of Alpine Falls far from where she intended to spend her holidays. Christopher Flynn a local helicopter pilot is happy to lend a hand to stranded travelers especially when it means welcoming someone as intriguing as Tabitha to his family's lodge. Mistaking him for just another member of the Alpine Falls staff Tabitha has no idea he's one of the owners and Christopher is perfectly fine with keeping that secret a little longer. As snow blankets the town and festive lights twinkle through frosted windows Tabitha and Christopher find themselves drawn together by undeniable chemistry. With the warmth of the season surrounding them and Alpine Falls holiday magic in full swing they set aside past disappointments and complications to make room for a love that just might be their happily ever after. Will a snowbound Christmas in Alpine Falls and perhaps a little ghostly guidance turn an unexpected stop into the start of forever?

No way. This is way too personal for me to go out and publish. I told my sister, "Why not?" You don't know how many people would pay to read about real life drama, she said. So I contemplated it and here we are. Writing about my early life helped me process a lot mentally and grow and I'm hoping it also helps others know it's okay to speak about mental health and abuse and share with others the things you stored in your mind. Growing up with all these obstacles helped me learn that there's more for us and you never know what someone is going through. I've always wanted to publish books so this is basically where I am starting. Yes, this book may be dark or funny or dramatic. I hope you enjoy it. Thank you.
