The Seer AR Curtis, A Readers Favorite 5 Star Novel One of the best must read fantasy books of the year this paranormal urban fantasy had me up until three in the morning Anthony Robertson Editor Ellmaxx Publishing Curtis uses the concept of the Red a veil between the physical and spiritual planes to bring a tense almost frightening atmosphere to *The Seer* It is magnificent Caitlin Lyle Farley Readers Favorite Forbidden magic dark creatures and the supernatural Emily Hunts is no ordinary witch She s not a true Hunts either having been left here as an infant No one knows about the things she sees nymphs and fairies mythical creatures and vampires that lurk on the other side of red where an epic world of darkness order and castles exists From this place the one person she trusts the most escapes to see her Yet he is not who she thinks he is Every night he visits in shadow tutoring her in forbidden magic Then one night everything changes And she s taken to the other side of red As she discovers clues about her legendary birthright she finds it impossible to escape this supernatural realm alive The epic adventure is just beginning Look for book 2 *The Angel* See what readers and editors are saying an epic magical adventure into darkness plot wise it reminded me of *The Phantom of the Opera* A R Curtis crafts a lush narrative that weaves in a strong and convincing lore of magical powers as well as a mythology of darkness and the other side that was very exciting to read about K C Finn Readers Favorite *The Seer* is a very magical and interesting trip through a wonderful world of fantasy that intertwines all the mystical and mythological beings such as fairies vampires witches wizards and demons Curtis has taken the ideas hiding in legend myth and fantasy and laced them together in a story line that continuously unfolds to something new From fairies to mermaids and talking trees Amy Raines Readers Favorite mythical beings spirits and shadows creatures legends and fears Secrets fear truth revelation and magic weave an enchantment over the reader to keep them turning page after page J J Simmill Readers Favorite Harry Potter esque air of magic Caitlin Lyle Farley Readers Favorite a fascinating alternate universe with well imagined characters Davida De La Harpe Fascinating and interesting evocative piece of fiction P Bunke Editor Wow what an amazing read Love the way the author pulled me into the story Definitely worth the time to read Melinda Lois Loved this book so much I couldn t put it down I would recommend it to anyone who loves a great read Amy Dalton I loved this book all the way to the end riveted my attention I didn t want to put the book down J Russell Loved *The Seer* can t wait to read book two S Neal Loved it could not put it down Dianne Lawson Author and Editor *Fiery Winds of Chaos* Juli Hamlin,2022-08-01 WATER dripped from the next cell over and faint screams echoed off the walls of the dungeon corridor

Rats squeaked and scurried outside the cell door but were too plump to fit through the gap between the cold stone floor and iron band holding together the rotten wooden planks of the door Weak torch light from the hall filtered into the room from the iron grate at the top of the door but it failed to illuminate the straw littering the chipped and pitted stone floor Being musty and dank it did little to alleviate the cold for the one who huddled upon it Sitting in the corner on the thickest pile of worn out straw Salina shivered arms wrapped around her drawn up knees Unable to see the sun in this underground pit of terror agony and unimaginable misery she wasn't sure how long she'd been here Nine months Ten Had a year passed already since being knocked out and bound then dragged here Everyone else who'd arrived at the same time had long since been released from their pain and misery for Death had come for them But not her Because of her cursed healing ability Death never even looked her way If this kept up if no one came for her and Death continued avoiding her she could only imagine what her future held Lifting her head to glance at the faint light seeping into the cell she murmured Death be a dark knight and save me Please In a land rife with strife and overrun with evil the Fates are hard pressed to find someone with enough strength courage and mental fortitude to champion their cause Someone who possessed not only a will of iron to stand up for what is right no matter who might oppose him but also the compassion and mercy needed to make a difference in the lives of the common people So when a half breed dragon mage appears with the ability to sense evil they know they've found their man But in a land torn apart by war and attacked by vicious creatures of the Underdark can Callidor Blackfury with his inhuman looks tainted blood and hellsteed mount convince anyone to let him help And if so can one man alone even with the magic powers bestowed by his mixed heritage and dual nature be enough to combat the forces of evil Not only on the battlefield but on the home front as well It won't be easy He is going to need help A select few an elite group that has the strength skill and resolve to do whatever it takes to wipe out darkness in all its vile forms to protect those who cannot protect themselves and to save those who sit in hopeless darkness with pain and misery their only companions Yes with the right men and plenty of resources the forces of evil just met their match

Political Anxiety in Golden Age Children's Classics and Their Contemporary Adaptations Jasmin Sültemeyer, 2021-07-05 As striking counter intuitive and distasteful as the combination of children and anxiety may seem some of the most popular children's classics abound in depictions of traumatic relationships bloody wars and helpless heroes This book draws on Freudian and Lacanian anxiety models to investigate the psychological and political significance of this curious juxtaposition as it stands out in Golden Age novels from both sides of the Atlantic and their present day adaptations The stories discussed in detail so the argument goes identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle class identity Apart from its audacious link between psychoanalysis and Marxist feminist as well as postcolonial ideology criticism this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and trans national identities In doing so it offers a fresh look at beloved tales like Alice's Adventures in Wonderland The Wizard of Oz and Peter Pan

contributes to the dynamic field of adaptation studies and highlights the necessity to approach children's entertainment more seriously and more sensitively than it is generally the case
