*Performing Shakespeare's Women* Paige Martin Reynolds,2018-12-13 Shakespeare s women rarely reach the end of the play alive Whether by murder or by suicide onstage or off female actors in Shakespeare s works often find themselves playing dead But what does it mean to play dead particularly for women actors whose bodies become scrutinized and anatomized by audiences and fellow actors who grossly gape on In what ways does playing Shakespeare s women when they are dead emblemize the difficulties of playing them while they are still alive Ultimately what is at stake for the female actor who embodies Shakespeare s women today dead or alive Situated at the intersection of the creative and the critical *Performing Shakespeare's Women Playing Dead* engages performance history current scholarship and the practical problems facing the female actor of Shakespeare s plays when it comes to playing dead on the contemporary stage and in a post feminist world This book explores the consequences of corpsing Shakespeare s women considering important ethical questions that matter to practitioners students and critics of Shakespeare today **Sexual Content in Young Adult Literature** Bryan Gillis,Joanna Simpson,2015-02-10 Though discussing sexual material in novels aimed at the young adult market may make some individuals blush the authors of such fiction often seek to represent a very real component in the lives of many teens Unfortunately authentic and teen relatable information on healthy adolescent sexuality is not readily available and sex

education classes have had a minimal effect on positive sexual identity development. Consequently, young adult literature that contains sexual elements can play a critical role in addressing the questions and concerns of teens. In *Sexual Content in Young Adult Fiction: Reading between the Sheets*, Bryan Gillis and Joanna Simpson examine sexual material in canonical historical, dystopian, romantic, and realistic contemporary fiction for teens. The authors begin with an exploration of sexual identity development and discuss the constructive influence that realistic representations of teen sexual behavior can have on that development. The authors provide a myriad of texts and examples that will help parents, teachers, and librarians better understand the positive role that sexual content in YA fiction can play in the socio-emotional and academic development of adolescents. The book concludes with an overview and analysis of censorship in the world of young adult fiction. In addition to providing a survey of sexual content in young adult literature, this book can help inspire adults to facilitate effective and responsible discussions about young adult fiction that contains sexual material. Featuring a novel cited and works cited bibliography, *Sexual Content in Young Adult Fiction* is an important resource that parents and educators will find particularly valuable.
