The Guide To Selecting Plays 1997 1999:

The Guide to Selecting Plays, 1997 The Guide to Selecting Plays Samuel French Limited, Samuel French Ltd, 2000
This detailed guide to selecting plays offers information on over 2000 plays available for amateur performance. It gives information on cast details and also supplies synopses of the plays themselves. The guides are renewed every three years. This is the 1997 to 1999 edition. Collection of Plays Ca. 1870-1914, 1896 Shakespeare's History Plays A. J. Hoenselaars, 2004-09-23. This volume with a foreword by Dennis Kennedy addresses a range of attitudes to Shakespeare's English history plays in Britain and abroad from the early seventeenth century to the present day. It concentrates on the play texts as well as productions, translations and adaptations of them. The essays explore the multiple points of intersection between the English history they recount and the experience of British and other national cultures establishing the plays as genres not only relevant to the political and cultural history of Britain but also to the history of nearly every nation worldwide. The plays have had a rich international reception tradition but critics and theatre historians abroad, those practising foreign Shakespeare, have tended to ignore these plays in favour of the comedies and tragedies. By presenting the British and foreign Shakespeare traditions side by side, this volume seeks to promote a more finely integrated world Shakespeare. **Growing and Knowing: A Selection Guide for Children's Literature** Mary Trim, 2005-04-25.
