Cordesman, 2019-09-06 This book provides an extensive military and strategic analysis of the Gulf and the Arabian Peninsula assessing the regional military balance the internal security and stability of each Gulf nation the evolution of each nation's forces from 1969 into 1983 and the impact of defense spending and Western and Soviet bloc arms sales in the region Comprehensive statistics are provided on arms transfers to each country since 1969 and on the forces each nation is capable of deploying in the Gulf

The Gulf and the Search for Strategic Stability Anthony H Cordesman, 2021-06-02 This book provides an extensive military and strategic analysis of the Gulf and the Arabian Peninsula assessing the regional military balance the internal security and stability of each Gulf nation the evolution of each nation's forces from 1969 into 1983 and the impact of defense spending and Western and Soviet bloc arms sales in the region Comprehensive statistics are provided on arms transfers to each country since 1969 and on the forces each nation is capable of deploying in the Gulf

Politics of Confrontation Babak Ganji, 2006-04-28 Did the United States know more than it acknowledges about growing unrest under the Shah in mid 1970s Iran Have historians of American Iranian relations focused too narrowly on prevailing historical theory and personal recollection In a period of escalating tension between the United States and Iran what can the two nations history of conflict tell us about their diplomatic future Covering Carter's policy from the end of the Shah's reign to the revolution under Ayatollah Khomeini Babak Ganji explores the nature of their perpetually antagonistic relations and the mistrust and misunderstanding that fuels it *Politics of Confrontation* is a penetrating critique of international relations theory within the historical framework of US Iranian relations as well as a thorough examination of American policy towards Iran It is the first in depth look at documents seized by revolutionary students from the American Embassy during the infamous hostage crisis and debunks the myth that US officials were unaware of the nature of opposition to the Shah or of Soviet influence on senior clerics These findings are an essential addition to the discourse of foreign policy theorists and invaluable for historians of the US Iran and the Cold War

Kuwait's Foreign Policy Abdul-Reda Assiri, 2019-04-10 This book assesses the dynamics of Kuwaiti foreign policy since 1961 and explores the role of Kuwait as a small state in international politics It analyzes the impact of ideology religion and value systems on Kuwaiti foreign policy as well as the impact of domestic forces on political actors

United States Foreign Policy and the Middle East/North Africa Sanford R. Silverburg, Bernard Reich, 2015-07-16 This bibliography first published in 1990 is a result of a quarter century professional and personal relationship between two academics interested in Middle East studies The comprehensive bibliography consists of western primarily English language sources published through 1988 and early 1989 concerning foreign policy toward the Middle East and North Africa during the twentieth century Included are materials that deal directly with the topic material that has appeared in published form ie books monographs essays and articles Also included are some non published items most importantly American and British doctoral dissertations and master

s theses **The Iran-Iraq War** Efraim Karsh,1989-07-03 The Iran Iraq War which ended in the summer of 1988 a month short of its eighth anniversary is undoubtedly the Third World s longest and bloodiest conflict in a half century As such its lessons and implications extend beyond the geographical confines of the Middle East Bringing together Israeli American and European specialists from the fields of Middle East history international relations strategy and economics this book offers the first comprehensive post bellum analysis of the impact and implications of the Iran Iraq war The book starts with an examination of the war s impact on the domestic and foreign affairs of the two belligerents continues with a discussion of the political ramifications of the war in both the regional and the global spheres and concludes by analysing the economic military and strategic implications American Alliance Policy in the Middle East, 1945-1992 John P. Miglietta,2002-01-01 American Alliance Policy in the Middle East provides a stimulating new look at a U S Cold War foreign policy gripped by anticommunist paranoia Through case studies of America s relationships with Iran Israel and Saudi Arabia John P Miglietta reveals how an overriding fear of global communism led to the overcommitment of U S security resources to the region The perceived need to preserve Middle East stability rendered U S policy ineffectual and unresponsive to changing local conditions drastically altering the patron client paradigm to the detriment of American strategic interests This superb analysis of American foreign policymaking illustrates how Cold War anticommunist ideology prevented the evolution of traditional military alliances into broader based relationships and perpetuated authoritarian regimes that mired the Middle East in a cycle of poverty and despotism The USSR and Iraq Oles M. Smolansky,1991 In The USSR and Iraq the first major study of Soviet Iraqi relations Oles M Smolansky examines the history of the relationship between these two countries during the past twenty years and attempts to dispel the misconception that the Soviet Union has enjoyed undue influence over Iraq Drawing on ten years of research in Western Arab and Soviet sources Smolansky analyzes the complex issues at the center of Soviet Iraqi relations from 1968 through 1988 including the nationalization of the oil industry the Kurdish question the Iraqi Communist Party the affairs of the Persian Arabian Gulf and ultimately the war between Iraq and Iran Smolansky concludes that Iraq has never been under the dominant influence of Moscow nor has it even been a loyal Soviet ally In fact Iraq has managed to reap major benefits from the relationship without losing its autonomy or sacrificing its major interests The author discusses the Soviet Union and Iraq within the larger framework of the nature of influence relationships between great and small powers **Air University Library Index to Military Periodicals** ,1992 **The Kingdom of Saudi Arabia** David E Long,Sebastian Maisel,2010-09-26 This second edition has been thoroughly revised and updated and includes new chapters on tradition and modernity and on Islam and society It features extensive analysis of the substantial political economic and social changes that have taken place in the past ten years including 9 11 the U S war on terror the Saudi war on terror oil pricing and technological advancements Middle Eastern Monarchies Anna Sunik,2020-08-03 The monograph explores the dynamics of ingroup identity in the foreign policy making of Middle Eastern monarchies from the

evolution of the regional system after the World Wars until the present Utilising an innovative theoretical framework that combines Foreign Policy Analysis in the context of authoritarian regimes and Social Identity Theory the book theorizes the origins and inner workings of a monarchic peace among hereditary regimes in the Middle East including the Gulf monarchies as well as Jordan and Morocco While the phenomenon of the democratic peace is well established in political science this book argues that like the examined monarchic peace it is in fact a sub case of a broader Similar Political Systems Peace SPSP The theory posits that monarchies do not wage war against each other because they recognize each other as members of the same ingroup which allows for other mechanisms of conflict resolution behaviour that is allowed against outsiders might be prohibited against members of the same club or family The theory is illustrated with numerous case studies that look at overall regional dynamics as well as four crucial cases of monarchic interstate conflict Bahraini Qatari relations the Saudi Hashemite rivalry and the relations between Kuwait and Iraq and Iran and the UAE This in depth account of the foreign policies and community connecting Middle Eastern monarchies will be of interest to readers in international relations authoritarianism studies Middle East and Persian Gulf politics

The Atlantic Alliance and the Middle East Joseph I Coffey, Gianni Bonvicini, 2016-01-01 Annotation This work attempts to define the interests of members of the Atlantic Alliance with regard to the Middle East to indicate some of the threats that may arise to outline the most important military and political factors and describe the institutional structures relationships and procedures which will also affect decisions on the use of force

Western Strategic Interests in Saudi Arabia (RLE Saudi Arabia) Anthony Cordesman, 2020-07-26 Saudi Arabia's strategic relations with the West involve clear and direct common strategic interests in the Gulf and in the Near East While they compete in terms of trade and oil prices they share a common commitment to private enterprise and to maintaining a stable balance of world trade Saudi Arabia often differs with given Western states in terms of specific strategic interests and tactics but these differences are rarely significant enough to prevent close cooperation Even the differences over the Arab Israeli peace issue are largely ones of timing and tactics Saudi Arabia must preserve friendly relations with Syria and is vulnerable to attacks by Arab radicals and Iran It has also differed with the US over the specific approach that should be taken to achieving an Arab Israeli peace settlement but it has consistently pushed for a peace settlement within the Arab world This book first published in 1987 analyses the interrelations between Western and Saudi strategic concerns and argues forcibly that pressure from the Israeli lobby within US domestic politics must not be allowed to interfere within the proper provisioning of the Saudi armed forces especially the air force

Iran, Iraq, and the Legacies of War L. Potter, G. Sick, 2004-11-12 Iraq and Iran are the two most important states in the Gulf region given their population size military strength and the potential threat they pose to other states in the region This book enhances our understanding of the troubled relationship between Iran and Iraq placing it in historical context examining the rapid deterioration leading to the eight year war that started in 1980 and the effects of that trauma and exploring the ongoing issues that currently bedevil

bilateral relations The authors cover such central issues as how each side has sought to use opposition groups in the other state to weaken its ethnic divisions the role of outside states especially the United States and a fascinating account of how the war affected a generation of Iraqis and Iranians The role of the U S in the region and how U S policy has affected the two states are also considered This book provides a basis for understanding the background of a tumultuous relationship that is entering a new era

Russia and the GCC Diana Galeeva, 2022-12-29 In recent decades Russia has played an increasingly active role in the Middle East as states within the region continue to diversify their relations with major external powers Yet the role of specific Russian regions especially those that share an Islamic identity with the GCC has been overlooked In this book Diana Galeeva examines the relations between the Gulf States and Russia from the Soviet era to the present day Using the Republic of Tatarstan one of Russia's Muslim polities as a case study Galeeva demonstrates the emergence of relations between modern Tatarstan and the GCC States evolving from concerns with economic survival to a rising paradiplomacy reliant on shared Islamic identities Having conducted fieldwork in the Muslim Republics of Tatarstan Bashkortostan and Dagestan the book includes interviews with high ranking political figures heads of religious organisations and academics Moving beyond solely economic and geopolitical considerations the research in this book sheds light on the increasingly important role that culture and shared Islamic identity play in paradiplomacy efforts

A History of Saudi Arabia Madawi al-Rasheed, 2010-04 This new edition covers the political economic and social developments in Saudi Arabia since 9 11 to the present day

The United States And Saudi Arabia David E. Long, 2019-07-11 U S Saudi relations have been marked by ambivalence since their inception over 50 years ago The Arab Israeli conflict the division between buyer and seller of oil the superpower small state dichotomy and the divergence of cultures traditions and perceptions have all contributed to the anomalies that have marked the relationship between the two countries although mutual interest has over time outweighed mutual antagonism Dr Long examines the major factors affecting their association economic commercial military and political as well as oil related factors and develops the thesis that each has evolved a unique internal dynamic and an existence independent of the others It is primarily in times of crisis that the factors have overlapped in the minds of decision makers Saudi and American alike The author argues that a knowledge of the development of each individual element is crucial for understanding the intricacies of current U S Saudi relations

Bricks, Sand, and Marble: U.S. Army Corps of Engineers Construction in the Mediterranean and Middle East, 1947-1991 (Paperback) Donita M. Moorhus, Robert P.

Grathwol, CMH Pub 45 2 1 U S Army in the Cold War Traces the activities of American military engineers from the reconstruction that began in Greece after World War II through the construction of air bases in North Africa the massive building program in Saudi Arabia and support for the liberation of Kuwait in 1991 The history provides a background of the present role and position of the United States in that vital region

Bricks, Sand, and Marble Robert P. Grathwol, Donita M. Moorhus, 2009 Synopsis The work of the U S Army Corps of Engineers in military construction in the Mediterranean Basin

and the Middle East created the infrastructure that made the U S policies of deterrence and containment possible This work included not only construction in support of the U S Army and U S Air Force in these areas but also work executed on behalf of Middle East allies paid for with funds they provided This book traces the activities of American military engineers from the reconstruction that began in Greece after World War II through the construction of air bases in North Africa the massive building program in Saudi Arabia and support for the liberation of Kuwait in 1991 The history provides a background of the present role and position of the United States in that vital region

Saudi Arabian Foreign Relations René

Rieger,2016-08-12 In recent decades Saudi Arabia has committed itself to playing the part of mediator in intra national and international conflicts in the greater Middle East region Examples include the two Saudi introduced Arab Peace Initiatives of 1982 and 2002 mediation attempts between Algeria and Morocco in the West Sahara conflict Iraq and Syria during the Iran Iraq War and Iran and Iraq towards the end of their military conflict Saudi Arabian Foreign Relations provides a new insight to current studies on Saudi foreign policy and mediation in international relations The book offers a detailed analysis of Saudi Arabia s intermediary role in the intra state conflicts in Yemen Lebanon and the Palestinian territories and the successes and limitations of each Additionally it provides an updated examination of Saudi Arabia s role towards resolution of the larger Arab Israeli conflict Saudi Arabian Foreign Relations contributes to a far deeper understanding of Saudi foreign policy and therefore will be of great interest to students and scholars of Middle East Politics and International Relations

The Gulf And The Search For Strategic Stability Introduction

In today's digital age, the availability of The Gulf And The Search For Strategic Stability books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Gulf And The Search For Strategic Stability books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Gulf And The Search For Strategic Stability books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Gulf And The Search For Strategic Stability versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Gulf And The Search For Strategic Stability books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Gulf And The Search For Strategic Stability books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Gulf And The Search For Strategic Stability books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, The Gulf And The Search For Strategic Stability books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
