

THE Gunfighter

Man or Myth?

JOSEPH G. ROSA

The Gunfighter Man Or Myth

Clare V. McKanna

The Gunfighter Man Or Myth:

The gunfighter Joseph G. Rosa,1979 **The Gunfighter** ,1969 Age of the Gunfighter Joseph G. Rosa,1995 Joseph G Rosa s vivid and expertly written tale of this violent time combines contemporary accounts with meticulous historical research and an unjaudiced appraisal of the facts Telling the story of every major gunfighter peace officer and outlaw of the West Rosa places them within the context of a violent frontier and the coming of law and order Complementing the text are twenty seven outstanding color spreads featuring firearms from the Gene Autry Western Heritage Museum Los Angeles and the Buffalo Bill Historical Center Cody Many of the spreads contain guns owned and used by such well known individuals as Pat Garrett Billy the Kid Doc Holliday Wyatt Earp Wild Bill Hickok John Wesley Hardin Frank James and Harvey Logan

The Encyclopedia of Lawmen, Outlaws, and Gunfighters Leon Claire Metz,2002 Standoffs saloons and sunsets spring to mind when one envisions the rough and tumble early days of the American frontier Western Gunslingers in Fact and on Film Buck Rainey,2015-11-17 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies **They Called Him Wild Bill** Joseph G. Rosa,2012-11-28 His contemporaries called him Wild Bill and newspapermen and others made him a legend in his own time Among western characters only General George Armstrong Custer and Buffalo Bill Cody are as readily recognized by the general public In writing this biography Joseph G Rosa has expressed the hope that Hickok emerges as a man and not a legend For this comprehensive revision of his earlier biography of Wild Bill the author was allowed to work from newly available materials in the possession of the Hickok family He also discovered new material pertaining to Wild Bill s Civil War exploits and his service as a marshal and found the pardon file of his murderer John McCall Additional rare photographs of Wild Bill are published here for the first time The results of Rosa s additional research make this second edition the best biography of Wild Bill likely to be written for years to come **Reader's Guide to American History** Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized

monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Doc Holliday in Film and Literature

Shirley Ayn Linder,2014-01-23 The legend of Doc Holliday is now well past a century old While his time on earth was brief troubled and filled with pain his legend took wings and flew Beginning with his part in the now famous gunfight at the O K Corral Denver newspapers first told his story in the late 19th century They followed by words of Wyatt Earp grasped the glimmer of his tale So enamored was the public that by 1939 he was a literary icon and his character had appeared in eight films Historians authors screenwriters and eventually television refined the legend which reached its apex perhaps with the 1993 film Tombstone Doc Holliday s image has neither dimmed nor wavered in the 21st century Broadway country music and art join with literature and film to continue his mystique as the personification of a surviving legend of the U S West

Victorian

West Clarence Robert Haywood,1991 In this fascinating social history Haywood unravels the web of values ideas and philosophies that tied East to West Journal of American History

Captain Jack and the Dalton Gang

John J. Kinney,2005 chronicles the tale of Captain John Kinney chief detective for the Missouri Kansas and Texas Katy Railroad and his confrontation with the Dalton gang on July 14 1892 at Adair Indian Territory Also includes material on his work as the chief detective for the Atchison Topeka and Santa Fe Railroad a Texas Ranger and a U S deputy marshal affiliated with Hanging Judge Isaac Parker s court Book description

The Old West in Fact and Film

Jeremy Agnew,2012-11-08 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots

The Gunfighters

Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of The Big Rich and Forget the Alamo comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern

occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story

No Duty to Retreat Richard Maxwell Brown,1994 In 1865 Wild Bill Hickok killed Dave Tutt in a Missouri public square in the West s first notable walkdown One hundred and twenty nine years later Bernard Goetz shot four threatening young men in a New York subway car Apart from gunfire what do the two events have in common Goetz writes Richard Maxwell Brown was acquitted of wrongdoing in the spirit of a uniquely American view of self defense a view forged in frontier gunfights like Hickok s When faced with a deadly threat we have the right to stand our ground and fight We have no duty to retreat

A Wyatt Earp Anthology Roy B. Young,Gary L. Roberts,Casey Tefertiller,2019-08-15 Wyatt Earp is one of the most legendary figures of the nineteenth century American West notable for his role in the gunfight at the O K Corral in Tombstone Arizona Some see him as a hero lawman of the Wild West whereas others see him as yet another outlaw a pimp and failed lawman Roy B Young Gary L Roberts and Casey Tefertiller all notable experts on Earp and the Wild West present in A Wyatt Earp Anthology an authoritative account of his life successes and failures The editors have curated an anthology of the very best work on Earp more than sixty articles and excerpts from books from a wide array of authors selecting only the best written and factually documented pieces and omitting those full of suppositions or false material Earp s life is presented in chronological fashion from his early years to Dodge City Kansas triumph and tragedy in Tombstone and his later years throughout the West Important figures in Earp s life such as Bat Masterson the Clantons the McLaurys Doc Holliday and John Ringo are also covered Wyatt Earp s image in film and the myths surrounding his life as well as controversies over interpretations and presentations of his life by various writers also receive their due Finally an extensive epilogue by Gary L Roberts explores Earp and frontier violence

Outlaw Tales of Kansas Sarah Smarsh,2016-01-04 From Dodge City to Abilene and beyond Kansas in its early years was one fine place for outlaws and one of the most violent places in America s history Consider the exploits of Jesse James a sociopathic killer or a Robin Hood who redistributed Union wealth Or those of Big Nose Kate whose true identity was much nobler than her reputation as Doc Holliday s longtime

companion That s not to mention the dangerous inmate who became the learned Bird Man of Kansas a renowned canary expert whose life story became a hit film All this and more is yours for the reading in Outlaw Tales of Kansas which introduces fifteen of the most dramatic events and the most daring and despicable desperados in the history of the Sunflower State

The Cowboy Charles W. Harris,Buck Rainey,1976-07-15 One of America s unique contributions to world culture the cowboy has captured the imagination of people everywhere In The Cowboy Six Shooters Songs and Sex eight renowned western writers report on what the cowboys really were like and what they are like today Contributors detail how the cowboys lived loved and died how they fared when ranchers switched from running cattle to entertaining dudes and how the media have depicted the cowboy

Getting Away with Murder on the Texas Frontier Bill Neal,2006 Explores the rough and tumble world of frontier justice Texas style

Homicide, Race, and Justice in the American West, 1880-1920 Clare V. McKanna,2022-05-10 In a chilling scene in the film Unforgiven Clint Eastwood as the gunman stands over a wounded Gene Hackman the sheriff aiming a rifle at his head I don t deserve this to die like this says Hackman Eastwood replies Deserve s got nothing to do with it cocks his rifle and fires point blank at his helpless victim This scenario dramatically brings home to the viewer what historians have long debated and hundreds of other films and books suggest the turn of the century West was a violent time and place Ranchers miners deputy sheriffs teenagers and old men occasionally even housewives and mothers found themselves at the business end of a shotgun or a 38 revolver Yet since western historians tend to portray violence as essentially episodic frontier gunfights range wars vigilante movements and the like solid data has been hard to come by As a beginning point for actually measuring lethal violence and assessing the administration of justice here at last is a detailed and well documented study of homicide in the American West Comparing data from representative areas Douglas County Nebraska Las Animas County Colorado and Gila County Arizona this book reveals a level of violence far greater than many historians have believed even surpassing eastern cities like New York and Boston Clashing cultures and transient populations a boomtown mentality easy availability of alcohol and firearms these and many other factors come under scrutiny as catalysts in the violence that permeated the region By comparing homicide data including coroner s inquests indictments plea bargains and sentences across both racial and regional lines the book also offers persuasive evidence that criminal justice systems of the Old West were weighted heavily in favor of defendants who were white and against those who were African American Native American or Mexican Packed with information this is a book for students and scholars of western history social history criminology and justice studies Western history buffs will be captivated by colorful anecdotes about the real West where guns could and did blaze over anything from love trysts to vendettas to too much foam on the beer From whatever perspective all readers are sure to find here a well constructed framework for understanding the West as it was and for interpreting the region as it moves into the future

The Western Film and T.V. Annual ,1959 Literature and Film as Modern Mythology William K. Ferrell,2000-02-28 Novels and films

record and codify the cultural experiences of their people This book explores the relationship between contemporary literature and film of the past fifty years and the ancient myths of Judeo Christian Greek Celtic and Eastern origin Following a detailed description and explanation of both literary and film devices stories that inform to a mythic tradition are analyzed to identify what they reveal about modern culture This work explores such diverse subjects as heroism coming of age and morality This approach to literature and film explores how contemporary fiction and film fulfill a continuum in our never ending search to understand how life ought to be lived Encompassing a broad spectrum of modern film and fiction a variety of authors and directors are represented Included are novels from such writers as Stephen King Alice Walker Ken Kesey Jerzy Kosinski Robert Penn Warren and Michael Ondaatje Film directors include Stephen Spielberg Hal Ashby Phil Alden Robinson George Stevens Robert Rossen and Milos Forman As a valuable resource for film and literature classes alike this work also provides suggestions for student projects

Yeah, reviewing a books **The Gunfighter Man Or Myth** could grow your near links listings. This is just one of the solutions for you to be successful. As understood, carrying out does not recommend that you have fabulous points.

Comprehending as well as covenant even more than supplementary will offer each success. adjacent to, the notice as well as acuteness of this The Gunfighter Man Or Myth can be taken as skillfully as picked to act.
