Our Man in Charleston Christopher Dickey, 2016-07-26 Between the Confederacy and recognition by Great Britain stood one unlikely Englishman who hated the slave trade His actions helped determine the fate of a nation When Robert Bunch arrived in Charleston to take up the post of British consul in 1853 he was young and full of ambition but even he couldn't have imagined the incredible role he would play in the history making events to unfold In an age when diplomats often were spies Bunch's job included sending intelligence back to the British government in London Yet as the United States threatened to erupt into Civil War Bunch found himself plunged into a double life settling into an amiable routine with his slavery loving neighbors on the one hand while working furiously to thwart their plans to achieve a new Confederacy As secession and war approached the Southern states found themselves in an impossible position They knew that recognition from Great Britain would be essential to the survival of the Confederacy and also that such recognition was likely to be withheld if the South reopened the Atlantic slave trade But as Bunch meticulously noted from his perch in Charleston secession's red hot epicenter that trade was growing And as Southern leaders continued to dissemble publicly about their intentions Bunch sent dispatch after secret dispatch back to the Foreign Office warning of the truth that economic survival would force the South to import slaves from Africa in massive numbers When the gears of war finally began to turn and Bunch was pressed into service on an actual spy mission to make contact with the Confederate government he found himself in the middle of a fight between the Union and Britain that threatened in the boast of Secretary of State William Seward to wrap the world in flames In this masterfully told story Christopher Dickey introduces Consul Bunch as a key figure in the pitched battle between those who wished to reopen the floodgates of bondage and misery and those who wished to dam the tide forever Featuring a remarkable cast of diplomats journalists senators and spies *Our Man in Charleston* captures the intricate intense relationship between great powers on the brink of war

Select committee on investigation of the attorney general, 1924 Investigation of the Attorney General United States. Congress. Senate. Select Committee on Investigation of the Attorney General, 1924 **Barolo and Barbaresco** Kerin O'Keefe, 2014-10-17 Following on the success of her books on Brunello di Montalcino renowned author and wine critic Kerin O'Keefe takes readers on a historic and in depth journey to discover Barolo and Barbaresco two of Italy's most fascinating and storied wines In this groundbreaking new book O'Keefe gives a comprehensive overview of the stunning side by side growing areas of these two world class wines that are separated only by the city of Alba and profiles a number of the fiercely individualistic winemakers who create structured yet elegant and complex wines of remarkable depth from Italy's most noble grape Nebbiolo A masterful narrator of the aristocratic origins of winemaking in this region O'Keefe gives readers a clear picture of why Barolo is called both the King of Wines and the Wine of Kings Profiles of key Barolo and Barbaresco villages include fascinating stories of the families wine producers and idiosyncratic personalities that have shaped the area and its wines and helped ignite the Quality Wine Revolution that eventually swept through all of Italy The book also considers practical factors impacting winemaking in this region including climate change destructive use of harsh chemicals in the vineyards versus the gentler treatments used for centuries the various schools of thought regarding vinification and aging and expansion and zoning of vineyard areas Readers will also appreciate a helpful vintage guide to Barolo and Barbaresco and a glossary of useful Italian wine terms *Hard Times* Studs Terkel, 2005 Recreates the character and atmosphere of this dramatic era in a collage of recollections by both well known and obscure Americans **Louisiana Planter and Sugar Manufacturer** , 1921 *Living on Thin Ice* Steven C. Dinero, 2016-07-01 The Gwich'in Natives of Arctic Village Alaska have experienced intense social and economic changes for more than a century In the late 20th century new transportation and communication technologies introduced radically new value systems while some of these changes may be seen as socially beneficial others suggest a weakening of what was once a strong and vibrant Native community Using quantitative and qualitative data gathered since the turn of the millennium this volume offers an interdisciplinary evaluation of the developments that have occurred in the community over the past several decades **The Louisiana Planter and Sugar Manufacturer** , 1921 Myths and Legends of the Lipan Apache Indians Morris Edward Opler, 2018-12-12 Lipan Apache are Southern Athabaskan Apachean Native Americans whose traditional territory included present day Texas New Mexico Colorado and the northern Mexican states of Chihuahua Nuevo Leon Coahuila and Tamaulipas prior to the 17th century Present day Lipan live mostly throughout the U S Southwest in Texas New Mexico and the San Carlos Apache Indian Reservation in Arizona as well as with the Mescalero tribe on the Mescalero Reservation in New Mexico some currently live in urban and rural areas throughout North America Mexico United States and Canada The myths and tales of this volume are of particular significance perhaps because they have reference to a tribe

about which there is almost no published ethnographic material The Lipan Apache were scattered and all but annihilated on the eve of the Southwestern reservation period The survivors found refuge with other groups and except for a brief notice by Gatschet they have been overlooked or neglected while investigations of numerically larger peoples have proceeded It is gratifying therefore to be able to present a fairly full collection of Lipan folklore and to be in a position to report that this collection does much to illuminate the relations of Southern Athabaskan speaking tribes and the movements of aboriginal populations in the American Southwest The myths and tales of this volume were recorded during the summer of 1935
