The Hebraic Cabala

Michael Rajnik

The Hebraic Cabala:

Kabbalah Perle Epstein, 2001-02-13 Unraveling the web of ancient traditions hidden in such texts as the Sefer Yetzirah and the Zohar this book traces history and offers an accessible introduction to understanding Kabbalah and its practices Jewish mysticism has flourished sometimes brilliantly sometimes darkly over five thousand years This pioneering popular text on Jewish mysticism was the first written for a general audience and in it Perle Besserman offers a lively and accessible introduction to the methods schools and practitioners of this intriguing world She traces the history of Kabbalah through the lives of its illustrious scholars and saints and unravels the web of ancient traditions hidden in such texts as Sefer Yetzirah and the Zohar Running through these pages are the words of the outstanding Kabbalists and mystics including Simeon bar Yohai Isaac Luria Abraham Abulafia and the Baal Shem Tov giving instructions on practices ranging from contemplation of the Bible's secret teachings to ritual ecstatic prayer and intensive meditation *The Hebraic Cabala* Enel, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work *The Essence of Kabbalah* Brian L. Lancaster, 2005-09-10 There can be no perfecting above without the perfecting influence of humans when they are righteous and act from love Zohar 2 155a The Essence of Kabbalah explains the mysticism of the Torah and the other books in the Hebrew Bible and presents an overview of the historical trends that have shaped Kabbalah as it is known today It examines the interpretative methods that are viewed as unlocking the secrets of the Torah those teachings that point to the inner fabric of creation Acclaimed author Brian Lancaster explores key extracts from the seminal works of Kabbalah the Sefer Yetzirah the Bahir and the Zohar and presents the major teachings of influential kabbalists He places Kabbalah in the context of Judaism as a whole and illustrates the ways in which Judaism's teachings prayers and rituals express a concealed inner tradition Further he shows how contemporary scholarship and science are enabling a creative dialogue with the ancient teachings preserved within Kabbalah leading to a twenty first century renaissance in the importance of mysticism for providing a much needed and profound sense of connectedness and purpose in our world *The Gift of Kabbalah* Tamar Frankiel, 2003-03 The first comprehensive down to earth introduction to explain the primary message of Kabbalah that we are to become like God Unlike the faddish books that just discuss Kabbalah as a magical system or those that treat it as if it were separable from Judaism this inspiring book makes accessible the mysteries of Kabbalah with thorough scholarship and depth of spiritual insight It traces the evolution of Kabbalah in Judaism and sets forth its most important gift a way of revealing the connection that exists between our everyday life and the spiritual oneness of the universe Including hands on personal Kabbalah exercises that help bring the teachings into your life The Gift of Kabbalah explores Healing from the Source Holiness in the Ordinary Contemplating Your Place in History Building a

Positive Structure for Life The Soul's Contract with God and much more The Kabbalah of the Soul Leonora Leet, 2003-03-25 Reveals the transformative spiritual work by which the soul can reach ever higher dimensions of consciousness Relates the soul levels of the Zohar to the various paths the soul may travel toward ultimate realization Introduces a new meditative technique called the Transformative Moment Throughout the history of the Jewish esoteric tradition humankind has been understood to play a pivotal role in the perfection of the cosmos uniting the finite with the infinite in the perfection of divine personality Working from an original synthesis of the major kabbalistic traditions of cosmology derived from the Bible the Zohar and the school of Isaac Luria Leonora Leet has erected a new framework for understanding the mechanism of the transformative spiritual work that enables the human soul to reach increasingly higher dimensions of consciousness This analysis extends the frontiers of Leet's prior works on the Kabbalah to provide a new illumination of human possibilities Leet first considers the false temptations of worldly power and pleasure that lead to the fall of the soul and then the means of its redemption She develops a powerful meditative technique called the Transformative Moment whose workings are exemplified by Jacob and Joseph and that allow the individual to progress through all the higher levels of the soul even possibly to attain the miraculous powers of the legendary spiritual masters She further correlates the hierarchy of soul levels with Ezekiel's Throne vision to show the various paths the soul may travel toward self realization sex love power knowledge holiness and unification The first four paths relate to the four faced living creatures Chayot of Ezekiel's Throne vision the bull ox lion eagle and man The final two paths correlate to the prophet and the envisioned man on the throne he recognizes to be his divine higher self the knowledge that defines the secret doctrine of the whole of the Jewish mystical tradition culminating in the Kabbalah **Mysteries of the Kabbalah** Marc-Alain Ouaknin, 2000 A text supplemented by more than a hundred illustrations of letters art and sculpture covers such topics as the four divine names and the five modalities of being the life of infinity and the significance of each of the twenty two letters of the Hebrew alphabet **The Oracle of Kabbalah** Richard Seidman, 2001-09-08 A divination and meditation system The Oracle of Kabbalah combines the success of the tarot with the rising popularity of the Kabbalah Includes 22 beautiful cards

Kabbalah, Magic, and Science David B. Ruderman, 1988 In describing the career of Abraham Yagel a Jewish physician kabbalist and naturalist who lived in northern Italy from 1553 to about 1623 David Ruderman observes the remarkable interplay between early modern scientific thought and religious and occult traditions from a wholly new perspective that of Jewish intellectual life Whether he was writing about astronomical discoveries demons marvelous creatures and prodigies of nature the uses of magic or reincarnation Yagel made a consistent effort to integrate empirical study of nature with kabbalistic and rabbinic learning Yagel's several interests were united in his belief in the interconnectedness of all things a belief shared by many Renaissance thinkers that turns natural phenomena into signatures of the divine unity of all things Ruderman argues that Yagel and his coreligionists were predisposed to this prevalent view because of occult strains in

traditional Jewish thought He also suggests that underlying Yagel s passion for integrating and correlating all knowledge was a powerful psychological need to gain cultural respect and acceptance for himself and for his entire community especially in a period of increased anti Semitic agitation in Italy Yagel proposed a bold new agenda for Jewish culture that underscored the religious value of the study of nature reformulated kabbalist traditions in the language of scientific discourse so as to promote them as the highest form of human knowledge and advocated the legitimate role of the magical arts as the ultimate expression of human creativity in Judaism This portrait of Yagel and his intellectual world will well serve all students of late Renaissance and early modern Europe

The Cabala Thornton Niven Wilder, Bernhard Pick, The Hebrew word Cabala from Kibbel properly denotes reception then a doctrine received by oral tradition The term is thus in itself nearly equivalent to transmission like the Latin traditio in Hebrew masorah for which last indeed the Talmud makes it interchangeable in the statement given in Pirke Abot I 1 Moses received kibbel the Law on Mount Sinai and transmitted umsarah it to Joshua The difference however between the word Cabala and the cognate term masorah is that the former expressed the act of receiving while the latter denotes the act of giving over surrendering transmitting The name therefore tells us no more than that this theosophy has been received traditionally In the oldest Jewish literature Mishna Midrash Talmud the Cabala denotes the whole body of Jewish tradition The name is even applied to the prophetic writings of the Old Testament and the Hagiographa in contradistinction to the Pentateuch As a scientific system the Cabala is also called chokmat ha cabalah i e science of tradition or chokmah nistarah abbreviated ch n i e chen chn i e secret science or wisdom and its representatives and adherents delighted in calling themselves maskilim i e intelligent or with a play of words yode ch n i e connoisseurs of secret wisdom Having defined the term Cabala which was still commonly used for oral tradition in the 13th and 14th centuries even after the technical sense of the word was established we must be careful to distinguish between cabala and mysticism Like other Eastern nations the Jews were naturally inclined to theosophical speculation and though this tendency may have been repressed by the definite teaching of revelation as long as they were confined within the sacred boundaries of Palestine it found a freer scope after the Exile There were two subjects about which the Jewish imagination especially busied itself the history of the Creation and the Merkabah or the Divine apparition to Ezekiel Both touch the question of God s original connection with His creatures and that of His continued intercourse with them They treat of the mystery of nature and of Providence especially of Revelation and an attempt is made to answer the question how the Infinite God can have any connection or intercourse with finite creatures

Fundamentals of Jewish Mysticism and Kabbalah Ron Feldman, 1999-06-01 Although kabbalah began as an esoteric practice of a small group of educated men today this ancient mystical tradition is adapting to contemporary sensibilities including respect for the environment gender equality and conscious connection to other spiritual traditions Access to this wisdom does not depend on one leader or require you to join a cult Kabbalah which literally means that which is received refers not only to the mystical maps of reality handed down by

tradition but to the awareness each person receives along their own journey Kabbalah has always aimed at healing repairing and rebalancing the individual the community and the cosmos as a whole recognizing the unity in all creation

FUNDAMENTALS OF JEWISH MYSTICISM AND KABBALAH addresses both the historical sources and evolving tradition of kabbalah Topics covered include shamanic healing the divine feminine amulets sacred sex dimensions of the soul time numerology the Tree of Life the Hebrew alphabet and the role of sacred texts and Torah **Kabbalah** Joseph Dan,2007-08-30 An account of Kabbalah and its impact outside of Judaism offers a concise and highly accurate look at the history and character of the various systems developed by the adherents of the Kabbalah **The Kabbalah and Jewish Mysticism** Israel Gutwirth,2021-03-23 This authoritative study of the Kabbalah celebrates the history and wisdom of Jewish mysticism while dispelling popular misconceptions In recent decades the Kabbalah has aroused widespread interest well beyond the realm of Jewish scholarship Unfortunately this popularization has also led to numerous distortions of Jewish mystical doctrine with some alleged experts drawing on material other than original Jewish sources In **The Kabbalah and Jewish Mysticism** acclaimed Torah scholar Israel Gutwirth provides an essential corrective to this trend Here is a retrospective look at the major figures of Jewish mysticism and the parts they played in shaping the Jewish religion Divided into three parts this volume examines the significance of the Zohar and the great Jewish mystics Hasidic leaders who were distinguished exponents of the Kabbalah and notable figures of the golden age of Jewish culture in Spain [A Map of the Universe](#) Rabbi Max Weiman,2003-11-10 A Map of the Universe may be the most important book you ever read It explains in clear language what life is all about from a kabbalistic point of view Rabbi Weimans amiable style and breadth of knowledge make this book a delightful and insightful adventure into the world of Jewish mysticism while leaving your feet firmly planted in the practical world *Rectifying the State of Israel* Rabbi Yitzchak Ginsburgh,2002 The ancient teachings of Jewish mysticism Kabbalah speak of the urgent need to rectify the world instructing us how to mend the tattered fabric of our lives as individuals and as active contributors to humanity s destiny Today the dream of Jewish security and cultural revival in Israel seems to be threatened as never before After nearly two thousand years of exile the Zionist dream return to their homeland by the Jewish people is fraught with challenge Rabbi Ginsburgh analyzes the current crisis from a Kabbalistic perspective and offers solutions that are both practical and in keeping with a spiritual approach to the problem In this book he outlines a practical program for healing the ills of the State of Israel in its approach to reestablishing a homeland The proposals are at once profound and down to earth and permeated by an optimism and love for the Jewish people and all humanity Includes glossary footnotes and index **On the Mystical Shape of the Godhead** Gershom Scholem,1997-02-25 In clear and easy to understand prose the pioneer of the modern study of Jewish mysticism explains the basic concepts of the Kabbalah A major contribution to our understanding of the Kabbalah Arthur Green Professor of Jewish Thought Brandeis University In the Zohar and other writings of the Kabbalah Jewish mystics developed concepts and symbols to help them

penetrate secrets of the cosmos that cannot be understood through reason or intellect These ideas about God human beings and creation continue to fascinate and influence spiritual seekers of all persuasions today For anyone seeking to taste the mysteries of the Kabbalah this is an essential book that explains the mystical form of the imageless God good and evil the Tsaddik or righteous soul the Shekhinah the feminine aspect of God gilgul the transmigration of souls and tselem the concept of the astral body **Kabbalah** Perle Besserman,1978-01-01 This pioneering popular introduction to Jewish mysticism was the first survey written for a general audience and it s now available in Shambhala Classics Epstein presents the methods schools and legendary practitioners of Kabbalah unraveling the web of ancient traditions hidden in such texts as the Sefer Yetzirah and the Zohar The words of the great Kabbalists appear throughout the book giving instructions on practices such as contemplation of the Bible s secret teachings ecstatic prayer and intensive meditation **The Jewish Encyclopedia: Bencemero-Chazanuth** Isidore Singer,1902 **Ehyeh** Arthur Green,2004 According to the Jewish mystical tradition of Kabbalah Ehyeh or I shall be is the deepest most hidden name of God Arthur Green one of the most respected teachers of Jewish mysticism of his generation uses this simple Hebrew word to unlock the spiritual meaning of Kabbalah for our lives Blending Jewish theology and mysticism Arthur Green invites readers on a contemporary exploration of Kabbalah showing how the ancient Jewish mystical tradition can be retooled to address the needs of our generation Drawing on the Zohar and other kabbalistic texts Green examines the fundamental ideas and spiritual teachings of Kabbalah encouraging today s modern seeker to stretch to new ways of thinking with both heart and mind setting us on a rewarding path to the wisdom Kabbalah has to offer **Kabbalah** Byron L. Sherwin,2006 Kabbalah An Introduction to Jewish Mysticism is a clear accessible primer and introduction to the major teachings of the Jewish mystics to various dominant forms of Jewish mystical experiences as well as to many of the significant texts that constitute classical Jewish mystical literature and to their authors Rather than provide an historical approach this introduction to Jewish mysticism delineates five models of Jewish mystical theology and experience Normal Mysticism Mystical Intimacy Addressing God s Needs Drawing Down Divine Grace and Prophetic Kabbalah Sherwin not only presents primary texts in translation but also offers an explanation of each selection and provides a bibliography for further study **Kabbalah in America** Brian Ogren,2020-05-06 Kabbalah in America includes chapters from leading experts in a variety of fields and is the first ever comprehensive treatment of the title subject from colonial times until the present Until recently Kabbalah studies have not extensively covered America despite America s centrality in modern and contemporary formations There exist scattered treatments but no inclusive expositions This volume most certainly fills the gap It is comprised of 21 articles in eight sections including Kabbalah in Colonial America Nineteenth Century Western Esotericism The Nineteenth Century Jewish Interface Early Twentieth Century Rational Scholars The Post War Counterculture Liberal American Denominationalism Ultra Orthodoxy American Hasidism and the Other and Contemporary American Ritual and Thought This volume will be sure to set the tone for all future scholarship on American
