The Hermitage Within Spirituality Of The Desert:

The Hermitage Within ,2023-10-15 Not everyone can or should live as a hermit Yet all Christians need an inner hermitage a place apart where we come face to face with our true selves and listen to the still small voice of God It is a place of silence of fear and fascination of anguish and grace The writer of this profound yet simple volume encourages us to find our own inner hermitage a place of calm and contemplation apart from the demands of the modern world a place so silent that we can hear God The desert the mountain and the temple provide the focus of the anonymous author s reflections He meditates on the wilderness experiences of such biblical persons as Jesus John the Baptist and Mary Magdalen He considers the place held in the Christian story by Mount Sinai the Mount of Olives and Calvary He ponders the idea of temples using such images as our inner temple and Christ the temple the foundation of the Church **The Hermitage Within**

The Desert John Moses, 1998-01-15 The desert with its great emptiness and silence has long been a symbol of solitude In our spiritual lives we sometimes seek such isolation as a means of abandoning ourselves completely to God At other times solitude comes upon us uninvited and unwelcome as we find ourselves totally alone and desolate In facing the silence and the vast expanses of loneliness we test our courage deepen our faith and hear the voice of God anew This book explores the tradition and relevance of desert spirituality in the life and worship of the church today and offers a collection of pertinent writings by these and many other ancient and contemporary authors Thomas Kempis Mother Mark Clare Henri Nouwen Ren Voillaume Charles de Foucauld Thomas Merton R S Thomas The readings are ideal Lenten devotionals but wonderful any other time of year as well as you answer your own call of the desert
