

The background of the book cover is a vibrant stained glass design. It features a central dark, textured panel where the title and authors' names are printed. This central panel is surrounded by colorful, abstract stained glass patterns in shades of red, orange, yellow, and green. The overall effect is one of traditional religious art with a modern, bold color palette.

The Hidden Shame Of The Church Sexual Abuse Of Children And The Church

Marie Fortune, Joretta Marshall

The Hidden Shame Of The Church Sexual Abuse Of Children And The Church:

The Hidden Shame of the Church Ron O'Grady,2001 Since founding ECPAT an international organization working to end child prostitution and pornography in 1991 the author has sadly come to recognize that church leaders and representatives are not exempt from involvement in the sexual abuse of children Although working in a secular and apolitical organization the author s Christian belief and experience have informed this study of a deeply disturbing phenomenon He seeks through unsensational language to expose the truth of the church s involvement and by so doing start the search for solutions God has been betrayed by his own kind comment of an abuse survivor Christians have been shocked at recent media reports of leading clergy sexually abusing children This book records the shameful events of the past decade and asks how could this happen in the church Many people in the church will not want to hear these stories says the author But hiding the truth or hiding from the truth is not a responsible option for Christians The book discusses traditional church teaching on children sexuality and forgiveness and asks whether these must be reformed if children are to be protected Breaking Their Will Janet Heimlich,2011-06-14 This revealing disturbing and thoroughly researched book exposes a dark side of faith that most Americans do not know exists or have ignored for a long time religious child maltreatment After speaking with dozens of victims perpetrators and experts and reviewing a myriad of court cases and studies the author explains how religious child maltreatment happens She then takes an in depth look at the many forms of child maltreatment found in religious contexts including biblically prescribed corporal punishment and beliefs about the necessity of breaking the wills of children scaring kids into faith and other types of emotional maltreatment such as spurning isolating and withholding love pedophilic abuse by religious authorities and the failure of religious organizations to support the victims and punish the perpetrators and religiously motivated medical neglect in cases of serious health problems In a concluding chapter Heimlich raises questions about children s rights and proposes changes in societal attitudes and improved legislation to protect children from harm While fully acknowledging that religion can be a source of great comfort strength and inspiration to many young people Heimlich makes a compelling case that regardless of one s religious or secular orientation maltreatment of children under the cloak of religion can never be justified and should not be tolerated **The Living Church** ,2003 **Shame and the Church** Sally Nash,2020-02-28 Seeking to establish the causes and consequences of shame Shame and the Church explore how theology and the Bible engage with shame and consider personal firsthand accounts of shame in a church context **Sacrifice Lost** Theuring, Ashley,2025-03-05 *Forgiveness And Abuse: Jewish And Christian Reflections* Marie Fortune,Joretta Marshall,2013-02-01 Explore what forgiveness means in the context of sexual and domestic abuse Using research studies stories and prayer Forgiveness and Abuse Jewish and Christian Reflections focuses on the views and opinions of these two prominent religions as well as shares the wisdom of their traditional teachings Forgiveness is an essential concept for many survivors of abuse as well as the perpetrators Some believe that urging victims to simply forgive

and forget in the face of such harsh realities may not be practical and could actually endanger the healing process

Forgiveness and Abuse studies several aspects of the spiritual influence in forgiving and vindicating abusive crimes including traditional views of forgiveness and repentance using excerpts from Jewish law a clinical study examining the relationship between forgiveness and mental health as well as comparing Christian and Jewish responses to a questionnaire regarding forgiveness abuse of children and adults by members of the clergy the roles of the victims the abuser and the church the differences between forgiveness and reconciliation and whether they are both necessary so much more Several of the historical practices of Christianity and Judaism regarding abuse its public acknowledgment and its forgiveness have been harshly criticized Forgiveness and Abuse offers you new insight on the spiritual connections between religion abuse and forgiveness and brings you hope as religious leaders unite to better themselves and others With the events of recent years weighing on society's shoulders this collection is profoundly significant for clergy counselors therapists and survivors as well as the perpetrators themselves

Women and Christianity Cheryl A. Kirk-Duggan, Karen Jo Torjesen, 2009-12-22 This work explores the impact of Christian women as scholars and leaders representing the ethnic national racial and denominational diversity of Christianity today on all aspects of life Women and Christianity explores the experiences of women and how their daily lives interface with their spirituality and faith Beginning with a historical overview the book presents essays grouped under five broad headings women family and environment socioeconomics politics and authority body mind and spirit sex power and vulnerability and women world view and religious practice These essays focus on multiple aspects of women's experiences and contemporary Christian realities involving the interrelatedness of faith thought and activism across many strata of global society They wrestle with the daily experiences and challenges women face integrating their lives as women of faith as they are advocates experience agency and work for mutuality It shows how in all these roles women must negotiate power injustice and the impact of sexism as they work within systemic oppression amid a patriarchal system nevertheless championing change and refusing to be severely compromised

Proverbs of Ashes Rita Nakashima Brock, Rebecca Ann Parker, 2015-06-23 Rebecca Parker was a young minister in Seattle when a woman walked into her church and asked if God really wanted her to accept her husband's beatings and bear them gladly as Jesus bore the cross Parker knew at that moment that if she were to answer the woman's question truthfully she would have to rethink her theology And she would have to think hard about some of the choices she was making in her own life When Rita Nakashima Brock was a young child growing up in Kansas kids taunted her viciously calling her names like Chink or Jap She learned to pretend that she did not feel the sting of scorn and the humiliation of contempt The solitude and silence of her suffering decreed by both her mother's Japanese culture and her father's Christian heritage kept the wound alive It was the gap between knowledge born of personal experience and traditional theology that led Rita Brock and Rebecca Parker to write this emotionally gripping and intellectually rich exploration of the doctrine of the atonement Using an unusual combination of

memoir and theology in the tradition of Augustine's Confessions they lament the inadequacy of how Christian tradition has interpreted the violence that happened to Jesus. Ultimately they argue the idea that the death of Jesus on the cross saves us reveals a sanctioning of violence at the heart of Christianity. Brock and Parker draw on a wide array of intimate stories about family violence, the sexual abuse of children, racism, homophobia, and war to reveal how they came to understand the widespread damage being done by this theology. But the authors also undertake their own arduous and unexpected journeys to recover from violence and to assist others to do so. On these journeys they discover communities that begin to give them the strength to question the destructive ideas they have internalized and the strength to seek out an alternative vision of Christianity, one based on healing and love. *Proverbs of Ashes* is both a condemnation of bad theology and a passionate search for what truly saves us.

Women and Religion in Zimbabwe Ezra Chitando, Kudzai Biri, Sophia Chirongoma, 2022-07-07 The chapters in this volume foreground the ambivalent role of religion and culture when it comes to African women's health and well-being. Reflecting on the three major religions in Africa, i.e. African Indigenous Religions, Christianity, and Islam, the authors illustrate how religious beliefs and practices can either enhance or hinder women's holistic progress and development. With a specific focus on Zimbabwean women's experiences of religion and culture, the volume discusses how African Indigenous Religions, Christianity, and Islam tend to privilege men and understate the value of women in Africa. Adopting diverse theological, ideological, and political positions, contributors to this volume restate the fact that the key teachings of different religions, often suppressed due to patriarchal influences, are a potent resource in the quest for gender justice. In sync with the goals for gender justice and women empowerment envisioned in the United Nations Agenda 2030 and Africa Agenda 2063, the contributors advocate for gender-inclusive and life-enhancing interpretations of religious and cultural traditions in Africa.

Capacity Expansion and Development Barrington A. Mullings, 2021-05-20 Capacity expansion and development amongst established and emerging leaders in Christian communities is never a feat that anyone accomplishes within a lifetime. Evolving challenges among human communities require God's Servants to increase in skills acquisition, expand the vital knowledge required for effective warfare operations, so as to achieve greater outcomes in spiritual ministries. These are some of the essential values that Barrington Mullings identifies in this timely and provocative work and calls those who occupy the ranks and files of leadership within the Church of Jesus Christ to pursue, not merely as required qualifications for ordination, but as critical means for affecting substantive outcomes in biblical spiritual ministries for the glory of God.

L'église catholique face aux abus sexuels sur mineurs Marie-Jo Thiel, 2019-02-19 Depuis quelques années dans l'Église catholique, c'est une avalanche de faits divers sordides et d'occultations d'abus sexuels, autant que de conscience et de pouvoir. Certes, de tels abus ont toujours existé, le secret est une chape trop lourde à lever branlant l'institution au passage. Les révélations ne font que commencer. Mais que des clercs et des vœux des personnes en poste de responsabilité dans l'Église catholique aient pu être ce point impliqués dans ce scandale vaste, celle-ci est incompréhensible, mystérieuse, étrange. Cet ouvrage

de r flexion voudrait jeter un peu de lumi re sur ce qui ne devrait pas tre sur ce qui n aurait jamais d tre tol r et qui pourtant marque si profond ment l humanit les soci t s les religions l glise catholique Marie Jo Thiel en m decin sait qu on ne met pas de pansement sur des tissus n cros s Il faut nettoyer la plaie localement et examiner globalement par quoi et pourquoi cette n crose est arriv e Il n en va pas autrement des abus sexuels sur mineurs dans l glise catholique Un ouvrage de r f rence par une sp cialiste de l thique **'Grooming' and the Sexual Abuse of Children** Anne-Marie McAlinden,2012 An interdisciplinary thematic and empirical investigation of grooming in a multi jurisdictional context this book draws on extensive research in the form of over 50 interviews with professionals working in sex offender assessment management or treatment as well as child protection in the UK and the Republic of Ireland **Golgota** Carmelo Abbate,2012 *Index to Jewish Periodicals* ,2004 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *Children and Our Global Future* Kristin Herzog,2005 In *Children and Our Global Future* Herzog challenges theologians clergy and lay church leaders educators and interested citizens to take children seriously She examines the concerns for children in our biblical heritage as well as in other religious traditions and relates these findings to our cultural ecological and political responsibility to children in an age of globalization Herzog also contends that neglecting children today will not only endanger their future but also deprive adults of spiritual and social integrity Jacket *God vs. the Gavel* Marci A. Hamilton,2014-08-29 Clergy sex abuse polygamy children dying from faith healing companies that refuse to do business with same sex couples and residential neighborhoods forced to host homeless shelters what do all of these have in common They are all examples of religious believers harming others and demanding religious liberty regardless of the harm This book unmasks those responsible explains how this new set of rights is not derived from the First Amendment and argues for a return to common sense religious liberty In straightforward readable prose *God vs the Gavel The Perils of Extreme Religious Liberty* sets the record straight about the United States move toward extreme religious liberty More than half of this thoroughly revised second edition is new content featuring a new introduction and epilogue and contemporary stories All Americans need to read this book before they or their friends and family are harmed by religious believers exercising their newfound rights **The Healing Church** Sam Black,2023-05-16 Two thirds of men and a third of women who attend church regularly say they struggle with pornography Yet only 7% of churches offer specific resources and support to their congregations Pastors and church leaders are well aware of the issue of pornography thanks to decades of studies and Christian blog and magazine articles however the local church is caught in a painful trap When Christians are too ashamed to admit their struggle church leaders aren t able to directly support those who are actively struggling when church attendees do find the courage to seek help they often receive ineffective support from pastors and ministry leaders due to lack of proactive planning As a former journalist and current Director of Recovery Education for Covenant Eyes Sam Black understands the stronghold pornography can have on an individual s life His writing in *The Healing Church* actively

addresses these issues and provides clear guidance for ministry leaders as they support those who seek to live in freedom In The Healing Church ministry leaders will discover how to create safe spaces and apply processes that restore those trapped in compulsive behaviors with pornography Sam Black outlines the most successful examples from churches currently providing meaningful aid and includes stories of Christians who found healing from porn strongholds as evidence of the type of healing that pastors and church leaders can provide In researching this book Sam Black conducted more than 70 interviews not only with pastors counselors and ministry leaders but also with everyday people who recovered from a secret life of sin and are helping others who feel trapped by porn and unwanted sexual behaviors The Healing Church affirms how those who experience true brokenness and surrender to discipleship and life change become strong servants to the Body of Christ and healthier as people overall When the selfish become selfless when the idolators learn to worship Christ when the prideful become meek they become more fulfilled as servants and filled with purpose Today the local church has choices It can largely ignore the problems of pornography because they are too unseemly It can chastise rebuke and cast out which sends more people into hiding Or it can lead people through a grace filled process to the foot of the Cross where strongholds are crushed and where stronger servants arise From Shame to Peace Teo van der Weele, Teo Vande Weele, 2001-04 Teo van der Weele has spent many years counselling and working with the victims of sexual abuse He is critical of current counselling techniques believing that sometimes the process of uncovering a painful past can be more destructive than the memories themselves He is also concerned about the underrecognised danger of counsellor induced false memories and suggests ways to avoid this trap **The British National Bibliography** Arthur James Wells, 2002 *A Poor and Merciful Church* Ilo, Stan Chu, 2018 This important text addresses three key questions which face modern Catholicism especially in Africa What is the ecclesiology of Pope Francis How does this ecclesiology meet the challenges facing the universal church in today s complex world And how can one translate the practices of this new approach into a theological aesthetics to meet the challenges and opportunities of the African social context
