The Color of Night Madison Smartt Bell, 2011-04-05 Mae a blackjack dealer in a Las Vegas casino spends her free time wandering the desert with a rifle or sitting in her trailer obsessively watching replays of an old lover escaping the wreckage of 9 11 What she sees in those images is different from what the rest of us would see She revels in the pure anarchy thrills at the destruction These images recall memories of a childhood marked by unthinkable abuse of her drift into a cult that committed the most shocking crime of the 60s of her life since then as a feral and wary outsider caught in a swirl of events at once personal political mythic

A Christmas Carol and Its Adaptations Fred Guida, 2000 Over 150 years after its original composition Charles Dickens A Christmas Carol continues to delight readers The figure of Ebenezer Scrooge has become a

cultural icon and Tiny Tim's God Bless Us Every One is as familiar as Merry Christmas. It is not surprising that Dickens' ghostly little book, as he called it, has proved popular with playwrights and screenwriters. In everything from elegant literary treatments to animated musicals, the role of Scrooge has been essayed by actors from George C. Scott to Mr. Magoo. This critical account of the story's history and its various adaptations examines first the original writing of the story, including its political, economic, and historical context. The major interpretations are analyzed within their various media: stage, magic lantern, shows, silent film, talkies, and television. Dickens' other lesser-known Christmas stories like *The Cricket on the Hearth* are also examined and compared to the immortal Carol. Finally, a complete annotated filmography of all film and television productions based on *A Christmas Carol* is included, with commentary on each version's loyalty to the original text. The book includes 25 previously unpublished photos as well as analysis of previously undocumented productions. The text includes a foreword by the distinguished film and literary scholar Edward Wagenknecht, a bibliography, and an index. **Focus On:**

100 Most Popular Television Series by Universal Television Wikipedia contributors, **TV in the USA** Vincent LoBrutto, 2018-01-04. This three-volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind the enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society, or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three-volume encyclopedia *TV in the USA: A History of Icons, Idols, and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well-known programs, and short-lived series alike, broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade(s) covered. Each entry on a specific show investigates the narrative, themes, and history of the program, provides comprehensive information about when the show started and ended, and why, and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter. *Color of Justice* J. Leon Pridgen II, J. Leon Pridgen, 2014-01-28. After many years, two half brothers are reunited in the legal justice system: one is a flourishing prosecuting attorney, the other is on Death Row. James was adopted by his paternal grandparents at the age of one, who raised him as their own son. Six-year-old Warren, on the other hand, was left to his own devices. 27 years later, an event leads James to find out about the existence of his older brother. It then becomes a race against time for the young prosecutor to save his older brother's life. *Encyclopedia of the Harlem Renaissance: A-J* Cary D. Wintz, Paul Finkelman, 2004. From the music of

Louis Armstrong to the portraits by Beauford Delaney the writings of Langston Hughes to the debut of the musical Show Boat the Harlem Renaissance is one of the most significant developments in African American history in the twentieth century The Encyclopedia of the Harlem Renaissance in two volumes and over 635 entries is the first comprehensive compilation of information on all aspects of this creative dynamic period For a full list of entries contributors and more visit the Encyclopedia of Harlem Renaissance website *School Library Journal* ,1998 X Users Guide Motif R5 Valerie Quercia,Tim O'Reilly,1993 Orients the new user to Window system concepts and provides detailed tutorials for many client programs including the xterm terminal emulator and window managers This popular manual is available in two editions one for users of the MIT software one for users of Motif Revised for X11 Release 5 and Motif 1 2 **Publishers Weekly** ,1986
