The Heart Of Doing Business Memoirs Of An Entrepreneur:

The Heart of Doing Business Masatoshi Itō, 2004-01-01 *AFRICA LARGEST MEMOIRS* S.O PIENS, This book is a collection of stories about Africans who have done great things a collection of businesses startups and entrepreneurship that demonstrate that it is truly possible in Africa Gone are those days when Africans were viewed as being hopeless and helpless These days Africans are taking giant strides all over the world They are making an impact on their continent and everywhere around the world The only thing that we've seen on western media about Africa is how it's being plagued with poverty malnutrition prostitution corruption crimes fraudulence and gangsters But not much about how its people have strived to make their continent great and how they have kept attaining a new level of success and progress every day But the order has changed Africans are the ones who are now telling their own stories They are the ones who are celebrating their own successes and achievements You will find in this book stories of ordinary Africans who are doing extraordinary things The stories of people like you who have demonstrated through their businesses and entrepreneurship that it is indeed possible in Africa In this book you will learn 100 inspiring stories of Africans How they started their businesses despite all odds and what kept them going The common challenges that ravage businesses in Africa and how to surmount them How to find opportunities in Africa and be resourceful with the available resources What it takes to succeed in any business in Africa and Why Africa is the future

Memoirs of a Dipper Nell Leyshon, 2015-06-04 A reading experience that hums with an electric energy that never gets boring and feels shockingly painfully real The Times There's different ways to do it I can slowly move closer step by step or I can do it in one movement and bump into them Easiest is in a pub then I can put my drink too close to theirs Move my stool near theirs Anything to cross the line Gary is a dipper a burglar a thief He is still at junior school when his father first takes him out on the rob and proves a fast learner not much more than a child the first time he gets caught he is a career criminal as soon as he is out again But Gary is also fiercely intelligent he often knows more about the antique furniture he is stealing than the people who own it and is confident in his ability to trick his way out of any situation always one step ahead But all that changes when he falls for Mandy

Entrepreneurial Genius Gene N. Landrum, 2003-09 Professor Landrum begins with biographical overviews of a dozen of the most interesting and powerful entrepreneurs of recent vintage He identifies their unique eccentricities and then shows the personality traits that they all have in common These are the attributes that constitute the genius of the great entrepreneur To enable you to compare your personality attributes with those of the great entrepreneurs who have achieved billionaire status Professor Landrum has included in this book a self assessment exercise Book jacket

Memoirs of My struggles Neil Chuma, 2016-11-23 The war on drugs has created many problems in our society This book is an autobiographical alternative account of the author's life and how he came to face one of the most difficult laws ever imposed The book explores many themes such as racial identity prison crime and punishment poverty sex love drugs politics religion philosophy death and human identity The author delves deep into

many themes considered taboo and dares to write what many fear to even consider an issue Discover a new way of looking at the world from the eyes of the man who has faced adversity in all its might Memoirs of a Stalker (e-book) Darren Willing,2008-02

The Musician as Entrepreneur, 1700-1914 William Weber,2004-11-09 Marries scholarly discipline with intriguing reading The book will satisfy the thirst of historians musicians and perhaps even an economist or two American Music Teacher To be successful a musician often has to be an entrepreneur someone who starts a performing venue develops patrons and promotes the project aggressively Accomplishing this requires musicians to acquire social and business skills and to be highly opportunistic in what they do In The Musician as Entrepreneur 1700 1914 international scholars investigate cases of musical entrepreneurship between around 1700 and 1914 in Britain France Germany and the United States By uncovering the ways in which musicians such as Telemann Beethoven Paganini and Liszt conducted their daily business the authors reveal how musicians reshaped the frameworks of musical culture and in the process the nature of the music itself Weber is an excellent music historian and the book will please all readers interested in musical sociology Choice

The Entrepreneur in History M. Casson,2013-06-04 Covering the period c 1200 c 2000 this book provides an innovative investigation of entrepreneurship in a long run historical perspective presenting new insights into the personal characteristics of successful business people and deepening our understanding of the roots of industrialization and economic growth

The Purpose Effect Dan Pontefract,2018-06-08 Pontefract combines years of experience and research on employee engagement behavior and culture to create a work about the three crucial areas of purpose personal organizational and workplace role If all three can come to fruition if there is a positive interconnection between the three distinct definitions of purpose the benefits should be felt by employees teams the organization customers and perhaps most importantly society as a whole We can refer to this balanced state as the sweet spot When one area is lacking or ignored the results range from disengagement apathy lack of growth and even bankruptcy The Purpose Effect is aimed at both leaders and employees who wish to achieve a purpose mindset on a personal level for the organization where they are employed and in their role at work too A business leader that is committed to purpose will create purpose for the organization An employee that feels his her personal sense of purpose is being fulfilled at work will be an invaluable asset to productivity and success An organization centered on purpose will benefit every stakeholder from employees to society in general This sweet spot of purpose creates a reciprocal relationship between all three areas and sits at the center of Pontefract s work
