Daniel P. Mannix, 2015-02-24 Brilliant amusing and utterly immoral young noblemen politicians artists and other eminent men of eighteenth century England thronged to the abbey of Medmenham and the elaborately decorated caves and gardens of West Wycombe Park to attend meetings of a club that outraged and threatened the security of an entire country the notorious Hellfire Club Dedicated to black magic sexual orgies and political conspiracies the records of their elaborately obscene rituals jests and parties have both fascinated and appalled the world for over three centuries The Hellfire Club became popular during an age of scandal Standards of respectability had become middle class a middle class who knew nothing of art and literature and whose outlook was bound by a set of stereotyped conventions Respect for the monarchy religion or the ideals of decency and morality Bah humbug The club s members mad geniuses who could do anything from writing double entendre verses in Greek to ruining an opposing statesman by a clever satirical sketch set out to ridicule and destroy these conventions and at times they almost succeeded The originator and guiding presence of the Hellfire Club was Sir Francis Dashwood son of a grim and fiercely ruthless baronet heir to one of the great fortunes of the time and George III s intimate friend Possessing a flair for politics and a proclivity for the profane it is largely because of his influence that the Hellfire Club was to eventually count among its members the Prime Minister of England the Chancellor of the Exchequer the Lord Mayor of London the First Lord of the Admiralty the son of the Archbishop of Canterbury several of England s greatest artists and poets the Prince of Wales and Benjamin Franklin Red robes screaming girls unscrupulous madams firelight on the walls of a cave and unspeakable acts for the sake of amusement Daniel P Mannix addresses the reasons for the rise of the Hellfire Club its singular influence on the course of history and its inevitable destruction *The Hellfire Club* Daniel P. Sutcliffe: An Immortal Warriors Novel Sara Mackenzie, 2022-09-30 1808 Blackfriars Abbey England Aiden Sutcliffe is the third member of the Hellfire Club to be sent into a long sleep by the Sorceress He and his two companions the Marquis of Lorne and Nicholas Darlington bored and privileged gentlemen brought a demon into the mortal world and now they must pay for it They will sleep until the demon awakes and then fight it to the death Present Day Aiden is awake now and together with his friends is doing the Sorceress s bidding They must capture arch villain Stewart and return him to the Underworld or risk taking his place After an explosion that separated the three companions he finds himself on the Isle of Moyle invisible and in the home of Ally MacDonald Ellis Ally has always known she would be responsible for the end of days and has taken up residence in the farthest reaches of the United Kingdom But even here her fate has found her and she and Aiden join forces to defeat Stewart When Aiden falls in love with Ally he has even more reason to want to survive But Stewart has plans for them that have been centuries in the making Reunited once more the Hellfire Club prepare for the end Will they finally defeat Stewart and live long and happy lives with the women they love Will they be sent forever to the Underworld Or will they end up back where they started in 1808 facing the angry mob The stakes have never been so high The Hell-fire Clubs Geoffrey Ashe, 2000 The Hell Fire Clubs conjure up images of aristocratic rakes outraging respectability at every turn cutting a swath through the village maidens and celebrating Black Masses While all this is true it is not the whole story The author of this volume has assembled an account of the Clubs and of their antecedents and descendants At the centre of the book is the principal brotherhood known by the Hell Fire name Sir Francis Dashwood s notorious Monks of Medmenham with their strange rituals and initiation rites library of erotica and nun companions recruited from the brothels of London From this maverick group flow such notable literary libertines as Horace Walpole and Lord Byron Pre dating Medmenham are the figures of Rabelais and John Dee both expounding philosophies of do what you will or anything goes Geoffrey Ashe traces the influence of libertarian philosophies on the world of the Enlightenment showing how they met the need for a secular morality

at a time when Christianity faced the onslaught of rationalism and empiricism He follows the libertarian tradition through de Sade and into the 20th century with discussions of Aleister Crowley Charles Manson and Timothy Leary delving below the scandals to reveal the social and political impact of doing your own thing which has roots far deeper than the post war permissive society
