The Hidden History Of Housing Cooperatives:

The Hidden History of Housing Cooperatives Allan David Heskin, Jacqueline Leavitt, 1995 Reconstructing Public Housing Matthew Thompson, 2020 Reconstructing Public Housing tells the story of Liverpool's cooperative revolution in municipal housing development in the 1970s how this laid the foundations for the first ever architectural or urban regeneration project to win the artworld's coveted Turner Prize and what this says about how we might renew public The Community Development Reader James DeFilippis, Susan Saegert, 2013-03-05 The housing collectively Community Development Reader is the first comprehensive reader in the past thirty years that brings together practice theory and critique concerning communities as sites of social change With chapters written by some of the leading scholars and practitioners in the field the book presents a diverse set of perspectives on community development These selections inform the reader about established and emerging community development institutions and practices as well as the main debates in the field The second edition is significantly updated and expanded to include a section on globalization as well as new chapters on the foreclosure crisis and emerging forms of community The Mutual Housing Experiment Kristin M Szylvian, 2015-06-12 In the series Urban Life Landscape and Policy edited by Zone L Miller David Stradling and Larry A Right to Housing Rachel Bratt, Michael Stone, Chester Hartman, 2006-02-15 How can we explain the persistent Bennett inability of the United States to meet the housing needs of a large portion of its people What can we do about the problem In this important new work leading progressive housing activists and thinkers examine the state of housing the housed and housing policy in the United States and then provide a comprehensive and detailed program for solving the problem under Encyclopedia of the City Roger W. Caves, 2005 A first class work of reference that will be the goal of a Right to Housing both an essential resource for independent study as well as a useful aid in teaching a solid but also provocative starting point for wider exploration of the city **Carving Out the Commons** Amanda Huron, 2018-03-13 An investigation of the practice of commoning in urban housing and its necessity for challenging economic injustice in our rapidly gentrifying cities Provoked by mass evictions and the onset of gentrification in the 1970s tenants in Washington D C began forming cooperative organizations to collectively purchase and manage their apartment buildings These tenants were creating a commons taking a resource housing that had been used to extract profit from them and reshaping it as a resource that was collectively owned by them In Carving Out the Commons Amanda Huron theorizes the practice of urban commoning through a close investigation of the city's limited equity housing cooperatives Drawing on feminist and anticapitalist perspectives Huron asks whether a commons can work in a city where land and other resources are scarce and how strangers who may not share a past or future come together to create and maintain commonly held spaces in the midst of capitalism Arguing against the romanticization of the commons she instead positions the urban commons as a pragmatic practice Through the practice of commoning she contends we can learn to build communities to challenge capitalism s totalizing claims over life Seeking

Shelter on the Pacific Rim Gary Dymski, Dorene Isenberg, 2018-10-24 This innovative book analyzes the changes that financial globalization is bringing about in the housing and home finance markets of the United States Japan and South Korea with special attention to the circumstances of women in obtaining housing credit and personal security The book s focus on changes in the residential and housing finance markets serves as a window for an integrated examination of how the liberalization of national financial markets has affected the relationship among all players in each of the three economies government markets and individual citizens Through this examination Housing Finance Futures develops a new critical response to economic globalization based on a groundbreaking concept the social efficiency of policy and market shifts

The meaning of housing Clapham, David, 2005-07-20 This book offers a fresh new approach to the study of housing It explores the meaning that housing has for individuals and households by examining housing pathways Housing pathways refer to the varying household forms that individuals experience and the housing routes that they take over time The book argues that housing has increasingly become a means to an end rather than an end in itself The end is personal fulfilment and the main task of housing research is to elucidate the links In this pursuit the concepts of identity and lifestyle are key Specifically the book examines the structure and functioning of households and links this to changing discourses of the family explores the important interconnections between housing and employment considers the relationship between people and the physical aspects of a house and its location looks at housing in terms of lifestyle choice from youth to old age and discusses the implications of the pathways approach for housing policy and future research in the field The meaning of housing is recommended to anyone researching and studying housing and particularly to those wishing to engage with the new research agenda set out here **For All the People** John Curl, 2012-07-01 Seeking to reclaim a history that has remained largely ignored by most historians this dramatic and stirring account examines each of the definitive American cooperative movements for social change farmer union consumer and communalist that have been all but erased from collective memory Focusing far beyond one particular era organization leader or form of cooperation For All the People documents the multigenerational struggle of the American working people for social justice While the economic system was in its formative years generation after generation of American working people challenged it by organizing visionary social movements aimed at liberating themselves from what they called wage slavery Workers substituted a system based on cooperative work and constructed parallel institutions that would supersede the institutions of the wage system With an expansive sweep and breathtaking detail this scholarly yet eminently readable chronicle follows the American worker from the colonial workshop to the modern mass assembly line from the family farm to the corporate hierarchy ultimately painting a vivid panorama of those who built the United States and those who will shape its future John Curl with over forty years of experience as both an active member and scholar of cooperatives masterfully melds theory practice knowledge and analysis to present the definitive history from below of cooperative America This second edition contains a new introduction by

Ishmael Reed a new author's preface discussing cooperatives in the Great Recession of 2008 and their future in the 21st century and a new chapter on the role co ops played in the Food Revolution of the 1970s Legal Scholarship for the **Urban Core** Peter Enrich, Rashmi Dyal-Chand, 2019-07-11 Provides compelling examples of engaged legal scholarship addressing issues of entrenched poverty and underdevelopment in American urban cores Hidden History of Youngstown and the Mahoning Valley Sean T. Posey, 2022 Join the author of Historic Theaters of Youngstown and the Mahoning Valley and Lost Youngstown in an excavation of forgotten stories from bygone days Beyond steel and rust Youngstown and the Mahoning Valley share a rich but often overlooked past During the late 1910s the ever present smoke blanketing the area could not hide the fires from the burning business district of East Youngstown or the city streets deserted from Spanish influenza Over twenty years later the Mahoning Valley lived under another dark cloud the Great Depression but instead of violence and destruction the men and women of the WPA busied themselves with building up the region and dreaming of better days Journalist and historian Sean Posey excavates the history behind familiar landmarks forgotten institutions and historic sites that connect Mahoning Valley history to the story of the evolution of industrial America American Dream Revised And Updated Dolores Hayden, 2002-09-03 In a provocative critique of American housing patterns that perpetuate Victorian stereotypes of the home as woman's place and the city as man's world urban historian and architect Dolores Hayden tallies the personal and social costs that an architecture of gender creates for the two earner family the single parent family and single people She traces three models of home in historical perspective to document innovative alternatives for reconstructing neighborhoods International Encyclopedia of Housing and Home ,2012-10-09 Available online via SciVerse ScienceDirect or in print for a limited time only The International Encyclopedia of Housing and Home Seven Volume Set is the first international reference work for housing scholars and professionals that uses studies in economics and finance psychology social policy sociology anthropology geography architecture law and other disciplines to create an international portrait of housing in all its facets from meanings of home at the microscale to impacts on macro economy This comprehensive work is edited by distinguished housing expert Susan I Smith together with Marja Elsinga Ong Seow Eng Lorna Fox O Mahony and Susan Wachter and a multi disciplinary editorial team of 20 world class scholars in all Working at the cutting edge of their subject liaising with an expert editorial advisory board and engaging with policy makers and professionals the editors have worked for almost five years to secure the quality reach relevance and coherence of this work A broad and inclusive table of contents signals or tesitifes to detailed investigation of historical and theoretical material as well as in depth analysis of current issues This seven volume set contains over 500 entries listed alphabetically but grouped into seven thematic sections including methods and approaches economics and finance environments home and homelessness institutions policy and welfare and well being Housing professionals both academics and practitioners will find The International Encyclopedia of Housing and Home useful for teaching discovery and research needs International in scope

engaging with trends in every world region The editorial board and contributors are drawn from a wide constituency collating expertise from academics policy makers professionals and practitioners and from every key center for housing research Every entry stands alone on its merits and is accessed alphabetically yet each is fully cross referenced and attached to one of seven thematic categories whose wholes far exceed the sum of their parts Legislative Foundations of American Consumer Society Bob Sullivan, 2021-09-27 The current literature on consumerism is diverse scattered and unsystematic This book remedies this by identifying the beginning of mass consumer society in the United States starting with the New Deal The New Deal framework of guaranteeing new home purchases by means of low down payment fixed rate home mortgages lasted until the 1970s at which time the legal framework unraveled due to a sustained attack on New Deal racism Despite this American consumerism continued and even flourished without a regulatory structure This book analyzes seven key pieces of federal legislation which undergird American consumer society to this day Working-Class New York Joshua B. Freeman, 2021-04-20 A lucid detailed and imaginative analysis The Nation of the model city that working class New Yorkers created after World War II and its tragic demise More than any other city in America New York in the years after the Second World War carved out an idealistic and equitable path to the future Largely through the efforts of its working class and the dynamic labor movement it built New York City became the envied model of liberal America and the scourge of conservatives everywhere cheap and easy to use mass transit work in small businesses and factories that had good wages and benefits affordable public housing and healthcare for all Working Class New York is an engrossing Dissent account of the birth of that ideal and the way it came crashing down In what Publishers Weekly calls absorbing and beautifully detailed history historian Joshua Freeman shows how the anticommunist purges of the 1950s decimated the ranks of the labor movement and demoralized its idealists and how the fiscal crisis of the mid 1970s dealt another crushing blow to liberal ideals as the city s wealthy elite made a frenzied grab for power A grand work of cultural and social history Working Class New York is a moving chronicle of a dream that died but may yet rise again *People-Centred Businesses* J. Birchall,2010-11-02 So what is a member owned business What does it look like How can we distinguish it from an investor owned business The crucial distinction is between a business that is people centred and one that is money centred This book explores the growing number of companies which use this model and their wider significance in society Catalog: Publications, Videos, Slide **Sets** University of California (System).
