

Soviet Military The Communist Party

Richard Bailey

Soviet Military The Communist Party:

The Soviet Military And The Communist Party Roman Kolkowicz, 2019-07-11 This book investigates the relationship between the Communist Party and the military establishment in the Soviet Union It indicates that there are several factors influencing the dynamics of that relationship and thus the respective roles of the protagonists *The Party and the Army in the Soviet Union* Yosef Avidar, 1983 This remarkable piece of research uncovers the complex relationship between the Communist Party and the Armed Forces in the Soviet Union from the death of Stalin to the end of the Khrushchev period The author also traces its general evolution from 1917 on For the later period he was able to interview high ranking officers of the Soviet Forces who had left the USSR Light is thrown on the dramatic clash of personalities and institutions of interests and doctrinaire conceptions the fight for power This work will unquestionably establish itself as authoritative and indispensable for all those whose business it is to study Soviet military and political affairs It will also be of profound interest to everyone alive to the human issues involved in the functioning of the machinery of Soviet Society *The Soviet Military and the Communist Party. [With a Bibliography.]* Roman Kolkowicz, 1967 *Soviet Military Review*, 1983 **Communist Party Membership in the U.S.S.R.** Thomas Henry Rigby, 2019-03-26 In this comprehensive and latest statistical profile of the membership of the Communist Party during the first half century of the Soviet regime Professor Rigby analyzes the history of party recruitment and composition Since the party makes vital contributions to the performance of several basic tasks within the Soviet political system the author interprets his data mainly in functional terms He identifies and evaluates the influence of these functional considerations on recruitment policies and on the changing patterns of membership and determines the priorities assigned to different functions under changing circumstances T H Rigby is Professor of Political Science Research School of Social Science Australian National University Studies of the Russian Institute Columbia University Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Soviet Military Experience** Roger R. Reese, 2002-01-04 The Soviet Military Experience is the first general work to place the Soviet army into its true social political and international contexts It focuses on the Bolshevik Party's intention to create an army of a new type whose aim was both to defend the people and propagate Marxist ideals to the rest of the world It includes discussion of the origins of the Workers and Peasant's Red Army effects of the Civil War Bolshevik regime's use of the military as a school of socialism effects of collectivization and rapid industrialisation of the 1920s and 1930s Second World War and its profound repercussions ethnic tensions within the army effect of Gorbachev's policies of Glasnost and Perestroika The Chinese

Communist Party During the Cultural Revolution P. Lubell, 2001-12-17 In 1936 a group of Chinese communists were released from jail after a humiliating renunciation of communism The Chinese Communist Party then secretly employed them to galvanise support in nationalist areas of the country It later condemned the members of this group as renegades before finally rehabilitating them in 1978 Pamela Lubell uncovers the fascinating history of these communists known as the Sixty one and in doing so produces a revealing account of the tensions within the Chinese Communist Party Review of the Soviet Ground Forces, 1982 Soviet Military Thought, 1970 **Soviet Military Power** Army Library (U.S.), 1959 *The Armed Forces Of The Ussr* Harriet Fast Scott, William F. Scott, 2019-07-16 This up to date analysis of the development and organization of the Soviet Armed Forces provides a profound insight into the military thinking that has determined the course of Soviet military history from the birth of the first Communist armed forces organization to the present The eminent authors of this book have drawn on thousands of Soviet Ministry of Defense publications only a very few of which have been translated into English and four years of research in the USSR to portray the fundamentals of Soviet military doctrine and strategy They cover fully the postwar development of the Soviet military looking at the High Command each of the five services combat formations and supporting agencies and give a comprehensive account of the Soviet military industrial complex military training of Soviet youth military manpower mobilization and the Soviet officer corps Their discussion of the relationship between the Party and the Armed Forces based on Soviet data includes an examination of popular Western myths about internal Soviet military Party splits The wealth of detailed information contained in this book includes numerous notes tables and figures and a broad range of other data all based exclusively on primary sources as well as an extensive bibliography Soviet Military Doctrine Harriet Fast Scott, William F. Scott, 2019-06-21 The purpose of this book is to document from basic Soviet sources the development of Soviet military doctrine and its impact upon the Soviet Armed Forces Soviet military doctrine is defined as the military policy of the Communist Party In one way or another this policy affects the lives of all of us as a possible threat to free institutions and political processes as well as to our economic life and well being Generally we approach Soviet military policy in terms of military balances and weapons comparisons in the number of men under arms the speed of aircraft of the Soviet bloc versus that of NATO aircraft the number of ballistic missiles and their throw weights Studying such balances is of critical importance in defining to some degree existing forces But it is only through a deep and thorough study of the military policy of the Communist Party which translates directly into military doctrine that we can obtain the background that might aid in negotiating with the Soviets on arms control matters or in making decisions that will enable those nations outside of the Soviet bloc to deter future Kremlin military moves *Politics and the Russian Army* Brian D. Taylor, 2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including

archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army s behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country s political leadership whether tsar general secretary or president is fundamentally illegitimate *Foundations of Soviet Military Law* ,1963 *Soviet Military Power* ,
 Military Review ,1982 Soviet Military Power, 1984 ,1984 *Quarterly Review of Military Literature* ,1982 *Soviet Military Power* United States. Department of Defense,1990 *Tactical Air Command and Control Specialist (AFSC 27550)*
Alan F. Mayott,1984
