Soviet Politics And Society In The 1970s:

Soviet Politics and Society in the 1970's, 1974 **Soviet Politics and Society in the 1970's** John Newbold Hazard, 1974 **Soviet politics and society in the 1970's**, ed Henry W. Morton, The Soviet Political Agenda: Problems & Priorities, 1950-1970 Daniel Tarschys, 2024-11-01 An examination of Russia's philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole *Soviet Politics and Society* Stanley Rothman, George W. Breslauer, 1978 Women in Soviet Society Gail Warshofsky Lapidus, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 The Nationalities Factor In Soviet Politics And Society Lubomyr Hajda, Mark Beissinger, 2019-06-21 The editors express their gratitude to the John M Olin Foundation for its financial assistance and to the Harvard University Russian Research Center for the facilities and staff support that made this project possible We wish to thank those who contributed their invaluable scholarly advice including Vernon Aspaturian Abram Bergson Steven Blank Walker Connor Robert Conquest Murray Feshbach Erich Goldhagen Richard Pipes and Marc Raeff We gratefully acknowledge the assistance of Barbara A Anderson and Brian D Silver with Soviet demographic data used throughout the volume Susan Zayer and Karen Taylor Brovkin provided able administrative help For skillful technical assistance with the manuscript we are indebted to Jane Prokop Elizabeth Taylor and Alison Koff Catherine Reed Susan Gardos Bleich Christine Porto and Alex Sich helped generously in diverse ways Finally the editors profited at every stage from the congenial working atmosphere and the encouragement of colleagues at the Russian Research Center too numerous to mention To all of them goes our deep appreciation **Russian Civil Society: A Critical Assessment** Alfred B. Evans, Laura A. Henry, Lisa Sundstrom, 2016-07-22 A vibrant civil society characterized by the independently organized activity of people as citizens undirected by state authority is an essential support for the development of freedom democracy and prosperity Thus it has been one important indicator of the success of post communist transitions This volume undertakes a systematic analysis of the development of civil society in post Soviet Russia An introduction and two historical chapters provide background followed by chapters that analyze the Russian context and consider the roles of the media business organized crime the church the village and the Putin administration in shaping the terrain of public life Eight case studies then illustrate the range and depth of actual citizen organizations in various national and local community settings and a concluding chapter weighs the findings and distills comparisons and conclusions **The State in Socialist Society** Neil Harding, 1984-01-01 The focus of all the essays in this collection is the problem of state power in Communist regimes The problematic nature of the relationship between state and society has troubled the marxist

tradition since its inception and continues to be an unresolved issue for its contemporary theorists Western attempts to characterise the state formations of Communist regimes are equally notoriously debatable and fraught with methodological problems Both indigenous and Western attempts to theorise these formations are thoroughly reviewed in the early chapters of this book Later chapters each written by an expert in the field go on to explore particular issues the problem of nationalism within a multi national state for instance or the recent experience of selected Communist regimes in attempting to adapt their institutions to meet new problems Special attention is paid to the USSR in view of the enormous significance of the Soviet State and the extent to which it has served as a model Other case studies have been included on the basis that these state formations display unique features Yugoslavia that size and importance commends them China or that failure in the process of institutional adaptation is instructive for their pathology Poland What this book sets out to do is to bring a variety of approaches and a varied expertise to bear upon a very large but relatively neglected issue in contemporary politics the nature of the state formations of Communist regimes

Political Science William J. Crotty, 1991 In this volume the study of legislatures has traditionally been a central preoccupation of political scientists Legislatures provide good laboratories for testing theories and methodologies of significance in the discipline and more broadly for contributing to an understanding of how representative government works

State and Society in Communist Czechoslovakia Roman Krakovsky, 2018-05-30 Across central and eastern Europe after World War II the newly established communist regimes

promised a drastic social revolution that would transform the world at great pace and pave the way to a socialist future. Although many aspects of this utopian project are well known such as fast paced industrialisation collectivisation and urbanisation the regimes even sought to transform the ways in which their citizens interacted with each other and the world around them. Using a unique analytical model based on an amalgam of anthropology sociology history and extensive archival research award winning scholar Roman Krakovsky here considers the Czechoslovakian attempt to reinvent the world time and space included in this all encompassing way. Ranging from WWII to the fall of the Berlin Wall his innovative analysis variously considers the impact of Stakhanovism the impossible to achieve production targets intended to assert socialism's future potential the attempt to replace Sunday's Christian attributes with socialist ones and the profound changes brought about to the public and private spheres including the culture of informing and the ways this was circumvented. Across a wide range of case studies Krakovsky demonstrates both the far reaching extent of the communist vision and the inherent flaws and contradictions that gradually destabilised it. This in depth perspective is vital reading for all scholars of twentieth century history and politics.

Revolutionary Law and Order Peter H. Juviler, 2002-01-15

Examining the Soviet Union's response to crimes with the use of enforced security Peter Juviler provides insight on trends in criminal actions and common legal responses to them in Soviet Russia. Revolutionary Law and Order looks at how policy has been made by the Soviet Union as well as the social and political changes that came to Russia and the successes and failures that came with the Soviet's efforts to eliminate crime. Through Peter Juviler's evaluation of Russia's quest for law and order in the sense of security against crimes readers will find numerous examples of the effective enforcement from the tsarist reforms to elaborate efforts of preventing and fighting cybercrimes.

Asia and the Road Ahead Robert A. Scalapino, 2023-04-28

Asia and the Road Ahead Issues for the Major Powers examines the foreign policy trends and challenges facing six key Asian Pacific societies Japan the People's Republic of China India Indonesia the Soviet Union and the United States. Organized into five regions Pacific Ocean Northeast Asia the Continental Center Southeast Asia and South Asia the study explores domestic influences on foreign policy and highlights the interconnectedness of these regions. While acknowledging the fluidity and uncertainties of contemporary global politics the author argues for continued U.S. engagement in the Asian Pacific world cautioning against isolationism in the wake of America's defeat in Indochina. The work advocates periodic reassessment of foreign policy priorities balancing economic political and military tools to address evolving challenges. Drawing on decades of experience including 26 trips to the Soviet Union and Asia since World War II the

author incorporates insights from numerous experts and sources including a January 1974 Foreign Affairs article on China While the work reflects the author s personal convictions it incorporates contrasting perspectives to provide a comprehensive analysis The collaborative input from academic peers and field experts further enhances the depth of this study making it a valuable resource for understanding the complexities and alternatives shaping the future of the Asian Pacific region This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1975 Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **The Socialist Industrial State** David Lane,2023-06-14 The Socialist Industrial State 1976 examines the state socialist system taking as the central example the Soviet Union where the goals and values of Marxism Leninism and the particular institutions the form of economy and polity were first adopted and developed It then considers the historical developments differences in culture the level of economic development and the political processes of different state socialist countries around the globe *Soviet Politics In The 1980s* Helmut Sonnenfeldt,2019-07-11 The Soviet Union in the aftermath of the Brezhnev era may well stand at a crossroads in its history According to the authors of this volume the Chernenko administration and the new generation of political leaders now on the threshold of power must steer through a difficult period in the USSR s international relations especially where the U S is concerned continuing to assert what they regard as the legitimate Soviet role as a world superpower while coping with an inflexible and aging political system a stagnant economy and growing social problems The contributors provide a careful consideration of the choices confronting the USSR as this new era begins and analyze the paths its leaders may take as they grapple with the challenges of the 1980s
