Soviet Regional Economic Policy The East West Debate Over Pacific Siberian Development:

Soviet Regional Economic Policy Jonathan R. Schiffer, 2016-01-06 An analysis of Soviet spatial resource allocation decision making during the period 1955 1980 utilizing a political economy framework to evaluate the East West debate over relative investment shares in the European and Pacific Siberian parts of the USSR It has case studies and trade details

The Soviet Union and Eastern Europe in the Global Economy Marie Lavigne, 1992-07-09 The Soviet Union and Eastern Europe are moving away from a centrally planned economy toward integration within the global economy How did this transition begin Is this an aim which all the countries can afford What conditions are to be met so that the countries will achieve a level of development comparable with the average level of their industrial partners In this 1992 volume leading international political economists from both the East and West provide an in depth analysis of these questions The contributors assess how the transition to the market requires liberalizing foreign trade introducing convertibility and transforming property structures all of which are also part of the ongoing domestic reform They also examine how these countries overcome their development lag and implement a restructuring policy

The Territories of the Russian Federation 2004 Imogen Gladman, 2004 This survey includes individual territory surveys and provides geographical historical economic and directory data as well as some 100 current maps

The Economics of Soviet Breakup Bert van Selm, 2012-10-12 This book analyzes the effects of the break up of the Soviet Union into fifteen independent states Topics discussed include past and present economic relations between the republics and forecasts for the future discussion of Customs Unions Monetary Union or Payments Union as possible ways forward for these states economic integration theory how the states of the Soviet Union functioned before the dissolution

Eurasian Cities Souleymane Coulibaly, Uwe Deichmann, William R. Dillinger, Marcel Ionescu-Heroiu, Ioannis N. Kessides, Charles Kunaka, Daniel Saslavsky, 2012-09-07 Eurasia has gone through tremendous changes over the past 20 years which are impacting the function and the form of its cities Looking ahead policy makers need to promote the changes that will make Eurasian cities the main drivers of Eurasia s growth via better planning connectivity greening and new financing

Geographic Perspectives on Soviet Central Asia Robert Lewis, 2003-10-04 In a unique survey based on new census data Geographic Perspectives on Soviet Central Asia highlights the region s geographic economic and ecological problems since 1945 Painting a grim picture this book investigates how the combination of rapid population growth and declining per capita investment is causing economic conditions to slide in rural areas and encouraging an ecological catastrophe The authors discuss the effects of low rural out migration and show that at current growth rates the rural working age population will double with each generation Unprecedented in a developed country this is causing the region to become more rather than less rural Soviet Central Asia is an area of low productivity and the book considers the lack of support from Soviet central government to the region Wishing to maximise their return to capital and labour the government is concentrating its investment in the European West and

directing insufficient funds for a growing workforce in Central Asia Soviet Central Asia also faces grave ecological problems the declining level of the Aral Sea extensive soil salinization and water pollution all largely due to past attempts at irrigation The authors consider the effect of these disasters on the area and look to future possibilities in this very important region of the world

The Territories of the Russian Federation 2002, 2002 Presents a distinctive collection of political geographical and economic information on the 89 constituent units of the Russian Federation This survey offers an insight into the often neglected regional dimension of the politics and economy of the Federation It includes Individual territory surveys Geographical historical economic and directory data Some 100 current maps Background to the Federation An essay covering the region as a whole analyzes the relationship between the territories and the Federation A chronology of Russia from the 9th century to the end of 2001 Statistics of major demographic and economic indicators Details of the Government of the Russian Federation Territorial Surveys Each territorial chapter includes A map plus geographical and demographic information Historical details followed by a description of the current political situation An economic survey presenting the latest available statistics A directory of names and addresses of the leading political and administrative officials

East Central Europe and the Former Soviet Union David Turnock, 2024-11-01 Since 1898 the former communist countries of Eastern Europe have gained international prominence The continuing socio economic transition and the instability evident in areas like the Caucasus and Former Yugoslavia have drawn the western world into uneasy interactions with the region At the same time closer commercial and cultural contacts are providing opportunities for rewarding relationships which have now resulted in many of these countries joining the EU This book provides detailed coverage of the transition from communism to a market economy Covering the whole range of East Central European and former Soviet Union countries it charts the diversity within the region offering in depth coverage of specific areas as well as a broad view of development across the region The book is organised into three comprehensive sections the historical socio economic and environmental The socio economic section considers the critical issues of restructuring to effect the transition from central planning to a market economy while the historical material provides an essential context for the constraints and opportunities affecting the region The environmental section places emphasis on results of environmental neglect inherited from communism as well as looking to the future implications of EU directives on the problems of biodiversity and pollution in the region

The Territories of the Russian Federation 2003 Europa Publications, 2003 Presents a distinctive collection of political geographical and economic information on the 89 constituent units of the Russian Federation

The Disintegration of the Soviet Economic System Michael Ellman, Vladimir Kontorovich, 2023-06-14 The Disintegration of the Soviet Economic System 1992 examines in detail the collapse of the Soviet economic system and is set in its political context both international and domestic The collapse is looked at from a macroeconomic point of view both real and financial as well as from a mesoeconomic viewpoint with chapters on such important sectors such as agriculture and the railways Because the USSR is such a large country it is

also looked at in a regional perspective with chapters on Central Asia and the allocation of investment between republics and attention is also paid to the welfare of the population their health and the development of their consumption and the environment and technical progress **The Territories of the Russian Federation 2009** Europa Publications,2009-06-02 The introduction examines the Russian Federation as a whole and consists of an essay written by an acknowledged expert focusing on the evolution of the relationship between the central state and the regions followed by a chronology demographic and economic statistics and a review of the Federal Government The second section comprises territorial surveys with a chapter on each of Russia s federal subjects each of which includes a current map The third and fourth parts comprise a select bibliography of books and indexes listing the territories alphabetically with a gazetteer of alternative names and by both Federal Okrug and Economic Area Key features include comprehensive overview of the Russian Federation offers an analysis and understanding of the country s regional dimension invaluable directories of important territorial contacts detailed and accurate political economic and statistical information some eighty five current maps extensive information from a wide variety of sources many of which are otherwise unavailable in English Russia's Provinces P. Kirkow,1998-01-12 This book focuses on the evolution of federalism and intragovernmental relations in Russia for the period 1992 95 following the dissolution of the Soviet Union Its main question is whether under conditions of democratisation and marketisation in Russia an authoritarian approach of transformation from above is more favourable to one of granting more autonomy to local governments The author suggests a scale of various reform implementation policies based on two pioneering case studies of Russian provinces *The Soviet Union and the Threat from the East, 1933-41* Jonathan Haslam,2016-07-27 This is the third in a series of volumes detailing the history of Soviet foreign policy from the Great Depression to the Great Patriotic War It covers Soviet policy in the Far East from the Japanese rejection of a non aggression pact in January 1933 to the conclusion of a neutrality pact in April 1941 During the course of that period the Soviet Union moved from being the vulnerable and isolated suitor to a position of negotiation from strength *The Territories of the Russian Federation 2012* Europa Publications,2012-08-21 This excellent reference source brings together hard to find information on the eighty three constituent units of the Russian Federation The introduction examines the Russian Federation as a whole focusing on the evolution of the relationship between the central state and the regions followed by a chronology demographic and economic statistics and a review of the Federal Government The second section comprises territorial surveys with a chapter on each of Russia s federal subjects each of which includes a current map The third section comprises a select bibliography of books The fourth section features a series of indexes listing the territories alphabetically by Federal Okrug and Economic Area Users will also find a gazetteer of selected alternative and historic names and a list of the territories abolished created or reconstituted in the post Soviet period **The Forest Industrial Sector of Russia: Opportunity Awaiting** C.A. Backman,1999-02-15 This is one of the first public documents to present accurate reliable data describing the forest sector of

Russian industry including data revealing behavior within the forest sector at a regional level and possibly the only one to include analyses that look far beyond the present to provide a glimpse of what the future might hold Following an introduction Chapter 2 reviews the forest sector in Russia including the deciduous resource and prices and costs Chapters 3 6 cover regional diversity in forest resources and utilization in European Russia West Siberia East Siberia and the Far East Chapter 7 deals with the trade patterns of Russia and former Soviet Union republics Chapters 8 and 9 cover analytical methods and scenarios focusing on accessibility capital requirements and product demand Chapter 10 examines policy implications and future avenues of research The book includes bibliographic references a glossary and an appendix with extensive statistical data **Russian Peasants and Tsarist Legislation on the Eve of Reform** David Moon,1992-06-18 This study examines the interaction of peasant and official Russia in the period prior to the reforms of 1861 In a series of case studies the issues of communication and understanding between the peasantry and officialdom peasant aims and behavioural patterns are explored *Stalinism: Its Nature and Aftermath* Nick Lampert,Gabor T. Rittersporn,1992-01-20 This is a collection of essays with contributors from Britain Continental Europe and the USA dealing with the character and aftermath of Stalinism in the USSR The focus is on the interwar years and on the methodological problems of studying this period but the volume highlights also the links between Stalinism and the Tsarist past and the ways in which Stalinism in its very formation prepared the ground for its own demise In this way it contributes to a historical understanding of the current upheavals in the Soviet Union From Submission To Rebellion Vladimir Shlapentokh,2018-02-20 This book addresses the relationship between the center and its provinces an important issue in any society using Russia as a case study It analyses the historical stages of Russia s past with special focus on the post Communist era *Russian Naval Construction, 1905-45* J.N. Westwood,1994-09-13 This book examines how the types numbers and designs of Russian warships were determined in the years preceding the two world wars with the three way interplay of naval staff naval designers and political leaders resulting in fleets that contained some outstanding units but were on the whole inappropriate to the tasks set by those wars It also considers how under both Nicholas II and Stalin foreign ideas were adopted with too little consideration of Russia s unique circumstances **Soviet Geography** ,1991
