essayist novelist and would be dramatist The study of his life and work has encountered problems since the 1950s stemming from the fact that half of his writing was published posthumously under editorship of doubtful accuracy The matter is further complicated in that his non poetic work has been neglected in favour of his verse A Struggle between Art and Politics reviews the evidence literary and historical now reliably to hand and assesses the often conflicting body of opinion his work has generated Three essential questions are pertinent Where should Vallejo be placed in the canon of twentieth century modernism What effect did his mid life conversion to Communism have on his writing How should his prose fiction journalism and essays be assessed in relation to his poetry There are few writers whose literary output follows the twists and turns of their lives more closely than César Vallejo's This new comparative study maps his career onto the cultural social political and historical backdrop to his life in Peru France Spain and Russia and analyses his writings in the light of his life circumstances Vallejo's journey from Peru the cultural periphery to the centre of inter war Paris his experience of European capitalism during the Depression and the confrontation of Communism and Fascism ultimately played out in the Spanish Civil War forced him to wage a personal struggle to reconcile art with life and politics This challenge is fought out in different ways in his various writings but nowhere more movingly passionately and humanely than in his posthumous poetry

Twentieth-Century Russian Poetry Katharine Hodgson, Joanne Shelton, Alexandra Smith, 2017-04-21 The canon of Russian poetry has been reshaped since the fall of the Soviet Union A multi authored study of changing cultural memory and identity this revisionary work charts Russia's shifting relationship to its own literature in the face of social upheaval Literary canon and national identity are inextricably tied together the composition of a canon being the attempt to single out those literary works that best express a nation's culture This process is of course fluid and subject to significant shifts particularly at times of epochal change This volume explores changes in the canon of twentieth century Russian poetry from the 1991 collapse of the Soviet Union to the end of Putin's second term as Russian President in 2008 In the wake of major institutional changes such as the abolition of state censorship and the introduction of a market economy the way was open for wholesale reinterpretation of twentieth century poets such as Iosif Brodskii Anna Akhmatova and Osip Mandelstam their works and their lives In the last twenty years many critics have discussed the possibility of various coexisting canons rooted in official and non official literature and suggested replacing the term Soviet literature with a new definition Russian literature of the Soviet period Contributions to this volume explore the multiple factors involved in reshaping the canon understood as a body of literary texts given exemplary or representative status as classics Among factors which may influence the composition of the canon are educational institutions competing views of scholars and critics including figures outside Russia and the self canonising activity of poets themselves Canon revision further reflects contemporary concerns with the destabilising effects of emigration and the internet and the desire to reconnect with pre revolutionary cultural traditions through a narrative of the past which foregrounds continuity Despite persistent nostalgic yearnings in some quarters for a single canon the current

situation is defiantly diverse balancing both the Soviet literary tradition and the parallel contemporaneous literary worlds of the emigration and the underground Required reading for students teachers and lovers of Russian literature Twentieth Century Russian Poetry brings our understanding of post Soviet Russia up to date **Twentieth-century Literary Criticism** Gale Research Company,1991 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **Marxism and Culture** Lawrence H. Schwartz,2000-09 Marxism and Culture attempts a history of the approach to literature as practiced by the Communist Party of the United States during the 1930s It also attempts to set aside the distortion of cultural cold war which routinely labeled anything communist as tendentious and tainted **Walford's Guide to Reference Material** Albert John Walford,Anthony P. Harvey,Laurence John Taylor,H. Drubba,1980 *Between Two Millstones, Book 2* Aleksandr Solzhenitsyn,2020-11-15 Aleksandr Solzhenitsyn delineates his idyllic time in rural Vermont where he had the freedom to work spend time with his family and wage a war of ideas against the Soviet Union and other detractors from afar At his quiet retreat the Nobel laureate found a happiness in free and uninterrupted work Kirkus Reviews This compelling account concludes Nobel Prize winner Aleksandr Solzhenitsyn's literary memoirs of his years in the West after his forced exile from the USSR following the publication of *The Gulag Archipelago* The book reflects both the pain of separation from his Russian homeland and the chasm of miscomprehension between him and Western opinion makers In *Between Two Millstones* Solzhenitsyn likens his position to that of a grain that becomes lodged between two massive stones each grinding away the Soviet Communist power with its propaganda machine on the one hand and the Western establishment with its mainstream media on the other Book 2 picks up the story of Solzhenitsyn's remarkable life after the raucous publicity over his 1978 Harvard Address has died down The author parries attacks from the Soviet state and its many fellow travelers in the Western press as well as from recent migrants who according to Solzhenitsyn defame Russian culture history and religion He shares his unvarnished view of several infamous episodes such as a sabotaged meeting with Ronald Reagan aborted Senate hearings regarding Radio Liberty and Gorbachev's protracted refusal to allow *The Gulag Archipelago* to be published back home There is also a captivating chapter detailing his trips to Japan Taiwan and Great Britain including meetings with Margaret Thatcher and Prince Charles and Princess Diana Meanwhile the central themes of Book 1 course through this volume too the immense artistic quandary of fashioning *The Red Wheel* staunch Western hostility to the historical and future Russia and how much can or should the author do about it and the challenges of raising his three sons in the language and spirit of Russia while cut off from the homeland in a remote corner of rural New England The book concludes in 1994 as Solzhenitsyn bids farewell to the West in a valedictory series of speeches and meetings with world leaders including John Paul II and prepares at last to return home with his beloved wife Natalia full of misgivings about what use he can be in the first chaotic years of post Communist Russia but never wavering in his conviction that in the long run his books would speak influence and convince This vibrant faithful and long awaited first English

translation of *Between Two Millstones* Book 2 will fascinate Solzhenitsyn's many admirers as well as those interested in twentieth century history Russian history and literature in general **Columbia Dictionary of Modern European Literature** Jean Albert Bédé, William Benbow Edgerton, 1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today **The New Encyclopaedia Britannica: Macropaedia**, 1995
