Soviet Union And The Plo:

The Soviet Union and the PLO Roland Dannreuther, 2016-07-27 The Soviet Union and the PLO provides a comprehensive account of Soviet PLO relations from the formation of the PLO in 1964 to the disintegration of the Soviet Union in 1991. By analysing in detail the complex and often turbulent evolution of the Soviet PLO relationship the book also provides critical insights into Soviet policy making towards the Arab Israeli conflict and the various strategies Moscow adopted to attain its strategic and ideological interests in the region.

The Soviet Union and the Palestine Liberation Organization Galia Golan, 1980

The Soviet Union and National Liberation Movements in the Third World Galia Golan, 2022-12-28 The Soviet Union and National Liberation Movements in the Third World 1988 is a systematic comparison of Soviet theory about and actual behaviour toward movements for national liberation in the Third World. In this definitive study Professor Golan demonstrates that Soviet behaviour toward such movements is consistent with Soviet theory as stated in the writings and speeches of high level influential within the Party military and academic communities. In so doing she advances our understanding of the rules of thumb that Soviet leaders appeared to follow in deciding whether and how to assist the varied types of anti imperialist and separatist movements in the developing world. The first part of the book provides a detailed analysis of the various schools of thought among Soviet writers concerning different aspects of national liberation movements and the second part analyses actual Soviet behaviour toward numerous movements around the world.

The Soviet Union and Terrorism Roberta Goren, 2024-04-12 The Soviet Union and Terrorism 1984 examines the extent of Soviet involvement in international terrorism and the aims and objectives of Soviet foreign policy. It looks at the evidence of changing Soviet attitudes to terrorism from 1917 to the 1980s evidenced in official and semi official pronouncements and it brings together evidence from the field of terrorist operations which points to a high degree of Soviet involvement. The Soviet Union is shown to be playing a dangerous game sponsoring activities which it cannot hope to control and leading to effects which it cannot predict. Nevertheless it continues to play because it gains from the political and military disruption to the countries affected by terrorist activities.

The Decline Of The Soviet Union And The Transformation Of The Middle East David Howard Goldberg, Paul Marantz, Stephen Page, Stephen Gotowicki, 2019-06-26 For more than three decades the Soviet Union was a major force in the Middle East and superpower rivalry exacerbated many of the conflicts endemic to the region. The end of the Cold War and the collapse of the Soviet Union have fundamentally altered the rules of the game in Middle East politics producing a new fluidity in the region new diplomatic alignments and new opportunities for peace. The contributors place recent developments in historical and political context analyzing changes in Soviet Middle East policy under Gorbachev as well as evaluating developments since the demise of the Soviet Union. The evolution of Moscow's policy toward the Arab states Israel the P L O and the U N is given special attention. The contributors also examine the emergence of Islamic fundamentalism in the new states of Central Asia and

weigh the potential implications of this development for the Middle East In addition they discuss security issues related to the transfer of military technology from former Soviet republics to the countries of the Middle East **Galia Golan: An Academic Pioneer on the Soviet Union, Peace and Conflict Studies, and a Peace and Feminist Activist** Galia Golan, 2018-10-26 This is an autobiography of an unusual and versatile woman focusing on her academic development and achievements as well as her international activism In addition to a discussion of the origins and path of the author's academic work and activism for peace and for women's rights that deals with the author's work in US intelligence and immigration to Israel in the 1960s the volume includes ground breaking articles from the different often controversial areas of her academic specializations Czechoslovak communism Soviet foreign policy peace studies the Arab Israeli conflict women's rights The volume also includes photos of the author at work and in action The book offers an inside look at a lifetime of courageous activities and ground breaking intellectual pursuits of a woman who was a leader in her academic field and in the struggle for peace and for women's rights The included texts themselves shed light on important topics both past and present including the Israeli Arab Conflict and also the issue of women and peace *The Soviet Union*, 1986 [The Soviet Union in the Third World](#) Robert H. Donaldson, 2022-12-28 *The Soviet Union in the Third World* 1981 analyses Soviet objectives in the developing world the instruments of foreign policy employed and their success and failure the implications of Soviet foreign policy for the international system in general and the US foreign and defence policies in particular Twenty leading specialists examine Soviet involvement in Latin America Africa the Middle East and Asia and discuss the subject from both security and economic perspectives *The Soviet Union and Arab Nationalism, 1917-1966* Hashim S.H. Behbehani, 2023-05-31 China's foreign policy in the Arab world is important because it reflects China's general foreign policy In this study first published in 1981 the author draws upon a wealth of previously unpublished and inaccessible material to analyse Chinese attitudes in three cases the two Arab liberation movements the Palestine Resistance Movement and the Popular Front for the Liberation of the Oman and the established and independent State of Kuwait Since the Arab liberation movements played a significant political role within their fields of operation it was necessary for China to decide whether these movements did actually fit in with Chinese foreign policy objectives Dr Behbehani's analysis of these two case studies provides the basis for a discussion of whether China's motives in supporting the liberation movements are theoretical or purely practical China's support for Kuwait's political internal continuity is related to the stability of the whole Gulf region The author analyses Chinese support for Kuwait and the surrounding conservative states on two main bases political and economic in the form of trade It is through these channels particularly the economic one that China has sought to establish itself in the Gulf and the Arabian peninsula *The Plo* Jillian Becker, 2014-03-20 The Palestine Liberation Organization was created by the Arab states as a weapon against Israel but most of its victims have been Arabs In Jordan it established itself as a rival power to the state and was forcibly expelled Its building up of an army in Lebanon led to civil war and Israeli military intervention until it was again

expelled in June 1982 In 1982 and 1983 the author took herself into the midst of war to write this book journeying for many days on roads known to be mined and ambushed spent nights in rooms with glassless windows while shells exploded on all sides and explored the ruins of PLO strongholds in the wake of bombardments in order to find documents testimony and clues of all kinds to the history of the organization She interviewed members of the many different sides involved in the Israeli Palestinian conflict The result is a powerful book which explains the structure aims tactics and role in middle eastern and world politics of the PLO *Palestine in EU and Russian Foreign Policy* Malath Alagha,2016-10-04 The establishment of a Palestinian state has long been a strategic objective of EU and Russian foreign policy in the Middle East However over a decade after the creation of the road map the establishment of an independent Palestinian state has still not been achieved Palestine in EU and Russian Foreign Policy uses the school of constructivism to provide a new understanding of EU and Russian foreign policy It explores the failure of these global actors to speed up the process of establishing a Palestinian state despite this being a strategic objective and top priority of their involvement in the Middle East peace process The book then analyses the role of identity and self other perception in the making of EU and Russian foreign policy towards the Middle East peace process It is argued that Palestinian statehood provides a telling empirical example of how and to what extent the search for global actorness as a matter of international identity informs foreign policy making by global actors The book then proceeds to discuss why the EU and Russia are so eager to be involved in initiating a peace settlement Offering a new understanding of foreign policy making by global players in Middle Eastern politics this book will appeal to students scholars and policymakers working in International Relations and European Russian and Middle Eastern studies *Legal Mechanisms to Combat Terrorism* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Security and Terrorism,1986 *The Dynamics of Israeli-Palestinian Relations* B. Soetendorp,2007-04-02 This book looks at Israeli Palestinian relations through three different conceptual lenses the individual decision maker domestic politics and the international system It examines key choices made by Israelis and Palestinians regarding three central issues the 1947 UN Partition Plan the Lebanon invasion in 1982 and the 1993 Oslo Agreements *China and the Palestinian Organizations* Shai Har-El,2024-08-19 This book explores the relations between China and the Palestinian organizations and their development during the period of 1964 1971 It serves as a case study for understanding China s relations with the Arab world the superpowers competition in the Middle East and the Arab Israeli conflict in general It offers a compelling retrospective on a critical period at a time when the contours of power and peace in the Middle East have shifted dramatically Highlighting the importance of building bridges of understanding and reconciliation across the Middle East divides it draws on the author s long experience of study research speaking and writing about the Arab Israeli conflict and Jewish Muslim reconciliation

Russia's Middle East Policy Alexey Vasiliev,2018-03-19 This extraordinary book charts the development of Russia s relations with the Middle East from the 1950s to the present It covers both high and low points the closeness to Nasser s

Egypt followed by reversal the successful invasion of Afghanistan which later turned into a disaster the changing relationship with Israel which was at some time surprisingly close the relationship with Syria which continues to be of huge significance and much more Written by one of Russia s leading Arabists who was himself involved in the formation and implementation of policy the book is engagingly written extremely insightful telling us things which only the author is in a position to tell us and remarkably frank not sparing senior Soviet and Russian figures from criticism The book includes material based on the author s conversations with other leading participants The Soviet Union and the Middle East 1917-1985 Basil Dmytryshyn, Frederick Cox, 1987 New York Magazine , 1979-09-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Palestinian Politics and the Middle East Peace Process* Ghassan Khatib, 2010-01-21 Eight years after the second Palestinian uprising the Oslo accords signed in 1993 seem to have failed This book explores one of the major aspects of the bilateral peace process the composition and behaviour of the Palestinian negotiating team which deeply impacted the outcome of the negotiations between 1991 and 1997 Parameters , 1986
