Soviet Historians On Latin America Recent Scholarly Contributions:

Soviet Historians on Latin America Russell H. Bartley, 1978 **Soviet Historians on Latin America** Russell H. Bartley, 1978 **Marxist Thought in Latin America** Sheldon B. Liss, 1984 **Nikolai Bolkhovitinov and American Studies in the USSR** Sergei I. Zhuk, 2020-07-06 This study is an intellectual biography of Nikolai N Bolkhovitinov 1930 2008 the prominent Soviet historian who was a pioneering scholar of US history and US Russian relations Alongside the personal history of Bolkhovitinov this study also examines the broader social cultural and intellectual developments within the Americanist scholarly community in Soviet and post Soviet Russia Using archival documents numerous studies by Russian and Ukrainian Americanists various periodicals personal correspondence diaries and more than one hundred interviews it demonstrates how concepts genealogies and images of modernity shaped a national self perception of the intellectual elites in both nations during the Cold War **Latin America, 1979-1983** Robert Delorme, 1984 Imperial Russia and the Struggle for Latin American Independence, 1808-1828 Russell H. Bartley, 2014-10-03 This study the first of its kind in English examines Russian responses to the independence movement in Latin America during the early nineteenth century From a strictly presentist perspective the investigation of this subject contributes to the historiography of colonialism and of Latin America s relations with the major world powers In addition it rounds out the story of foreign interests in the emancipation of Spanish and Portuguese America while at the same time shedding new light on the history of Russian overseas expansion The study probes the major determinants of Russian responses to the struggle for independence of colonial Latin America and evaluates from a European perspective the actual impact of tsarist policy on the course of those historic events Drawing on a wide range of printed materials and on hitherto unused manuscript sources from the archives and libraries of Spain Portugal Brazil and the USSR it isolates Russian New World objectives during the first decades of the nineteenth century and relates those objectives to the formulation of tsarist policy toward the insurgent Iberian colonies

Historical Dictionary of Paraguay R. Andrew Nickson, 2015-06-17 Land locked Paraguay is one of the smaller nations of Latin America whose global image is now changing very rapidly In the process the tired stereotype of a forgotten country comprising only military dictators Nazis and steam trains is being rapidly discarded Indeed Paraguay is now no longer off the map and its unique history is attracting growing interest This third edition of Historical Dictionary of Paraguay covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Paraguay Latin American Studies in Communist Countries , 1985 **A Patriot's History® of the Modern World, Vol. I** Larry Schweikart, Dave Dougherty, 2012-10-11 America s story from 1898 to 1945 is nothing less than the triumph of American exceptionalism over liberal progressivism despite a few temporary victories by the latter Conservative historian Larry Schweikart has won wide

acclaim for his number one New York Times bestseller *A Patriot's History of the United States*. It proved that contrary to the liberal biases in countless other history books America had not really been founded on racism sexism greed and oppression. Schweikart and coauthor Michael Allen restored the truly great achievements of America's patriots founders and heroes to their rightful place of honor. Now Schweikart and coauthor Dave Dougherty are back with a new perspective on America's half century rise to the center of the world stage. This all new volume corrects many of the biases that cloud the way people view the Treaty of Versailles the Roaring Twenties the Crash of 1929 the deployment of the atomic bomb and other critical events in global history. Beginning with the Spanish American War which introduced the United States as a global military power that could no longer be ignored and continuing through the end of World War II this book shows how a free capitalist nation could thrive when put face to face with tyrannical and socialist powers. Schweikart and Dougherty narrate the many times America proved its dominance by upholding the principles on which it was founded and struggled on the rare occasions when it strayed from those principles. The authors make a convincing case that America has constantly been a force for good in the world improving standards of living introducing innovations guaranteeing liberty and offering opportunities to those who had none elsewhere. They also illustrate how the country ascended to superpower status at the same time it was figuring out its own identity. While American ideals were defeating tyrants abroad a constant struggle against progressivism was being waged at home leading to the stumbles of the Great Depression the New Deal and the attack on Pearl Harbor. Despite this rocky entrance on the world stage it was during this half century that the world came to embrace all things American from its innovations and businesses to its political system and popular culture. The United States began to define what the rest of the world could emulate as the new global ideal. *A Patriot's History of the Modern World* provides a new perspective on our extraordinary past and offers lessons we can apply to preserve American exceptionalism today and tomorrow.

Brodsky Abroad Sanna Turoma, 2010-05-26

Expelled from the Soviet Union in 1972 and honored with the Nobel Prize fifteen years later poet Joseph Brodsky in many ways fit the grand tradition of exiled writer. But Brodsky's years of exile did not render him immobile though he never returned to his beloved Leningrad he was free to travel the world and write about it. In *Brodsky Abroad* Sanna Turoma discusses Brodsky's poems and essays about Mexico Brazil Turkey and Venice. Challenging traditional conceptions behind Brodsky's status as a leading migr poet and major descendant of Russian and Euro American modernism she relocates the

analysis of his travel texts in the diverse context of contemporary travel and its critique Turoma views Brodsky's travel writing as a response not only to his exile but also to the postmodern and postcolonial landscape that initially shaped the writing of these texts In his Latin American encounters Brodsky exhibits disdain for third world politics and invokes the elegiac genre to reject Mexico's postcolonial reality and to ironically embrace the romanticism of an earlier Russian and European imperial age In an essay on Istanbul he assumes Russia's ambiguous position between East and West as his own to negotiate a distinct and controversial interpretation of Orientalism And Venice the emblematic tourist city becomes the site for a reinvention of his lyric self as more fluid hybrid and cosmopolitan Brodsky *Abroad* reveals the poet's previously uncharted trajectory from alienated dissident to celebrated man of letters and offers new perspectives on the geopolitical philosophical and linguistic premises of his poetic imagination Mexico Through Russian Eyes, 1806-1940 William Harrison Richardson, 2010-11-23 In this unique book William Richardson analyzes the descriptions given of Mexico by an assortment of Russian visitors from the employees of the Russian American Company who made their first contacts in the early nineteenth century to the artists diplomats and exiles of the twentieth century He explores the biases they brought with them and the interpretations they relayed back to readers at home Richardson finds that Russians had a particular empathy for the Mexicans sharing a perceived similarity in their histories conquest by a foreign power a long period of centralized authoritarian rule an attempt at liberal reform followed by revolution **Russian Sources on American History** ,1990

The Paraguay Reader Peter Lambert, Andrew Nickson, 2012-12-21 This lively compilation of testimonies journalism scholarship political tracts literature and illustrations conveys Paraguay's rich history and cultural heritage as well as its struggles against underdevelopment foreign intervention poverty inequality and authoritarianism **A London**

Bibliography of the Social Sciences British Library of Political and Economic Science, 1931 Vols 1-4 include material to June 1 1929 Encyclopedia of Latin American History and Culture Barbara A. Tenenbaum, 1996 Strives to organize knowledge of the region It contains nearly 5 300 separate articles Most topics appear in English alphabetical order Latin American Monographs ,1978
