Soviet Jewry In The Decisive Decade 1971 80

Laurie P. Salitan

Soviet Jewry In The Decisive Decade 1971 80:

Soviet Jewry in the 1980s Robert Owen Freedman,1989 Contributors Stephen Feinstein Robert O Freedman Theodore H Friedgut Zvi Gitelman Marshall I Goldman Sidney Heitman William Korey Howard Spier *Soviet Jewry in the Decisive Decade, 1971-80* Robert Owen Freedman,1984 The exodus of more than 250 000 Soviet Jews during the 1970s has opened a window for the authors of this volume to gain significant new insights into the essentially closed society and political decision making process of the Soviet Union Divided into two parts the book first analyzes the nature and development of Soviet anti Semitism as well as examining the effects of world pressure from 1971 to 1980 on the Soviet government s decision to allow Soviet Jews to emigrate It then offers useful cross cultural comparisons of the emigration experience with a specific focus on Soviet Jewish resettlement in Israel and the United States Page preceding title page [Documents on Ukrainian-Jewish Identity and Emigration, 1944-1990](#) Vladimir Khanin,2012-11-12 This volume provides a unique perspective on the social cultural and political situation of the Jewish population in postwar Soviet Ukraine It is based on declassified collections of documents from the Ukrainian central and regional archives **In the Trenches** David A. Harris,2000 Harris executive director of the American Jewish Committee since 1990 shares 20 years of experience with the AJC including working to help Soviet Jewry and his views on the Middle East other parts of the world the Holocaust human rights international terrorism making a better America and the future of American Jewry His words on anti Semitism unsolved bombings in Argentina and interfaith relations still resonate Annotation copyrighted by Book News Inc Portland OR **Russian Jews on Three Continents** Noah Lewin-Epstein,Paul Ritterband,Yaacov Ro'i,2013-10-31 In the past twenty years almost three quarters of a million Russian Jews have emigrated to the West Their presence in Israel Europe and North America and their absence from Russia have left an indelible imprint on these societies The emigrants themselves as well as those who stayed behind are in a struggle to establish their own identities and to achieve social and economic security In this volume an international assembly of experts historians sociologists demographers and politicians join forces in order to assess the nature and magnitude of the impact created by this emigration and to examine the fate of those Jews who left and those who remained Their wide ranging perspectives contribute to creating a variegated and complex picture of the recent Russian Jewish Emigration *Documents on Soviet Jewish Emigration* Boris Mozorov,2013-07-04 This is a collection of Soviet documents relating to the struggle for Jewish emigration They reveal those aspects of the problem which most preoccupied the leadership and the factors which had the greatest impact on the decision making process **Race, Color, Identity** Efraim Sicher,2013-05-01 Advances in genetics are renewing controversies over inherited characteristics and the discourse around science and technological innovations has taken on racial overtones such as attributing inherited physiological traits to certain ethnic groups or using DNA testing to determine biological links with ethnic ancestry This book contributes to the discussion by opening up previously locked concepts of the relation between the terms color race and Jews and by engaging

with globalism multiculturalism hybridity and diaspora The contributors leading scholars in anthropology sociology history literature and cultural studies discuss how it is not merely a question of whether Jews are acknowledged to be interracial but how to address academic and social discourses that continue to place Jews and others in a race color category *Soviet Jewry in the Decisive Decade, 1971-1980* Robert Owen Freedman, 1984 **Moscow and the Middle East** Robert Owen Freedman, 1991-01-25 Professor Freedman provides an exhaustive account of Soviet policy in the Middle East from the invasion of Afghanistan in December 1979 to withdrawal from the country ten years later *Legacy of Blood* Elissa Bemporad, 2019-11-20 This book traces the legacies of the two most extreme manifestations of tsarist antisemitism pogroms and blood libels in the Soviet Union from 1917 to the early 1960s Closely intertwined in history and memory pogroms and blood libels were and are considered central to the Jewish experience in late Tsarist Russia the only country on earth with large scale anti Jewish violence in the early twentieth century But their persistence and memory under the Bolsheviks a chapter that is largely overlooked by the existing scholarship significantly shaped the Soviet Jewish experience By exploring the phenomenon and the memory of pogroms and blood libels in the Soviet territories of the interwar period as well as after World War II in the newly annexed territories Bemporad studies the social realities of everyday antisemitism through the emergence of communities of violence and memories of violence The fifty year span from the Bolshevik Revolution to the early years of Krushchev included a living generation of Jews and non Jews alike who remembered the Beilis Affair the pogroms of the civil war and in some cases even the violence of the prerevolutionary years Bemporad also examines the ways in which Jews reacted to and remembered the unprecedented violence of the pogroms of the Russian Civil War and how they responded to and which strategies they adopted to confront accusations of ritual murder By tracing the afterlife of pogroms and blood libels in the USSR *Legacy of Blood* sheds light on the broader question of the changing position of Jews in Soviet society And by doing so it tells the story of the solid yet ever changing and at times ambivalent relationship between the Soviet state and the Jewish minority group **Jews and Jewish Life in Russia and the Soviet Union** Yaacov Ro'i, 2016-02-11 The main focus of this book is Jewish life under the Soviet regime The themes of the book include the attitude of the government to Jews the fate of the Jewish religion and life in Post World War II Russia The volume also contains an assessment of the prospects for future emigration **Russian Antisemitism Pamyat/De** Corey, 2013-11-26 First Published in 1995 The emergence in Russia of the antisemitic chauvinist movement Pamyat has started Western society even as it has stirred deep fears and anxiety among Jews and democratic forces within Russia How could supposedly Communist society whose founder V I Lenin had railed against the racism and bigotry give birth to a proto fascist ideology and organisation This study seeks to respond to this understandable if provocative query The roots of Pamyat's ideology can be traced to the tsarist Black Hundreds in the really part of the twentieth century to certain aspects of Stalinism and especially to the Soviet anti Zionist campaign of 1967-86 Although the antisemitic campaign was officially halted at state

level by Mikhail Gorbachev the merging Pamyat groups took advantage of the freer atmosphere of glasnost to continue to foster anti Jewish hatred Politics and Nationality in Contemporary Soviet-Jewish Emigration, 1968-89 Laurie P. Salitan,1992-06-18 According to this study Soviet policy toward Jewish emigration is ruled by domestic affairs rather than foreign It challenges the view that the exodus from the USSR is related to the superpower climate and offers a comparison with Soviet German emigration **O Powerful Western Star!** Peter Golden,2012 American Jews Russian Jews and the Final Battle of the Cold War **Documents on Ukrainian Jewish Identity and Emigration, 1944-1990** Ze'ev Khanin,2003 A collection of 93 documents mostly official Soviet ones showing the rise in Jewish identity consciousness in Ukraine from 1944 90 as well as the resentment of authorities toward this phenomenon and their attempts to suppress Jewish and especially Zionist activities Pt 1 p 39 111 covering the period of 1944 53 provides many accounts of antisemitic activity including cases of anti Jewish violence rampant in Ukraine at the time Some of the documents reflect the resentment of the authorities concerning the intervention of the Jewish Anti Fascist Committee in these affairs Pt 3 p 153 322 shows inter alia attempts by the authorities to suppress commemoration of the Holocaust at the Babii Yar site and elsewhere in the 1970s **A History Of Russia Volume 2** Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world **USSR, Estimates and Projections of the Population, by Major Nationality** William Ward Kingkade,1988 USSR William Ward Kingkade,1988 **The American Bibliography of Slavic and East European Studies** ,1987 **Middle East Contemporary Survey, Volume Xii, 1988** Ami Ayalon,Haim Shaked,1990-09-25 This is the eighteenth volume in a series that provides a continuing up to date reference work recording the rapidly changing events in an exceptionally complex part of the world The volume includes for the first time separate country surveys of the North African states of Algeria Morocco and Tunisia

Reviewing **Soviet Jewry In The Decisive Decade 1971 80**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
