Soviet Russia The East 1920 1927 A Doc:

Eaet Asia's Turbulent Century Young Hum Kim,1966 **A History of Soviet Russia** M. K. Dziewanowski,1985

From Rebel to Ruler Tony Saich,2021-07-06 On the centennial of the founding of the Chinese Communist Party Tony Saich offers the definitive history of the CCP s rise and rule The party has suffered self inflicted wounds yet thrived thanks to its flexibility Looking ahead Saich assesses how the CCP is adapting to global leadership and the expectations of China s growing middle class **The Formation of the Chinese Communist Party** Yoshihiro Ishikawa,2013 The reception of Marxism in China Soviet Russia the comintern and the Chinese Communist movement Toward the formation of the Chinese Communist Party The First National Congress of the Chinese Communist Party **The Bibliographic Index** ,1957 **The Rise to Power of the Chinese Communist Party** Tony Saich,Benjamin Yang,2016-09-16 This collection of documents covers the rise to power of the Chinese communist movement They show how the Chinese Communist Party interpreted the revolution how it devised policies to meet changing circumstances and how these policies were communicated to party members and public *The Soviet Union and Its Southern Neighbours* Mikhail Volodarsky,2014-04-23 Volodarsky Russian and East European studies Tel Aviv U argues that the new Soviet Union continued Imperial Russia s policy of controlling its southern neighbors through promises and threats **Survival and Consolidation** Richard K. Debo,1992-04-27 With victory in sight the Bolsheviks turned their attention to the consolidation of power within the former Russian empire When they took power in 1917 the Bolsheviks believed their revolution had to spread beyond Russia or perish Neither happened and in the spring of 1921 at the end of hostilities they stood alone in the wreckage of the former Tsarist empire The Bolsheviks had in Lenin s words won the right to an independent existence This entirely unforeseen situation surprised both them and their enemies Debo shows however that nothing predetermined that Soviet Russia would at the end of the civil war enjoy an independent existence or even exist at all He suggests that a wide range of circumstances contributed to the eventual outcome of the war and that it could have ended indecisively In his evaluation of the Soviet diplomatic achievement Debo describes their successes with Britain Poland and Germany their continuing difficulties with Romania France and the United States and the threat from the Far East This diplomatic success he maintains was the result of Soviet victory in the civil war and the patient pursuit of realizable objectives Diplomacy and Deception Bruce Elleman,2016-09-16 During the Soviet period the USSR conducted diplomatic relations with incumbent regimes while simultaneously cultivating and manipulating communist movements in those same countries The Chinese case offers a particularly interesting example of this dual policy for when the Chinese Communists came to power in 1949 their discovery of the nature of Moscow s imperial designs on Chinese territory sowed distrust between the two revolutionary powers and paved the way to the Sino Soviet split Drawing on newly available documents from archives in China Taiwan Russia and Japan this study examines secret agreements signed by Moscow and the Peking government in 1924 and confirmed by a Soviet Japanese convention in 1925 These agreements

essentially allowed the Bolsheviks to reclaim most of tsarist Russia's concessions and privileges in China including not only Imperial properties but also Outer Mongolia the Chinese Eastern Railway the Boxer Indemnity and the right of extraterritoriality Each of these topics is analyzed in this volume and translations of the secret protocols themselves are included in a documentary appendix Additional chapters discuss Sino Soviet diplomacy and the parallel history of Soviet relations with the Chinese Communist Party as well as the origins and purpose of the United Front policy

Bibliographic Index, 1956 *Administrative Reference Service Report* United States. Navy Department. Office of Records Administration, 1943 *Imperial Rivals* Sarah C.M. Paine, 2023-05-31 Based on archival research this is a history of the Russo Chinese border which examines Russia's expansion into the Asian heartland during the decades of Chinese decline and the 20th century paradox of Russia's inability to sustain political and economic sway over its domains

Social Sciences, 1970 **American Book Publishing Record**, 1967 **Britain and the Armenian Question** Akaby Nassibian, 2023-11-06 First published in 1984 Britain and the Armenian Question examines the direction changes and ramifications of British policy towards Armenia during 1915 to 1923 The author has made extensive use of parliamentary papers and those of the Cabinet Foreign Office War Office and India office as well as documents produced by pro Armenian groups during the period This material is used to build up a detailed and incontrovertible study of British policy which shows the extent to which it was governed by self interest even when support for Armenia was its most altruistic Once Britain secured predominance in the Persian Gulf she lost all her interest in Armenian territory and the dilemma was posed when the war ended not only did she no longer need Armenia but also had to decide who to support in Russia Armenia lost out on all sides and was compelled eventually to adapt herself to the policies of the surrounding countries This is an interesting read for scholars and researchers of international relations and international political history

The Far-Eastern Review, 1927 *International Rivalry and Secret Diplomacy in East Asia, 1896-1950* Bruce Elleman, 2019-08-30 East Asia was a major focus of struggle between the United States and the Soviet Union during the Cold War of 1945 to 1991 with multiple hot and cold conflicts in China Korea and Vietnam The struggle for predominance in East Asia however largely predated the Cold War as this book shows with many examples of the United States and Russia the Soviet Union working to exercise and increase control in the region The book focuses on secret treaties 26 of them signed from the mid 1890s through 1950 when secret agreements between China and the USSR including several concerning the Chinese Eastern Railway gave Russia greater control over Manchuria and Outer Mongolia One of the most important was negotiated in 1945 when Stalin signed the Sino Soviet Friendship Treaty with Chiang Kai shek and the Chinese Nationalists that included a secret protocol granting the Soviet Navy sea control over the Manchurian littorals This secret protocol excluded the US Navy from landing Nationalist troops at the major Manchurian ports thereby guaranteeing the Chinese Communist victory in Northeast China from Manchuria the Chinese Communists quickly spread south to take all of Mainland China To a large degree therefore this

formerly undiscussed secret diplomacy set the underlying conditions for the Cold War in East Asia **Russia After Lenin**
Vladimir Brovkin, 2005-08-04 In Russian Society and Politics 1921-1929 Vladimir Brovkin offers a comprehensive cultural
political economic and social history of developments in Russia in the 1920s Iran, Imperialism, Class and Modernization
