Politics in Fantasy Media Gerold Sedlmayr,Nicole Waller,2014-10-21 Fantasy is often condemned as escapist unsophisticated and superficial This collection of new essays puts such easy dismissals to the test by examining the ways in which Fantasy narratives present diverse politically relevant discourses gender race religion or consumerism and thereby serve as indicators of their real world contexts Through their depiction of other worlds allegedly disconnected from our own these texts are able to actualize political attitudes Instead of categorizing Fantasy either as conservative or progressive the essays suggest that its generic peculiarity allows the emergence of productive forms of oscillation between these extremes Covered are J R R Tolkien s The Lord of the Rings George R R Martin s A Song of Ice and Fire sequence J K Rowling s Harry Potter novels the vampire TV series True Blood and the dystopian computer game Fallout 3 **Writing and Fantasy** Ceri Sullivan,2014-06-11 Writing and Fantasy brings together essays which restore a sense of the fantastic as a political response to cultural opportunities and pressures It moves on from two conventional fields of discussion the psychoanalytic where phantasies are produced by the emergence of the consciousness and the social where fantasies are the production of nineteenth century individualism Chapters run from the classical period to the twentieth century each focusing on a local reading of how fantasy acts as a strategy to contain or exploit specific historical and cultural moments A wide variety of sites are investigated including the feminization of the wild west originary and maternal spaces highwaywomen financial credit

and the ideal home Multiple genres containing fantasy are explored ranging from ghost stories to feminist utopias Aids to the reader include an introduction summarising recent discussions of fantasy illustrations dealing with visual fantasies and an annotated bibliography The new research presented here will be of great interest to academics and students in literature history and cultural studies departments who are working in the field of the historical development of concepts of fantasy cultural opposition and the imbrication of politics and modes of representation
