Space 1999 Survival:

The Epic Structure of Space 1999 John K. Balor, 2018-02-18 This book contains transcripts from Online Alpha discussions where the epic and narrative structure of SPACE 1999 is being discussed by comparing episodes with themes characters and elements of plot from the Homeric Odyssey and Lewis Carroll's stories about Alice The discussion is motivated by questions raised in the scholarly literature and earlier Online Alpha debates about how to make sense of SPACE 1999 from the viewpoint of critical theory The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **Space 1999 and Critical**

Theory John K. Balor, 2017-11-11 The television series SPACE 1999 was in its first series shaped by the late sixties and early seventies counterculture movements making SPACE 1999 into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate SPACE 1999 went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **Space 1999 Survival** Brian Ball, 2004-10-01 A sea of destruction in

space Littered with the debris of spacecraft and the dead A failed exodus Those who remain face almost certain annihilation Yet one final decision must be made A choice between life and death In which humanity is a liability Ethics are expendable War may be the only recourse And survival must be won at any cost Unedited summary from the book Cosmos 1999 - The

Third Year of Space 1999 John K. Balor, 2019-07-10 What does Gerry Anderson's television series SPACE 1999 have in common with Carl Sagan's award winning television documentary COSMOS Not very much one might expect but this book documents an Online Alpha discussion where fans of the science fiction series discuss and debate differences and similarities from a wide range of perspectives some of them arguing that two series may be so closely connected that it might be natural to think of COSMOS as the third year of SPACE 1999 This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com *An Exploration of Space*

1999 Through the Lens of Video Games: Payne 1999 John K. Balor, 2019-07-02 This book contains transcripts from Online Alpha discussions where the video game PAYNE 1999 game theory and game study theories are used for analysing and commenting on problems of conflict and cooperation in SPACE 1999 The discussions build on more than a decade of conversations and debate about PAYNE 1999 and the aim of the book is to put the various threads together while also developing new ideas and providing direction for further investigations The book has been developed on an idealistic basis and it is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **1999: A Space Odyssey** John K Balor, 2018-08-03 Part of the premise of the online discussion transcribed in this

book is how Gerry Anderson's television series Space 1999 can be understood in relation to Stanley Kubrick's 2001 A Space

Odyssey by looking at both narratives through the perspective of systems theory As a result of doing so an engaged debate concerned with the political and philosophical subtext of both stories developed This book gives a full account of the debate with summaries of ideas and insights The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **An Exploration of Space 1999 Through the Lens of Fan Fiction: Forever Alpha** John K. Shirinian,2024-10-11 In *Survival of a Perverse Nation* Tamar R Shirinian traces two widespread rhetorics of perversion sexual and moral in postsocialist Armenia showing how they are tied to anxieties about the nation s survival In her fieldwork with Armenians Shirinian found that right wing nationalists focus on sexual perversion centers the figure of the homosexual while questions of moral perversion surround oligarchs and other members of the political economic elite While the homosexual is seen as non or improperly reproductive the oligarch s moral deviations from the caring and paternalistic expectations associated with national leadership also endanger Armenia s survival Shirinian shows how both figures threaten the nation s proper social reproduction a source of great anxiety for a nation whose primary point of identity is surviving genocide In the existential threat posed by these forms of perversion Shirinian finds paths where nonsurvival might mean the creation of futures that are queerer and more just Detailing how the language of perversion offers trenchant critiques of capitalism as a perversion of life Shirinian presents a new queer theory of political economy
